Welcome—Boys and Girls, to the Land of Toys!

Ho! For the Magic Realm of the Pettis

Yes—Santa Claus
Is Here!

The sly old fox slipped in yesterday just as we were closing—and maybe he didn't laugh at the way he surprised us. Just chuckled all over—and says he can hardly wait to see all his young Indianapolis friends. Says he—"Let 'em all come Friday or this Saturday—yes sir, every last one of them—I want to see them all."

The Jolly Old Fellow looks happier than ever this year—and the toys he brought along—why he nearly filled our Basement before we could say "Jack Robinson."
