

HELPS BEGGAR AND DISCOVERS HE WAS ROBBED

Louisville (Ky.) Man Reports Hold-up While Playing 'Good Fellow.'

A kind hearted man who gave 50 cents to a "moocher" at Illinois and Maryland streets early today was robbed by the beggar of a gold watch, chain and knife which were set with diamonds. The value of the missing watch, chain and knife is \$500.

The victim, J. Hyman, vice president of the National Carpet Manufacturing Company, Louisville, Ky., did not miss his watch and chain until he was on a Pullman car at the Union Station. He called the police and gave them a description of the jewelry. The police failed to find the suspect.

Hyman was hurrying to the depot when a young man shivering in the cold halted him. It was 2 a. m. and the man asked for "cats money." Hyman handed him 50 cents and hurried on. When he boarded the train he found the jewelry missing and suspected the stranger who had halted him.

The home of George W. Blue, 4320 North Illinois street, has been entered by burglars, ransacked and silverware and other valuables carried away. Mr. Blue is in California. Irving Blue, 4233 Boulevard Place, his son, who discovered the robbery, was unable to tell the police what was missing or the value of the loot taken by the burglars.

Tom Gritten, 1108 South Belmont avenue, surprised a man who was in his corn crib. Gritten fired one shot at him with a revolver and the prowler increased his speed.

RAIL MEN WON'T BACK UP MINERS

Brotherhood Leader Says Sympathetic Strike Barred.

CLEVELAND, Feb. 16.—Railroad workers of America will not back up a strike in sympathy with miners proposed April 1, if operators fail to meet wage scales announced at the miners' Indianapolis convention, a high official of the Brotherhood of Locomotive Engineers announced today.

"We have specific regulations governing this point," he declared, "rules which forbid us to enter sympathy strikes."

All during negotiations which led to the announcement of the joint railroad-miners' conference in Chicago, Feb. 21, brotherhood leaders maintained they would not go as far as to call a strike in sympathy with the miners, though intimating the "economic interests" of the two labor bodies were allied. Railroads were expected to give "moral and financial support."

SEEK EVIDENCE AGAINST PRIEST

MONTREAL, Feb. 16.—The prosecution in the case of Father Delorme, charged with murdering his half-brother Raoul, is seeking evidence today concerning the priest's movements the night of the crime.

It is alleged Father Delorme took Raoul for an auto ride, shot him and threw his body out at the roadside, the motive being to get his estate and life insurance. Neighbors of Father Delorme told investigators they heard the engine of his car running at 11 o'clock the night of the murder. The accused contends he merely started the motor to see if it would run smoothly as the night was cold.

Hilton U. Brown, Jr., Post to Give Ball

Hilton U. Brown, Jr., Post No. 55 of the American Legion is planning an entertainment Tuesday evening, Feb. 21 at the Athenaeum, in the form of a Washington's birthday concert ball.

The feature of the evening will be a radioconcert, from Chicago, or Pittsburgh, solos by Mrs. Paul Ragsdale, a concert by the Indianapolis News Glee Club and the march led by "Martha and George," followed by dancing.

It is to be a benefit affair for disabled veterans of the World War.

TODAY'S AID TO BEAUTY

Hair is by far the most conspicuous thing about us and is probably the most easily damaged by bad or careless treatment.

If we are very careful in hair washing, we will have virtually no hair troubles. An especially fine shampoo for this weather, one that brings out all the natural beauty of the hair; that dissolves and entirely removes all dandruff, excess oil and dirt; can easily be used at trifling expense by simply dissolving a teaspoonful of canthrox (which you can get at any druggist's) in a cup of hot water. This makes a full cup of shampoo liquid—enough so it is easy to apply it to all the hair instead of just the top of the head. This chemically dissolves all impurities and creates a soothing, cooling lather. Rinsing leaves the scalp spotlessly clean, soft and pliant, while the hair takes on the glossy richness of natural color, also a suppleness which makes it seem much heavier than it is. After a canthrox shampoo, arranging the hair is a pleasure.—Advertisement.

One Suit Steps on Heels of Another in Thorne Family

CHICAGO, Feb. 16.—Suit follows suit in the House of Thorne.

Mrs. Katherine Thorne, divorced wife of William C. Camp, today sued Camp, demanding an accounting. She said she authorized him to sell 1,000 shares of stock. He sold it at \$90 a share, gave her only \$70 and held out the remainder, she alleged.

Miss Mary Lygo, former "Follies" girl, yesterday sued Mrs. Thorne for \$100,000 for slander and also filed suit for a like amount against the son, Gordon Thorne, charging breach of promise.

Mrs. Thorne is the widow of a former official of the Montgomery Ward Company and was left \$2,000,000 by her husband.

Poison Booze Ends Five More Lives

HACKENSACK, N. J., Feb. 16.—Another load of deadly poison booze has been dumped on the market. Five wood alcohol deaths in Ridgeland Park were reported to the police today. Detectives are searching for the poison bootleggers. The cause of two of the deaths originally was diagnosed as pneumonia.

Three of the dead, according to police, are Charles Kelly, railroad gate tender; John Best, 70, and his son, Harry Best, 44 years old.

AGED WOMAN STRICKEN, DIES.

