**INSURANCE MEN WILL CONFER ON TRI-STATE WAR**

**Peace Confab to Be Held at Chicago Tuesday May Settle Dispute.**

A three-cornered peace conference between the insurance commissioners of Indiana, Illinois and Missouri will be held in the La Salle Hotel at Chicago tomorrow morning, Thomas S. McMurray, Indiana commissioner, said today. The conference will be held with the hope of having the Missouri commissioner rescind his ruling, barring Indiana and Illinois companies from operating in Missouri until these States rescind from their ruling requiring reciprocal and interchange insurance companies to deposit \$25,000 with the States to show their solvency.

Sometime ago the Indiana and Illinois commissioners said any interchange and reciprocal insurance companies who did not deposit \$25,000 with the State would not be allowed to do business in the and Illinois commissioners rescinded their ruling a ruling that unless the Indiana and Illinois commissioner rescinded their ruling he would prohibit companies from Indiana and Illinois operating in Missouri. Mr. McMurray said at St. Louis, the Illinois commissioner then notified all Missouri companies that they would be prohibited from operating in these States until his order was rescinded. Last Friday the Missouri commissioner notified the Indiana and Illinois companies that they would be permitted to operate in Missouri until after tomorrow's conference.

**3,000,000 Bushels of Grain Sent and as Much More to Follow.**

WASHINGTON, Jan. 23.—Twelve ships, carrying a total of 3,000,000 bushels of grain, have actually been sent to Russia for the relief of her starving populace, it was announced today by Secretary of Commerce Hoover, director of the relief work.

Eighteen other vessels are now loading at Atlantic and Gulf ports, and will carry another 3,000,000 bushels as fast as they can be filled and cleared.

The relief commission has spent about \$12,000,000 of its original appropriation of \$20,000,000 by Congress.

**DECLARES FOX HUNTERS CRUEL**

**State to File Charges Against 1,000 in Round-up.**

Charges of cruelty to animals will be filed against 1,000 persons who participated in a fox roundup in Greene County Saturday, George N. Mannfeld, State fish and game commissioner, said today.

The hunters formed a square, fifteen miles on each side, extending into Greene, Sullivan and Dapless Counties and converging at a point one mile west of Maroo in Greene County. As the foxes ran from one side of the square to the other they were clubbed by the hunters until they died.

"Moving pictures have been taken of these hunts and shown all over the country," Mr. Mannfeld said. "This looks as if the State department of conservation has not been very active in preserving wild life.

"These people are just as guilty as the man arrested for beating a horse or a dog. It loses the element of sport. If the people would shoot the animal it would be different, but this is torture.

There will be another hunt in that locality Friday, Mr. Mannfeld said. He intends to have wardens there watching the proceedings.

**CAVINS TO GET HIGHER SALARY**

Alexander G. Cavins will draw a salary of \$3,000 a year as first assistant United States district attorney, instead of \$2,500, the amount paid to his predecessor, Floyd J. Mattice.

The commission was dated Jan. 9.

**Virginia Lady So Weak She Could Hardly Get Around.—Says Cardui Helped Relieve a Serious Condition.**

Ringgold, Va.—Mrs. D. T. Barker, of a well-known Pennsylvania County family, residing on Route 2, here, says that upon reaching a critical period of her life she was "in a very serious condition."

"I was so weakened until I couldn't get around," Mrs. Barker relates. "I couldn't sleep. I was so blue and out of heart. I had no appetite.

"I would . . . try medicines, and grew weaker and weaker, more out of heart every day. I would get up and try to drag around, and feel so miserable, and creep back to bed.

"My husband bought me Cardui. I thought the first bottle helped me, and when I began the second, I knew it did. I kept it up, each day growing a little stronger, a little more like my former self, and I began to eat and sleep.

"It sure wasn't long until I was up and around like another woman. No more dragging; no more weak and blue feeling. It cured me. I used seven bottles in all.

"Thousands of women have suffered as Mrs. Barker describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui, if troubled with womanly ailments.

Take Cardui, the woman's tonic. For sale by all good druggists.—Advertisement.
