

FORCES READY TO BACK PACT-- LLOYD GEORGE

Statement on Poland Matter Is Veiled Warning to France.

STRONG TONE VOICED

LONDON, May 18.—British forces will be available, if Poland tramples on the peace treaty, Premier Lloyd George warned in a statement issued today.

The statement was directed also at the French, who have exercised a "benevolent neutrality" during the invasion of upper Silesia by Polish insurgents.

The premier declared that Germany had been threatened by the British fleet if she should disobey the supreme council's orders. His decision was regarded here as an indication that others disobeying the council's orders would meet the same fate.

"It is temporarily difficult to send troops," he said, "but that is a difficulty soon remedied."

WONT SEE DECISION TRAMPLED ON.

Great Britain, he said, is willing to accept any decision of the supreme council in regard to the Versailles treaty, but he refuses to see it trampled on.

Lloyd George declared that he stood firmly on his statement in Commons regarding the Silesian situation that the Germans have as much right to invade the region as the Poles have.

He warned France that her newspapers could break any entente by their impudence by their attacks on those who did not agree with them in everything.

The premier disclaimed reports of his first statement in the French press.

SOME ONE MUST HOLD RESTRAINING HAND.

"Having gone through a great war in which we sustained gigantic losses in defense of the old treaty whereunto this country was a party, Great Britain cannot consent to stand by whilst the peace treaty which our representatives signed less than two years ago is being trampled upon," said the premier.

"The children of the peace treaty cannot be allowed to break up the creaky machinery of Europe with impunity," continued Lloyd George.

"Some one must put out a restraining hand. Otherwise, there will be continual trouble. The mist that lies ahead right now are more than usually dense."

'Look at Ireland,' Korfanty's Reply to Lloyd George

LONDON, May 18.—"I cannot disarm the Polish insurgents in Upper Silesia because they are not regular troops," declared Adelbert Korfanty, Polish minister in Upper Silesia, in an interview given the Daily Express correspondent at Schopponitz and telegraphed from Oppeln today.

In replying to Premier Lloyd George's recent decision that the Polish activities in Upper Silesia are threatening a new warfare, Korfanty continued:

"Look at Ireland, which is being torn by the British forces succeeded in disarming that country? We are willing to withdraw the Polish insurgents to another line in Upper Silesia if the points are conceded and the Polish troops are in fact, we wish to retire, but the insurgents will defend their positions to the last drop of blood if attacked by Germans."

United States to Keep Hands Off

WASHINGTON, May 18.—The first direct attempt to draw the United States Government into the controversy over Upper Silesia, which is now menacing the peace of the world, has resulted in a total failure, it was learned authoritatively here today.

An "informal" request for American support of the French-Polish position in the controversy was lodged with Secretary of State Hughes by Prince Lubomirski, Polish minister here. Just as "informally," the Polish representative has been informed, it is understood, that the United States regards the Silesian question as a matter of wholly European concern and that this Government will not take any part in its settlement.

Iris Exhibition at Library Wins Favor

The Iris display shown all week at the Central Library has been pronounced one of the most successful exhibitions ever shown in the delivery room.

Some very rare specimens of this spring flower have been contributed by Miss Margaret Griffith, Mrs. Charles J. Fyfe, William Pollett, Miss Helen Rickert, Miss Marcia Furnas and Miss Carole Orr.

Thus far the following varieties have been shown: Princess Victoria Louise, Lorraine, Iris King, Amagilla, Pallida Rubea, Iris, Crystal, Cottage Maid, Rhoda Nix, Aurea, Flavescens, Rembrandt, Mme. Chereau, Florentina, Mrs. Darwin, Fairy, Crimson King, Prosper Languier, Nibelungen, Quaker Lady, Isolde, Her Majesty, Queen of May, Paloma Dalmatica, Celeste and Siberian Iris.

A variety of colors, purple, lavender, blue, yellow, white, pink, and combinations of these go to make up the collection. There also is much variety shown in shape and size and fragrance. They will be shown all this week and as much longer as the Iris last.

Townsend to Head Indiana High Court

The Indiana Supreme Court will close its term Friday. With the opening of the new term Monday Justice Howard L. Townsend will become chief justice to succeed Justice Benjamin M. Willoughby who will remain as associate justice.

