

REBEKAHS PUT GARY WOMAN IN AS TREASURER

Mrs. Clara Evans Elected to Office—Others Are Advanced.

Mrs. Clara Evans, Gary, was elected treasurer at the annual meeting and election of officers today by the Indiana Rebekahs in session here. The office of treasurer is the only competitive office in the State lodge, all other officers being advanced each year.

Other officers are: Mrs. Eva L. McDaniel, Shelbyville, president; Emily Wedgewood, East Chicago, vice president; Sadie Grace Myers, Seymour, two years; Valerita Kimmel, Kendallville, wardens, and Laura Morris, Frankfort, secretary.

Plans for the big parade of Odd Fellows and Rebekah lodges of Indiana, to be held Wednesday evening, have been completed and the affair promises to be the largest in the history of the organizations.

This will be the first time that representatives of two organizations have paraded together and for that reason the new plan is attracting unusual attention among members of the lodges.

The parade, which will move at 8 o'clock, from Meridian and Vermont streets, will be in three divisions, headed by mounted policemen, the Odd Fellows Band, Grand Marshal J. W. Buchanan, and the Rebekahs.

The first division will be directed by E. Heller, marshal, assisted by William Harrison, Mrs. Harry Simpson and Miss Hazel Murnan. The division will be composed of twenty-two Rebekah lodges and there will be a number of floats in line.

The second division, which will be composed of Grand Lodge officers, past grand masters and representatives of the Grand Lodge will be headed by Ernest A. Schilling, marshal and Carl Schiller, assistant marshal. The Indianapolis Military Band will be in this division.

R. M. Coleman has been named as marshal for the third division, with Elmer L. Keeler and Edward Harvey as assistant marshals. This division will be composed of twenty-seven subordinate lodges and the King David Lodge, interspersed with a number of drum corps, bugle corps and bands.

Meridian and Vermont streets will be the scene of the parade. The line of march will be from Meridian street, south of Washington street, west in Washington street to Capitol avenue, countermarch to Delaware street, countermarch again to Pennsylvania street, north on Pennsylvania street to Massachusetts avenue and up Massachusetts avenue to the Athenaeum.

The Rebekahs held their opening business session yesterday on the twelfth floor of the Odd Fellows Building, and the annual report submitted by the president, Mrs. Emma W. Wilson of Jasper, showed that 4,717 members have been added to the order within the past year, bringing the present membership up to 52,862.

Today the Odd Fellows and Rebekahs made their annual trip to the Odd Fellows Home at Greensburg.

The Grand Lodge L. O. O. F. of Indiana will begin at 9 o'clock Wednesday morning. Wednesday evening following the parade the uniform rank of the Grand Lodge will give a military ball in the assembly room of the Hotel Denison. The honorary degree of the grand decoration will be conferred on several members and there will be a number of drills given by visiting cantons. In the afternoon a special session for officers and chivaliers of the Grand Lodge will be held at the Hotel Denison.

BOOTLEG WITH STOLEN CARS

Peddlers Steal Cars to Escape U. S. Seizure.

A series of automobile thefts in Terre Haute and Indianapolis has caused the police to believe that bootleggers are stealing automobiles to use in hauling "white mule" whisky. Cars stolen in Terre Haute are being recovered in Indianapolis and automobiles stolen in Indianapolis are being found deserted in or near Terre Haute.

The detectives point out that the whisky runners haul liquor in these stolen cars and if forced to desert the cars to elude arrest they do not have to worry about the Federal officers holding their automobiles.

One week ago today Lieutenant McMurry was transferred from the uniformed police department to the detective department to take charge of the automobile squad. During the week fifteen automobiles have been stolen in Indianapolis, but nine have been recovered.

One of the recoveries occurred today. Jacob A. Cox, 3629 Collins street, on May 14 reported his touring car stolen from Meridian and New York streets. Today the car was found deserted on a street in Terre Haute.

On May 13, Harry Goldstein, 2456 Talbot avenue, reported his automobile stolen from a downtown street. The automobile was later found deserted near Newport, Ind., not far from Terre Haute. The thieves, after deserting the car, broke open a garage in Newport and stole a sedan owned by William Hagerty, a banker of Newport. That automobile and another of the same make, owned by a physician and taken in Terre Haute, were found Sunday morning on Maryland street, by Lieutenant McMurry and Detective Rugenstein. The two cars were parked close together.

Jack Irvin, 17 North State avenue, yesterday reported his automobile stolen from Vermont street and Capitol avenue. The detective department sent out a series of calls to law-abiding citizens of last night Sheriff Vandiver of Franklin telephoned that he had the Irvin automobile and also the man who stole it. He said the man gave him the name of Albert Watson, 20, living on Bradley avenue. Detectives Fields and McGinn today went to Franklin to bring the automobile and the alleged thief back to Indianapolis.

