

## UNEMPLOYMENT IS DECREASING

1,428 Firms, With 1,600,000 Workers, Give Jobs to 18,050 More Men.

Special to Indiana Daily Times and Philadelphia Public Ledger.  
WASHINGTON, Oct. 7.—Slight decrease in unemployment in the sixty-five principal industrial centers of the United States during September, according to information gathered by the Federal employment service. The results of the monthly survey by the service show that 1,428 firms each usually employing more than five hundred workers, or a total of 1,600,000 had 18,050 more employees on their pay rolls on Sept. 30 than they carried on Aug. 31, an increase for the month of 1.2 per cent.

Of the sixty-five cities, thirty-nine recorded reductions. Grouped as industries the increases in employment were shown in the manufacture of food and kindred products, textiles, iron and steel, lumber, stone, clay and glass products, metal and metal products other than iron and steel, chemical and allied products and railroad repair shops. The industries which show a decrease are leather and its finished products, paper and printing, liquor and beverages, tobacco manufacture, automobiles and wagons and miscellaneous industries.—Copyright, 1921, by Public Ledger Company.

## GISSY SMITH TO ARRIVE SATURDAY

Plans for Reception Are Completed.

Gissy Smith, famous English evangelist, who will preach the dedicatory sermon of the new tabernacle at 2 o'clock Sunday afternoon, will arrive in Indianapolis from New York at 1:30 o'clock Saturday afternoon. He will be met at the station by E. Howard Cadie, the builder of the tabernacle, members of the Gissy Smith choir and hundreds of others who attended the revival services last spring.

The evangelist will be escorted to his hotel, where an impromptu reception will be held. The services Sunday afternoon will begin at 2 o'clock and in the evening at 7 o'clock. Mayor Charles W. Jewett will preside at the dedicatory services Sunday afternoon.

Mr. Cadie announced that the tabernacle and the grounds cost a total of approximately \$305,000. It will seat ten thousand people in addition to a choir of 1,200 members.

## Demands Churches Cling to Baptism

MINNEAPOLIS, Oct. 7.—An open membership policy in the church, without letter and without baptism, which he said was advocated by some teachers, tears down the very foundations of the Bible, said the Rev. J. B. Briney of Crestwood, Ky., before the Christian Americanization congress, the first of its kind ever to be held.

"Those who advocate such policies are tampering with the work of God and deserve the most severe criticism," he said. "The word of God plainly states that unless a person has been baptized he cannot enter into the kingdom of God."

The congress is under the auspices of the International Christian Missionary Association.

## Rob Rich American by Smuggling Trick

LONDON, Oct. 7.—The police are hunting two Russians who robbed a rich American of \$10,000 by pretending they were selling him very cheaply jewels which had been smuggled out of Russia. The swindle took place at a prominent hotel, from which the victim carried the case containing the jewels. On reaching his own hotel he found that the jewels had been substituted for the ones he bought. The name of the victim has not been divulged, but it is reported that he lives in Albany, N. Y.

## Rattlesnakes in Bed; Jumps Out Window

ST. PETERSBURG, Fla., Oct. 7.—When John Langdon, a local fruit farmer, turned down the covers to go to bed last night after returning from a week's stay with a friend he found a nest of rattlesnakes between the sheets. Frightened by the hisses of the snakes, Langdon jumped through the window and fell into a water barrel. He broke his arm in the fall and nearly drowned before he could get out of the water. Neighbors killed the snakes.

## CROCODILE JARS BATHERS.

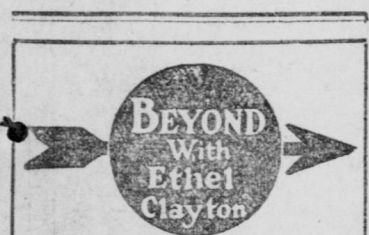

PARIS, Oct. 7.—One of the eight crocodiles placed in the lake at Versailles park by a cinema company dodged the players' nets when the performance was over and escaped. Its presence was not known until some bathers entered the lake and got the fright of their life. When the Paris zoo was called on and the crocodile was trapped.

## BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost every one knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and trouble-some. Now, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.—Advertisement.