COLUMBIA AVE. IMPROVEMENT IS CALLED OFF

Financial Disability of Property Owners Prompts Board's Action.

Plea of resident property owners claiming they are financially unable to meet the expense of the permanent improvement of Columbia avenue from Sixteenth to Twentieth streets and from Twentieth street to the Belt railroad caused the board of public works today to rescind all action upon resolutions for the pavement.

This was a deviation from the usual policy of the board, which for the past two years has been to attempt to push through the improvement of important streets over restraints.

The board awarded contracts as follows:

Permanent improvement of Forty-Seventh street from Pennsylvania street to Washington boulevard with bituminous concrete, to J. N. Morgan & Son for \$6.80 per lineal foot, \$16,334.53 total.

Permanent improvement of the first alley east of Riter avenue from Lowell avenue to Washington street with two-course concrete, to Columbia Construction Company, \$3.50 per lineal foot, \$6,098.53 total.

Resurfacing of Ft. Wayne avenue from Alabama to Tenth streets with asphalt, to J. N. Morgan & Son for \$7.20 per lineal foot, \$12,820.75 total.

Permanent improvement of Garfield avenue, from Walnut to First streets, with bituminous concrete, to Union Asphalt Construction Company for \$7.40 per lineal foot, \$15,239.04 total.

RESCIND ACTION ON TWO OTHER PROJECTS.

All action was rescinded on resolutions for the opening of Chester street from Tenth to Twelfth streets and the permanent improvement of Riley avenue from Michigan to Tenth streets.

Final action upon resolutions for sidewalks, curbs and graded lanes in Crescent street from Northwestern avenue to Thirty-Fifth street, and for grading of Crescent street from Thirty-Fourth to Thirty-Fifth streets, was postponed to Aug. 17 on request of property owners.

A resolution for the permanent improvement of Garfield avenue from Forty-Sixth to Forty-Ninth streets was adopted.

Remonstrances against the permanent improvement of Salem street from Thirty-Fourth to Thirty-Sixth streets, the permanent improvement of Parker avenue from New York to Michigan streets, and the permanent improvement of Harding street from Washington street to Kentucky avenue, were reported last night by City Civil Engineer Frank C. Lingenfelter.

REMOVAL OF RESOLUTIONS ARE CONFIRMED.

Plans were ordered for a sewer in Carrollton avenue from Fifty-First to Fifty-Second streets and the following resolutions confirmed: Sidewalks in Winthrop avenue from Forty-Second to Forty-Fourth streets; sidewalks, graded lanes and curbs in Blue Ridge road from Boulevard Place to Sunset avenue; permanent improvement of Blue Ridge road from Boulevard Place to Sunset avenue; permanent improvement of Station street from Twenty-Eighth to Thirtieth streets; grading of Ohio street from Gale street to Brookville avenue; sidewalks and curbs in Ohio street from Gale street to Brookville avenue; vacation of Spann avenue from Randolph street to the Big Four Railroad and vacation of the first alley south of New York street from Lynn street to the first alley east of Lynn street.

The resignation of Ray M. Bonsh, draftsman in the city civil engineering department was accepted and Charles W. Roessner and William F. Nichols were appointed junior inspectors in the same department.

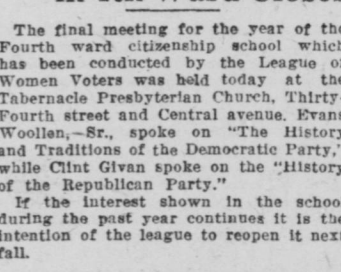

Citizenship School in 4th Ward Closes

The final meeting for the year of the Fourth ward citizenship school, which has been conducted by the League of Women Voters was held today at the Tabernacle Presbyterian Church, Thirty-Fourth street and Central avenue. Prans Woolson, Sr., spoke on "The History and Traditions of the Democratic Party," while Clint Givan spoke on the "History of the Republican Party."

If the interest shown in the school during the past year continues it is the intention of the league to reopen it next fall.

REVERIDGE GIVES ADDRESS.

So varied and complex, strenuous and unending, is the work of the preacher that he should never undertake the work unless called by God for that sacred service, declared Albert J. Reveridge, former United States Senator from Indiana, in an address before approximately 2,000 persons last night at the United Brethren conference in Jolinton Hall.

