

APPEAL MADE
BY RED CROSSKlothes Wanted for Kiddies,
Says Call.

Over 500 women in Marion County received their "call to the colors" of the Indianapolis chapter of the American Red Cross yesterday. These are chairmen of Red Cross units and presidents of clubs, church associations and societies, fraternal, community and civic organizations, who in turn will notify their members. So that before another day has passed thousands of women throughout the county will have received word of the call, which was mailed out in circular form under the title "Wanted: Klothes for Kiddies."

It reads:

"The American Red Cross calls you to the greatest emergency since the World War."

"Millions of babies and little children in central Europe have no other clothing than old newspapers and rags; no homes but cellars and dugouts; no heat; little or no food."

"Garments of all kinds are needed at once. So be generous and volunteer to make up some of your half-worn and discarded clothing and house furnishings into garments for little, shivering, desolate children across the sea. America is their only hope, and America must not fail them. America will not fail them if you all do your bit."

"Thousands of layettes and children's garments (2 to 14) must be made up immediately by girls and women in Marion County in order to reach central European distribution stations by the time when the winter comes. The first rule is to materials or patterns. Use your own patterns or those suggested by the Red Cross; the simpler the better. Use any material on hand that is clean, durable and warm. Sew in your own home or in your church, club or social groups. But sew some place. Service, you know, is the only thing you can take with you when the great summons comes."

"Picture your own well-dressed, happy ones, or those of your neighbors—then picture these ragged unhappy ones in the great outdoors—children whose layettes are old newspapers, and many of whose mothers lay on a bit of straw on the cold ground at child-birth."

"Picture the millions of sad, wistful faces turned to America, and the millions of tiny hands and of mothers' hands outstretched to prosperous, generous America for clothes—not fashionable clothes, just clean, warm, durable clothes."

"The greatest mother in the world be-sees you to respond to this appeal, reminding you that

At your store this week

Your dealer will give you a 10-Day Tube of Pepsodent if you present the coupon at any store named below.

Do this for your own sake—for your family's sake. Watch how your teeth improve. The delightful effects will very soon convince you what is best.

Every application of Pepsodent brings five distinct results. And modern authorities consider all of them essential.

Now a world method

In many countries Pepsodent is fast displacing old teeth cleaning methods. Dental authorities the world over endorse it. Careful people must adopt it sooner or later, for old methods are not right. With them, tooth troubles and discolorments have become almost universal. A change must come, and now is the time to start it.

Quick changes come

The user of Pepsodent quickly feels conspicuous changes. One cannot doubt the benefits it brings.

Perhaps men who smoke see the most conspicuous effects. Their films are tobacco-stained.

Women see them in prettier teeth, for most film-coats are dingy.

But Pepsodent is most important to the children. Their teeth seem most subject to these film and starch attacks. Dentists advise that children use Pepsodent from the time the first tooth appears.
