ACCOMPLISHMENTS OF POSTS TO BE REVIEWED.

Of particular interest to legionnaires will be the discussions of service and membership campaigns, a State publication, clubrooms, special post activities, community work and national legion affairs and legislation. Posts which have accomplished noteworthy results will be recognized by being called upon for their experiences.

The Marion County council expects every post in its jurisdiction to have its two or more representatives at the conference. Mr. Cantwell said.

Food and lodging will be furnished free by the academy. All the delegates have to bring is blankets, sheets if preferred, and a couple of towels besides usual traveling paraphernalia.

SENATE TO GET NEWBERRY DATA

Evidence Obtained by Dailey Taken to Washington.

Walter Lewis, agent in charge of the bureau of investigation of the Department of Justice, left for Washington last night in charge of a big trunkful of records in the Newberry election fraud case. These records are wanted by the subcommittee of the Senate committee on privileges and elections which will take up Senator Newberry's case Wednesday.

Sensor Newberry was convicted last year by a jury in Federal Court at Detroit of fraud in connection with his nomination for Senator on the Republican ticket in 1918. The prosecution for the Government was in the hands of Frank C. Dailey of this city, formerly United States district attorney. Recently the case was reversed by the Supreme Court of the United States, largely on the ground that the Federal Government has no jurisdiction over primaries.

When Mr. Dailey was preparing his brief and argument for the hearing before the Supreme Court he had the records sent here from Detroit, and when he had finished using them they were turned over to Mr. Lewis.

Following the decision of the Supreme Court Henry Ford, who was Newberry's opponent, demanded that the case be taken up by the Senate and as a result the committee on privileges and elections will take the matter up Wednesday.

LAD ELECTROCUTED AT PLAY.

RUSHVILLE, Ind., June 7.—While playing near the I. & C. Traction Company's power house, John Newman, 8, son of Mr. and Mrs. John Newman, was instantly killed when he took hold of a switch charged with 3,300 volts of electricity. He was playing with two small companions, who ran nearly a mile to the boy's home before they informed any one of the accident.

HOW TO REDUCE VARICOSE VEINS

Many people have become despondent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches.

If you will get a two-ounce original bottle of Moore's Emerald Oil (full strength) at any first class drug store and apply it at home, as directed you will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Moore's Emerald Oil is very concentrated and a bottle lasts a long time. It is a most inexpensive treatment. It has brought much comfort to people all over the country and the wonderful discoveries of it and always bear in mind that no one is disappointed with its use. Their money refunded. General receipt of 15 cents, silver International Laboratories, N. Y. Your druggist can advise.

\$60,000 FIRE AT CRESCENT PLANT

Mysterious Blaze Is Fought Two Hours by Firemen and Extinguished.

Fire of unknown origin caused a loss estimated at \$60,000 yesterday at the Crescent Packing Company's plant, Gardner Lane and White River. Half the loss was damage to the building and the other half was smoke and water damage to dressed meats.

William Gardner, a member of the company, today said it was impossible to give an exact estimate of the loss but that it would reach at least \$60,000. He said the company was protected by insurance.

The first alarm was received at 5:30 o'clock Monday afternoon and a few minutes later Battalion Chief O'Brien sent in a second alarm. It required more than two hours for the department to extinguish the fire.

The blaze started in the upper part of the big building where the coolers are located. It had gained such headway before the firemen arrived that the entire roof caved in. George D. Gardner, secretary and treasurer of the company, said no fires were kept in the building other than in the boiler room. There is said to have been no electric wiring in the upper part of the building where the fire started.

John Finn, 417 North Rural street, a dispatcher for the Vandalla Railroad, discovered the fire, and almost at the same instant Patrolman Thomas Fleming, who was on a street car some distance from the Crescent Packing Company, also saw the flames and sent in an alarm.

The building is located on part of the ground that the city had planned to use for a food wall and there is some doubt about it being repaired. The dense clouds of smoke could be seen for a great distance when the fire first started, but as the streams of water poured onto the flames the smoke died down. Harvey Coons is president, and H. H. Wood, small, vice president of the Crescent Packing Company.

Charge Political Trick in T. H. School

Special to The Times.

TERRE HAUTE, Ind., June 7.—Prof. Thomas Records, principle of Garfield High School here, and who was "let out" by the city school board last week, has accepted the principalship of the Wayland (Ind.) High School. Records was offered the position immediately following the failure of the board to consider him for another term.

Rich Bayh, physical director of the Indiana State Normal School, who was named as Records' successor, Monday refused to accept the offer, stating that he had been offered a better place with the Normal.