William Jennings Bryan, former Secretary of State, will speak tonight to delegates and visitors to the conference, and the public, using as his subject "Brother or Brute." This lecture will be free of charge, as was that given by Mr. Reveridge.

The former Senator was given an ovation when he entered the hall. Harper J. Ransburg was temporary chairman of the meeting, introducing the permanent chairman, Bishop H. H. Fout, Indianapolis, who in turn introduced Mr. Reveridge.

O'ACTIVITY.

The speaker outlined four fields of activity as of widest consequence—press, school, pulpit and statesmanship. Each of these, he declared, requires the highest qualities of intellect and character.

"While each is difficult in the highest degree, perhaps the task of the teacher and preacher are hardest," he said. "Also they are more poorly paid and less appreciated than most who toil in the upbuilding and maintenance of that social and economic scheme which we vaguely call 'civilization.'"

HARD TASK OF PREACHER.

A brief summary of the duties of the preacher of which make up the preacher's task, showed how hard and heavy that task is. Two new sermons every Sunday, year in and year out, before the same congregation; personal contact and winning fellowship with the members of his church of the most varied characters, manners, degrees of education and bent of mind; comradery with the general public, blending cordiality and dignity so perfectly as to attract; the conscientious round of pastoral obligations; calling on the sick, looking after the destitute, burying the dead; managing the fiscal affairs of the church; caring for his own family; through all, tireless and exhaustive study of current economic, social, philosophical and religious literature that he may understand existing human needs and the trend of public opinion—these are only a few of the kaleidoscopic activities and requirements demanded of the preacher.

"No other human occupation compares with this," he declared, "and, consequently, the Christian ministry in exactions—exactions as severe as any are contradictory."

RAPS COUNCIL FOR AWARDED HIGHWAY WORK

Newby Says He Thought Plan to Wait for Drop in Prices.

Criticism of the awarding of contracts for improved roads during the present high prices by the Marion County commissioners, after it was understood that the commissioners would not award additional highway contracts which would cause more bond issues or affect the tax rate, was made today by Albert T. Newby, a member of the Marion County council, at a special meeting of the council.

The criticism was made when Councilman Newby stated that he had understood there was a agreement not to award additional road improvement contracts, but that six such contracts had been awarded.

TAKE UP PAY OF ADDITIONAL HELP.

The closing minutes of the three-hour session was devoted to considering the paying of additional help used by Mike Jefferson, Center township assessor. If this amount of more than \$1,000,000, which leaves only a \$2,000,000 margin of borrowing power and the present policy of the county administration. Proposed improvements are now under consideration for Manual and Technical High Schools, and grade school buildings for the expenditure of \$1,750,000. This sum does not include school furnishings and equipment.

MUST DELAY OR SHORTBRIDGE WILL SUFFER.

Unless these improvements are in the main delayed, a new Shortridge would be impossible for the want of money.

"We believe that the school commissioners have the power to raise the fund for the creation of a new school if the contemplated improvements at Manual and Technical High Schools until such time as the school city is financially able to carry into effect such improvements."

"We further recommend that inasmuch as your committee have plans under way not yet perfected, which may materially assist the board of school commissioners in financing a new north side high school, and better realize its necessity, that your committee be continued with authority to develop plans under way and report to this body its conclusions."

Death Results From Fall Beneath Train

As a result of injuries received while attempting to get on a moving passenger train at Washington and Noble streets, Glenn Gillman, 16, 208 East Washington street, died at the city hospital at 2 a. m. today.

In company with two older companions Gillman started to "bum" his way to Cleveland to obtain employment, he told Sergeant Burk. He attempted to catch the New York Central passenger train last midnight, slipped and fell. Both legs were cut off.

T. H. NEGRO FINED.

Charles Royal, 30, negro, of Terre Haute was found guilty of charges of disorderly conduct by Judge Walter Pritchard in city court today and was fined \$1 and costs and sentenced to thirty days on the Indiana State Farm. Royal was arrested last night by Patrolman Stoddard and Carlett at the Union Station. The officers say that Louis Johnson, 17, 314 Euclid avenue, told them the negro made several insulting remarks to him.

MAY CHANGE HIS MIND.