Mrs. Carrie Tibbet, 60, 2434 North Pennsylvania street, died at the city hospital early today. Dr. Paul F. Robinson, coroner, stated he believed death was due to cerebral hemorrhage. Mrs. Tibbet fell yesterday when she became suddenly ill while walking in Twenty-fourth street near Pennsylvania street.

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.—Advertisement.

CROWBARS USED BY VANDALS TO DAMAGE BRIDGE

Moved Stones Weighing 900 Pounds, Throwing Them Into Creek.

Several hundred dollars damage has been done to the Kentucky avenue bridge over Eagle Creek by vandals, thought to be boys and young men living in the vicinity, Martin J. Hyland, street commissioner, reported today. The destructive youngsters have pushed fifteen feet of the three-foot stone railing from both sides of the bridge into the creek, twenty-five feet below.

"It must have required considerable labor to do the damage," said Mr. Hyland. "Because the stones average from four to five feet in length, eighteen inches in thickness and two and a half feet in width. They weigh from 500 to 900 pounds each. Besides, they were cemented together. I don't know how they ever were thrown into the creek unless the vandals used crowbars and considerable hard labor."

The weight of the stones and the depth of their resting places in the creek had made their recovery and the rebuilding

FLOWER SHOW TO BE TREAT

Indianapolis Display Will Rival Best of Them.

The fifth national flower show of the society of American Florists and Horticulturists, to be held in Indianapolis, March 25 to April 1, will rival in size and splendor the national flower shows previously held in larger cities of the country, including New York, Philadelphia and Boston, according to George Asmus of Chicago, chairman of the national flower show committee.

Reports from points throughout the country read by E. H. Mann of Richmond, chairman of the out-of-town exhibit committee, indicated flowers of every kind and description will be brought to Indianapolis by the carload for the exposition.

Already reports from florists in the Middle West show they are planning to take a large part in the exposition.

Police officials today admitted they had no proof that six men engaged in a poker game had been held up and robbed in a North Pennsylvania street rooming house Monday morning by two masked bandits who escaped with \$2,000.

"The tip came from unreliable sources," declared Inspector John White. "Like all such reports, the police investigated. The place was not a Pennsylvania street rooming house, but a room in a downtown business block, according to what I was told. We have the names of two men said to have been robbed. These men were questioned. Both denied they had been robbed and both denied they had taken part in a poker game."

The police inspector declared it would be necessary to obtain much more information before the police would believe the reported hold-up was anything more than a "wild rumor."

Train Wrecks Wagon; Driver, Horse Escape

William Wallace, negro, 905 North Senate avenue, escaped serious injury, although the wagon in which he was riding was demolished last night when it was struck by C. I. & W. passenger train No. 33. The horse also escaped injury. The accident occurred at the Southeastern avenue crossing. Witnesses told the police the flagman raised the gates and the traffic started across the railroad tracks. The police arrested William M. Maple, the flagman, on the charge of failing to close the gates. George Coleman was the engineer of the train.

Wallace was taken to the city hospital and physicians said he suffered slight injuries to his hip and knee.

British Rail Man Is Assassinated

LONDON, Feb. 16.—A British railway official in Egypt was assassinated by an unidentified man (who is suspected of being a nationalist) according to a Central News dispatch from Cairo this afternoon. The assassin escaped. The dispatch said Egyptian unrest again was prevalent and scattered outrages were reported.

WASHINGTON, Feb. 16.—The Interstate Commerce Commission held unjustified proposed reductions of coal rates from mines in the Springfield (Ill.) district of the Chicago & Alton Railroad.

The tentative decision of the commission also considered as unjustified proposed reductions in the Southwest field of Missouri, Kansas, Oklahoma and Arkansas to Kansas City.

Mrs. Balfour was acting head of the British delegation at the Washington conference. In addition to the cabinet, the coalition members of Commons were present at the luncheon.

"Mr. Balfour, above all others, helped to clear the sky and treated great problems in a great way," said the premier. "Men who deal with international affairs in a haggling spirit make a great mistake. They are not the men for statesmanship, but for horse-trading. The Washington conference has relieved us of world anxiety."

President Harding's congratulations for Mr. Balfour were transmitted through George Harvey, American ambassador to Britain, who was a guest at the luncheon.

When you have tea with your friends ask them if they are using Brednut. It will be surprising if some of them do not speak with enthusiasm of the fresh wholesome flavor of this new bread spread.

Here's Help!

A new food with a 'Spendthrift' Flavor and a 'Penny-wise' Cost

As we go around the country talking with women on household subjects we find this question in the very front of their minds:

"With purses shrinking the way they are this year, what can help us to give our families wholesome delicious foods?"

Brednut gives real aid in one important direction.

It's made from pasteurized milk and rich tropical nuts

Can you resist Brednut when you know its delightful ingredients? The cream of rich tropical nuts—brought from distant islands! Pasteurized milk from healthy cows! Churned under careful supervision in spotless rooms. These ingredients make Brednut—the most delicate bread spread you ever tasted.

We certainly wish that every woman could see Brednut made. Every household then would have a new idea of bread-spread purity. All would understand, even without reading the Government bulletin, why such a food is so high in energy value; why it is so highly digestible, why children love it.

Remember this about Brednut. It comes to you in a pound pat of purest white. You cannot only taste but actually see its perfect purity. You can quickly color Brednut to a golden yellow with wholesome vegetable materials which your grocer gives you.
