

HAWAII AIMS TO DOMINATE THE PACIFIC WORLD

Press Congress Will Discuss Far East Problems in Honolulu.

NO RACIAL FRICTION

HONOLULU, Hawaii, July 2.—Invitations have been issued to publishers, editors and newspaper men in all parts of the world to attend the First Pan-Pacific Press Conference, which is to be a part of the Press Congress of the World, to meet here next October. The outstanding purpose of the conference is to accomplish the permanent organization of newspaper men scattered throughout the lands bordering on the Pacific Ocean.

"Is it not possible," the invitation inquires, "that we here at the crossroads of the Pacific may be of service as a drop of static and distributing center of news information? There has been much discussion on the subject, and it might well be taken up at the Press Congress."

Dr. Walter Williams, president of the Press Congress of the World, has set aside a Pan-Pacific Day at the Congress, and the Hon. Charles J. McCarthy, Governor of Hawaii and president of the Pan-Pacific Union, joins in this invitation.

The invitation is issued by the Pan-Pacific Union, with headquarters at Honolulu. Alexander Hume Ford, secretary-director of the union, is now on the mainland and will confer with Dr. Williams and other officers of the congress with regard to plans for Pan-Pacific Day.

Because of the many races which dwell in the islands, newspapers and magazines are published here in English, Hawaiian, Portuguese, Japanese, Chinese, Korean and Filipino, and the editors of these publications are taking an active interest in the plans for the conference and look forward to a large gathering of newspaper men, not only from Pacific lands but from other countries of the world.

TO DISCUSS PACIFIC ISSUES.
Following the close of the congress next October Hawaii will loom up as the logical center for the discussion of all questions and problems arising in the Pacific, in the opinion of those who are in charge of the congress arrangements here.

Leading men of the Oriental races in the Hawaiian Islands are looking forward to the congress as a vehicle for the furtherance of a complete understanding on problems and questions that have long been perplexing, and which at times have been gravely misrepresented in other countries.

It is probable that some of these questions, with which the world is familiar, will be gone into on the day which will be a holiday for the holding of a Pan-Pacific Peace Conference as a part of the general congress session.

While this conference will be taken part in largely by editors, publishers and newspaper men from Pacific lands, it will be open to all congress delegates and members, whose opinions will be invited.

AMONG RACES.

In Hawaii the problem of the meeting of the East and West has been solved very successfully, and more than a score of races and peoples have lived contentedly together without racial friction. The people of the Oriental and other races are taking a keen interest in the forthcoming congress, and are doing their share in the perfecting of the arrangements.

The ancient Hawaiian sport of surf riding, both with native surf boats and outrigger canoes, is to be a feature of the program of entertainment that is being arranged here for the press congress.

A ride for a distance of a mile or more, at extraordinary speed, on the crest of a great comb of Waikiki Beach, either in an outrigger canoe or on a board, is an experience that will be offered delegates. Duke P. Kahanamoku, world champion short-distance swimmer, and other well known Hawaiian aquatic stars, will assist in the entertainment of the delegates to the press congress, and, under present plans, a swimming meet will be arranged at which the island champions, both men and women, will demonstrate their prowess.

WAR MOTHERS HAIL NEW CHIEF

Mrs. Elizabeth S. Carr, president of the Indiana War Mothers, today sent a letter to Gen. John J. Pershing congratulating him for his first order as chief of staff in behalf of disabled service men. The organization, through its paper, the Indianapolis, has gone deeply into the controversy over the treatment of former service men in local hospitals and is waging a campaign for better hospital facilities.

Mrs. Carr's letter is as follows: "It is with a feeling of great relief that we note that you are once more at the helm, and we feel sure that there may now be a chance that our stricken men may be given a measure of justice. Personally, and in behalf of the Indiana War Mothers, I congratulate you and thank you for making the relief of our ex-service men your first order and concern."

"I am mailing you under separate cover a copy of 'The Indianapolis,' our magazine devoted to the interests of the soldier."