War Romance Given Shock in Bigamy Charge

Sailor Who Married Spanish Maiden Also Wed Others, It Is Said.

A romance of the World War that originated at Gibraltar, when Prosperina Fernandez, a pretty Spanish maiden, met Jesse E. Sterrett, a sailor on one of the United States battleships, has come upon the rocks in Indianapolis, and tomorrow Sterrett will appear in city court to answer to the charge of bigamy. He has been married five times, it is alleged, and has had only one divorce.

Mrs. Prosperina Fernandez-Sterrett, 26, accompanied by Mrs. Elizabeth Hawkins, 1329 North Illinois street, appeared at the office of women police a few days ago, and told the newspaper that Jesse E. Sterrett, giving his age as 31 years, and address as 907 North Capitol avenue, had married Edith Kirkendall, 21, of 901 North East street. Prosperina told the police that her husband had deserted her and their two children, Emily 2, and Hortense 11 months old. She said that he had taken the children to the home of his brother, Clarence Sterrett, Rural Route 111, Terre Haute, She said that she had just learned that her husband had married Edith Kirkendall on May 7.

INTERVIEW WITH WOMEN POLICE. LEO M. A. EGAN of the women's police department took personal charge of the investigation. She was assisted by Milda Davis and Ruth Robinson, who yesterday were unable to locate the Kirkendall woman who was living at 827 Park avenue since her marriage to Sterrett. The ceremony was performed, it is said, by the Rev. Peter E. Kirkendall.

STERRETT TOLD THE POLICEMEN THAT she did not know Sterrett was married. An affidavit was sworn out for Sterrett and he was arrested on the charge of bigamy, Sunday night, and in court yesterday the case was continued until Wednesday afternoon to give the officers more time to complete their investigation.

Six children are the result of Sterrett's five marriages, the police allege. They said that wife No. 1 was Mary Sterrett; No. 2, Mable Sterrett; No. 3, Prosperina Fernandez-Sterrett; No. 4, Hazel Sterrett, now living at 930 Olive street, New Orleans, La.; No. 5, Edith Kirkendall Sterrett.

CAME TO NEW YORK FROM GIBRALTAR. After meeting Sterrett at Gibraltar during the war, Prosperina Fernandez came to New York City where she says she was married to him on July 6, 1918. They lived in New York until about four months ago, when they came to Indianapolis. For a time they remained at the home of Jesse E. Sterrett's brother, Elsworth Sterrett, of Lawrence. Two months ago they left that place. Prosperina is now staying at the home of her husband's aunt, Mrs. Alice Barlow, 2267 Northwestern avenue. The police claim they have information that Sterrett has served a term for bigamy a number of years ago. The details of this case, they say, are lacking and they are investigating to learn if it is true.

When Sterrett was questioned by Captain Clara Burdette of the women's police department in regard to his most recent matrimonial adventure he said: "I had to get married as I had been threatened with arrest on the charge of child neglect."

He failed to explain how the most recent marriage would have saved him from arrest on a charge of child neglect. Sterrett was unable to obtain a \$3,000 bond and is in jail awaiting a hearing before Judge Walter Pritchard.

URGES CHANGES FOR BETTERING PUBLIC HOMES

(Continued From Page One.)

are ninety-five children, of which number fifty-one are boys and forty-four are girls ranging from six weeks to fourteen years in age, in the institution.

That "the best service is being rendered in a home which is in a deplorable condition," the report showed, and a recommendation was made that the county commissioners take over this home from the management of the Friends Church and remove the institution to a country location.

HOPELESS IN PRESENT LOCATION. The report states that "the church really admits its inability to cope with this home. In our opinion, it is simply hopeless in its present location and should be moved into the country," says the report. "The small, cramped playgrounds are simply not a home for children. The laundry is absolutely the most deplorable thing we saw. The machinery is entirely worn out."

Concerning the colored children, the report stated that Mrs. Lucy Hayden, the matron, is "really the entire organization as she does the cooking, baking, cleaning and nursing, and it seemed to us she had far more responsibility than any woman should be expected to handle."

ONLY TWO MEALS SERVED DAILY. There are fifteen old women, whose ages range from 65 to 104 years, in this home. There are only two meals served daily—breakfast at 9 o'clock and dinner at 4 o'clock, the report stated. The breakfast on the day of the investigation consisted of baked apples, coffee cake and coffee and the dinner consisted of meat, cabbage, potatoes, corn, bread and coffee.