John Bailey, 2101 Madison avenue, was fined \$10 and costs on charges of vagrancy by Judge Walter Pritchard in city court today. Bailey stated that he was opposed to work when officers arrested him last night for not having a bicycle license. The license case was dismissed.

Farm Sentence of 100 Days Suspended

Stanley Snodgrass, 1129 Finley street, was found guilty of charges of petit larceny and was fined \$1 and costs and sentenced to serve 100 days on the Indiana State Farm by Judge Walter Pritchard in city court yesterday afternoon. Judge Pritchard suspended the sentence pending good behavior.

ALLEGED EMBEZZLER RETURNED.

Harlan M. Boyd, 33, was brought to this city today to answer the charge of embezzlement and false pretenses. He was arrested at Columbus, Ohio, after he was indicted by the grand jury. In the indictment he is charged with embezzling \$1,000 from the Your Store Company, 31 Second street, while in the employ of that company. Detective Frank Duncan brought Boyd back to the city.

WOULD PROTECT SHORTBRIDGE IN MONEY OUTLAY

Parent-Teacher Association Enters Strong Protest to Further Expenditures.

A strong protest against further expenditures by the board of school commissioners on Arsenal Technical and Emmert High Training high schools, until some steps are taken toward a new building for Shortridge was voiced last night at a meeting of the Parent-Teacher Association of Shortridge High School.

The report drawn up by a committee appointed at the last meeting of the association to look into the needs of Shortridge was approved unanimously and the committee was continued with authority to develop plans now under consideration.

CLAIM SHORTBRIDGE WILL LOSE BENEFITS.

The report stated that if the present building program for Manual and Technical High Schools which calls for the expenditure of \$1,750,000 on these two high schools, is carried out, that it will be impossible for Shortridge to be given new buildings on account of the limit of bonded indebtedness permitted the school city under the law. The need of the proposed improvements at the other two high schools is not denied, but the report states in substance that they should not be pushed to the prejudice of Shortridge.

In part the report of the committee, which is composed of Ira M. Holmes, chairman; James M. Oden, Mrs. Fred Pettibone, Mrs. J. W. Moore, F. B. Wade, F. E. Chandler, Charles F. Coffin, Mrs. J. E. Pierce, Mrs. Adolph Schmuck and Thomas A. Hendricks, is as follows:

BUILDINGS, EQUIPMENT, WHOLLY INADEQUATE.

"School conditions in the present buildings prove that the buildings and equipment are wholly inadequate, and we believe that the present school buildings and equipment cannot be made adequate by additions or repairs."

"A new and larger school is a recognized necessity by school authorities, but difference of this exists concerning the building program."

"We find additional improvements and enlargements proposed at both Manual and Technical High Schools, involving the expenditure of more than \$1,000,000, and while we cannot say these improvements are not needed, we do say the urgency is not as great as it is for a new Shortridge."

"We find the indebtedness of the school city alarmingly close to the legal limit. There is in the school city taxable property of the approximate value of \$600,000. The rate of indebtedness is 2 per cent. The bonded indebtedness is now approximately \$10,000,000, which leaves only a \$2,000,000 margin of borrowing power and the present policy of the county administration. Proposed improvements are now under consideration for Manual and Technical High Schools, and grade school buildings for the expenditure of \$1,750,000. UNLUCKY BREAK FOR TWO IN AUTO

Tow Line Parts and They Land in Cells.

When a rope broke two men, an automobile, and twelve gallons of "white mule" whisky were seized by Mounted Policemen William R. Thomas today at Warren avenue and Morris street. An automobile was pulling another car east in Morris street and as the machines turned north in Warren avenue the tow rope broke.

As a result Magin J. Meany, 1328 Silver avenue, and Frank Hill, 38 West Vermont street, were arrested on the charge of operating a blind tiger. In the back seat of the automobile was found three bags of whisky which the men said they obtained near Terre Haute. The police emergency squad under Lieut. Robert E. Woolen was sent to the scene and the liquor was sent to police headquarters. The disabled automobile was also taken to police headquarters.

W. L. Harker, 1100 South Warren avenue, who was towing the disabled automobile, told the police he had received a telephone call for help. He said he knew nothing about what was in the automobile. He was not arrested.
