

SEEK OWNERS OF IRISH ARMS SEIZED ON SHIP

600 Machine Guns and Five
Cases of Ammunition Con-
cealed in Sacks.

ATTACHED AS STOLEN

NEW YORK, June 16.—Ownership of 600 machine guns and five cases of ammunition, alleged to have been consigned to Irish revolutionary forces, was being sought here today.

The munitions were seized last night on the steamer East Side by customs officers. The ship was lying at an army pier in Hoboken and was about ready to sail for Belfast. The machine guns and ammunition were hidden in a coal bunker where they were said to have been disguised as part of the crew.

Shortly after the seizure which was witnessed by a crowd of jeering men, city police took charge of the munitions on the strength of a search warrant. The warrant was obtained by Franklin Williams, a New York contractor, who said the munitions were stolen from his Hoboken warehouse June 11.

The steamer St. Silphias Company, owners of the vessel denied knowledge of the presence of the munitions aboard. The East Side cleared for Norfolk, Va., shortly after the seizure and will proceed from there to Ireland.

SCOUR ULSTER FOR SINN FEIN

BELFAST, June 16.—One of the most extensive military raids yet attempted in Ulster was under way in County Monaghan today.

All military units were employed in a dragnet which practically covered the county. Airplanes aided the movement and cavalry and motorcycle squads over the roads and fields of the escape of Sinn Fein sympathizers.

More than five thousand persons were captured in the first rush, but most of them were released. A few were held to be taken to prison camp where they could be examined at leisure.

DUBLIN PAPER ATTACKS SIMS

DUBLIN, June 16.—The allegation of Rear Admiral Sims, U. S. N., that Americans lost their lives in the war as a result of Sinn Fein activities was denied today by the Freeman's Journal.

"The 'die hards' who have been exploiting Admiral Sims' anti-Irishism have been gravely charged at his recall by Secretary of the Navy Denby," said the Freeman's Journal. "Admiral Sims is not an American. He is British born. Throughout his whole career he has shown himself more British than American. The explosion against Ireland was not the explosion of an American officer but a Canadian Orangeman."

"Congress has already shown what it thinks of the scandal."

POOR LIL PEGGY! GOT LEGAL MUD ALL OVER HER!

J. Stanley's Counsel Says
More Nasty Things
About Actress.

CHICAGO, June 16.—Pretty Peggy Joyce was spattered with "legal mud" today as the counter-offensive of J. Stanley Joyce was resumed in divorce court here.

The actress was again the target of Alfred Austrian, attorney for her third millionaire husband, who is fighting Peggy's demand of \$10,000 a month alimony.

Peggy was described by Austrian as a bewitching siren who has dug deeply into the purse of her three millionaire mates.

Joyce, who was in court with his brother, blushed at the epithets his attorney hurled at his wife.

As Austrian asked Judge Sabato to compel Peggy to appear in court here word was received by Chicago customs officers that Peggy had flown New York with Government detectives at her heels.

There was no sign of Peggy. She gave an account of the jewels she has in order to check up charges made that she smuggled some into this country.

Peggy Joyce will come out and face all her accusers when the right time comes," Weymouth Kirkland, her Chicago attorney, stated.

"She is not a smuggler."

BAND CONCERTS IN PARKSON 4TH

Board Arranges for Music at
Riverside, Garfield, Brook-
side and Ellenberger.

Band concerts will be given in River-
side, Brookside, Garfield and Ellenberger Parks on either the afternoon or evening of the Fourth of July, the board of park commissioners decided today. The bands will cost approximately \$125 each and each will include twenty-five men.

It was decided that the board is holding up a payment of \$5,000 due George J. Martin, president of the organization, prior to a plot of ground at Meridian street and Fall Creek Boulevard, North Drive, May 1, for the reason that the sum was to have come out of the \$30,000 franchise tax payment of the Indianapolis Street Railway Company. The franchise tax was due May 1, but the company has refused to pay it on the theory that it is not compelled to since the franchise has been surrendered.

It was decided that the board of trustees of Brightwood who do not want a proposed playground located on a plot selected by another set of citizens asked the board to hold up action until a petition counter to that presented a week ago by the citizens favorable to the location can be filed. The board agreed.

A tour of undevolved park properties and tracts of land which the board has been asked to buy will be made early next week.

The picnic season was shown to be in full swing when thirty-six permits for use of parks for this purpose were ap-

proved.