"The condition as therein indicated are true, and we have knowledge of many specific cases of suffering, and of indifference and incompetence in the rendering of service to our disabled men, which we dare not make public at the present time because the fate of the boys' compensation and hospitalization is or seems to be entirely in the hands of the United States Public Health Service officials and staff."

"Assuring you of our utmost confidence in you and your ability to do things and offering to you our co-operation and services as you may see fit to command, the Indiana Chapter of American War Mothers bids you God-speed in your work."

"Wild Rose Lodge," the Y. W. C. A. cottage on White River near Broad Ripple is proving a very popular place during this hot weather. Accommodations are being extended to meet the demand by putting up a large tent, which will accommodate twelve more girls, making total accommodations for 22. This week-end will be especially attractive because of the big "open house" which will be featured on the Fourth, with special recreational stunts. A party of federation girls will spend the week-end there, including Dorothy Nordhoff, Clara Johnson, Frieda Overman, Rose Wilner, Lucille Cave, Etta Leel, Regina Miller, Myra Majors, Inez Olliger, Evelyn Perree, Daisy Meredith, Mildred Langie, Effie Lendermie, Lizette Holmes, Leona Nord, Emma McCoy, Carrie Wetland, Edwina Carroll, Anna Cohn and Miss Cline.

The Glove Company Girls were guests at a party on Wednesday night which was given by the other clubs in honor of their having won the membership contest of the federation in May.

The contest had been featured as an airplane race to New York, so for the party the clubhouse was converted into a miniature New York, with Wall Street, the Zoo, Central Park, the Woolworth Tower, the Metropolitan museum, etc., as points of interest. A glimpse of Chinatown was given during the supper hour and a special Chinese program was featured. Reports and songs were given by the federation delegates who returned on Tuesday from the ten-day Y. W. C. A. industrial conference at Dewey Lake, Michigan.

Indiana League of Women Voters Notes

Unusual interest is being shown this summer by the various branches of Indiana League of Women Voters in the work which has been undertaken by the league. The question of the proposed constitutional amendments, particularly the citizenship amendment and the campaign for its adoption, the battles being waged in many communities to have a woman elected as a member of the school board, and then the local membership and organization campaigns are all being given much attention by the leagues. It was voted at the June meeting of the Shelbyville league that the next meeting should be a discussion of the proposed amendments to the Indiana constitution. Each member is to be provided with a digest of the proposed changes before that meeting. Mrs. W. J. Porter has been named chairman of the league's membership committee, and Mrs. Charles Gartin chairman of the finance committee.

Fort Wayne will also hold a meeting in the near future to study the proposed amendments, under the leadership of Miss Flora Wilber, chairman of the local league. Arrangements are being made by Ft. Wayne to hold educational meetings in various part of the city to explain the amendments and to help the new voters. Mrs. Carina C. Warrington, Miss Flora Wilber, and Mrs. Ross Lockridge have been appointed members of a committee to frame a new constitution for the local league. An Allen County organization has been perfected under the guidance of the Ft. Wayne league.

The June meeting of the Anderson league was an evening garden party at the home of Mrs. Ella B. Kehrer. Motion pictures were shown and a number of interesting talks given by Mrs. Hollenback of the Madison County probation office, Mrs. Mahoney, the police matron, Miss Shaw of the Y. W. C. A. and Mrs. Huffman of the Child Welfare. The meeting was open to the general public. Miss Laura Kent was elected president of the Shelbyville League of Women Voters at the annual business meeting held Friday. Miss Kent has been one of the most prominent women of the county in suffrage affairs and has been a leader in the State activities. The other officers are: Mrs. O. W. Cotton, vice president; Mr. Edwin E. Baird, secretary, and Mrs. Frank G. Clark, treasurer.

Mrs. Eva Green of Albion has been elected attendance officer for Noble County by the school trustees. At a meeting of the town board of Middletown, Mrs. J. C.