Space is limited and the place, while reasonably clean looks more or less messy," the report stated. The home for aged women was found apparently to be the most satisfactory of the institutions visited by the police in this trip of inspection. There are forty-four women there, ages ranging from 67 to 95 years.

The report showed that "conditions were very good, very neat and in clean order." The board praised the large sitting room with its piano and phonograph and also the "most attractive dining room." Three meals are served daily there.

Commissioner Lewis George stated that the report would be considered by the commission and would be taken on the recommendations.

An exhibit of articles made in the Baptist vacation schools is on display in connection with the college, including handmade aprons, baskets, cut-out work and drawings.

TROOPS RUSHED TO FIGHT IRISH

British Alarmed by Recent Outbreak of Guerrilla Warfare.

LONDON, May 17.—With approximately forty dead in the unprecedented outbreak of guerrilla warfare in western and southern Ireland, the British war office was reported today to be rushing heavy reinforcements of troops and artillery to combat the Irish republican army.

According to information from an authoritative source the war office is sending twenty-four batteries of guns and 5,000 artillerymen. Ten thousand infantrymen are reported to have been moved into Ireland from English concentration camps in the past ten days.

There are more English troops and artillery in Ireland than at any other time in the history of the country.

Fears were expressed that the big Sinn Fein offensive against British troops and black and tan policemen may obstruct the peace negotiations and may interfere with the election of members of the northern Ireland and southern Ireland parliaments later in the month.

Officials of the Irish office were unwilling to discuss the reported offer of Premier Lloyd George to meet Eamon De Valera, "president of the Irish republic," for an open conference without any conditions.

Sixteen and three women have been arrested by Scotland Yard agents this morning on the charge of complicity in the Sinn Fein outrages in England on Sunday. All were held.

TWO POLICEMEN ON THE CARPET

The case of Patrolman James George, charged with conduct unbecoming an officer, was taken under advisement, following a hearing by the board of public safety today. Patrolman Pete Topoff was exonerated of charges preferred by Fred Johnson, 2325 West Washington street. A number of minor appointments and promotions were made in the police and fire departments.

Patrolman George, according to testimony of Capt. Edward Ball and Lieut. Victor Houston of the police department, was charged with the residence of Mrs. A. M. Vintine, 1014 South Meridian street, on April 21.

The charges against Patrolman Topoff were to the effect that he had pushed Mrs. Johnson's 10-year-old son off of the back of another boy, breaking the Johnson boy's arm. Topoff said he did not touch either boy. Johnson sought to recover his son's doctor bill from Topoff but the board declined to take any action.

Oscar Webster and Claude E. Shower were appointed patrolmen. Comp. L. Scherer, Ralph J. Billster, Earl Plummer, Noah T. Patton, Albert A. Underwood, Arthur C. Schaffner, Earl R. Snyder, Walter S. Stelmeyer, Hugh Reed, Herman B. Whitte and Edwin Pace were appointed substitute firemen. Resignations of Patrolmen Calvin C. Simmons and Robert Fulton were accepted.

Firemen were promoted to the rank of chauffeur as follows: George Ream and Artville Marshall of Pumper Company No. 12; Peter Gallagher of Pumper Company No. 9; William Powell and Clarence Schaeffer of Pumper Company No. 22; Walter Ford of Pumper Company No. 28; Harry Van Pelt of Engine Company No. 1; Edward Carlisle and Louis Baehge of Pumper Company No. 3, and Frank Rude of Pumper Company No. 8.

Building permits for the week ending May 14 totaled 230 in number and \$30,970 in value, the report of Building Commissioner Walter B. Stern showed.

SEE AGREEMENT OF G. O. P. WINGS

Harding Nominee Made in Senate.

WASHINGTON, May 17.—The struggle within the Republican party between the progressive and conservative wings, brought to a settlement through the fight being made against Senate confirmation of Frank A. Linney, President Harding's nominee for United States district attorney for western North Carolina.

Progressive leaders regard the Linney case as likely to be of the utmost importance in determining just how strong the progressives are in their own party. Borah, Johnson, Kenyon and other progressives intend, they say, to make a dash for Linney. They don't want him confirmed because it is alleged as chairman of the State committee he became a party to an understanding that Linney would be elected to the Senate in spite of the constitution and laws.

Further, the progressives contend Linney was in part responsible for the Linney case. They were charged with assisting the Linney case in Chicago away from Johnson after he won the presidential preference primary in Indiana. They will fight him on that ground.

Lesh Cites Board of Agriculture to Loan.

Another possible solution of the problems facing the State board of agriculture as the result of unconstitutional features of the law which makes it a State department instead of a quasi-public organization was advanced today by U. S. Lesh, attorney general.
