Indians and Cincy Reds on Job for Exhibitions

The city is alive with ball players and all that was needed this afternoon was some sunshine and the fans were to get the first glimpse of the 1922 Indians and the squad that Pat Moran has under his wing for the Cincinnati National League entry this season. The exhibition with the big leaguers was carried to get under way at 2 o'clock.

The entire Cincy squad is here, regulars and rookies. Two games constitute the Indian-Red spring series, the second conflict being scheduled for tomorrow. Pat Moran said he was pretty well satisfied with the Cincy prospects with the exception of the pitching staff, the same trouble the Indians seem to be facing at this date. Of course the Reds miss Eddie Koush, famous annual holdout, but the Red camp still hopes the Hoosier boy will come into the fold.

Manager Hendricks piloted his Indians back into the city Monday afternoon and the athletes immediately scattered to get back to camp. The boys were glad to get up from the South and were even more glad when they unloaded at the Union Station and felt the sunshine. Some of the players still need work and

Committees Appointed and Other Plans Made for Opening Day Turnout

The baseball boosters of the city have swung into real action in their efforts to make Indianapolis a whole of an evening when the St. Paul and Indianapolis clubs crack open the 1922 American Association season here Wednesday, April 12. Various committees were appointed to meet in the Chamber of Commerce building Monday when representatives of twenty-two civic clubs assembled to organize for the booster parade and turnout.

Several club representatives made rounds of the baseball talk and it is evident that city means to give Jack Hendricks' Indians all the encouragement it can muster. The Chamber of Commerce, Chamber of Commerce athletic committee and general chairman of the opening day booster activities, was in the chair at the session Monday and he appointed various committees to supervise the event.

PAT'S IN TOWN

Everybody knows him in baseball—Pat Moran. The friendly pilot of the Cincinnati Reds is in town with his gang from the Queen City and he was to be seen at Washington Park this afternoon, where the Indians and Reds were carried to open a two-game exhibition series. Pat is one of the "big time" particularly famous because he has won National League pennants in both Philadelphia and Cincinnati. Any time a man does that he is entitled to a whole lot of that stuff called fame. Regardless of such great achievements, this big league m. g. is still in just plain Pat Moran, still a friend of all his old friends and acquaintances of recent years, too.

Indians hope Pat Moran's visit to Indianapolis will be a big boost for the team. The Reds won three from the Indians in the first round of the old league this season.

BOWLING

The Guarantee Tire team in the Recreation League played a pretty good game Monday, turning in scores of 77, 80, 80 and 79 for three wins over the Gems. It was the best shooting of the evening. Mrs. Meyer led the way with counts of 102, 211 and 241.

The Marion Club squad also stepped out with three wins over the Gems, 80, 80, 80 and 79 for three wins over the Gems. It was the best shooting of the evening. Mrs. Meyer led the way with counts of 102, 211 and 241.

The Panthers won all of their games from the Widows in the three-game series, but dropped two out of three to the Lions. The Tigers won three from the Widows.

The Panthers turned in the high team score with a 917. Martin's big 224 helped out the total. Sweetman of the Lions turned in the high three-game series with games of 189, 200 and 216.

In the Optimists' League the White Mules and Mountain Dewes defeated the Rainin Jacks and Home Bows three straight. The Milk Duds proved too much for the Moonshiners, and won two out of three.

Fatout of the White Mules got the best single game count with 216 pins to his credit in the second game.

The Baggage Room and Car Inspectors won from the Electricians and Mail Room in the I. E. Railway No. 2 league. Curtis of the Baggage Room helped his team to its only victory with a 203 game.

In the women's city tournament Agnew and Fox won the Class A doubles with a score of 944. Huckleberry and Peachey of the Class B won with 844 pins. Key holds with 510 maples won the singles in Class A and Farnham was first in Class B with 428. In the alternate singles Agnew and Meyer were tied and will roll three games Wednesday to determine the winners.

STATE BOWLING MEET. ANDERSON, Ind., April 4.—Time for entering the State Bowling tournament, which here Saturday, closed Monday. David James, secretary of the Indiana Bowling Association, announced that 105 bowlers from 14 counties will participate in the annual event, fourteen more than the number of teams that rolled in the State pin classic last year. Indianapolis, six South Bend teams and two from Indianapolis constitute the first shift that takes the alley at 6 p. m. Saturday. The second shift will be made up entirely of Indianapolis clubs.

12 Conference Games on Purdue Baseball Card for This Season

LAFAYETTE, Ind., April 4.—Twelve conference games are on the Purdue schedule this spring. Six of the games will be played here. Nine secondary games are also on the schedule. Three game series will be played with Butler and Indiana. Two of the games in each series will be played in Lafayette. Purdue was the last team that Indiana State did not cancel their games as they expect to be back from the Orient before June 7.

The 1922 schedule follows: April 15, Butler at Indianapolis; April 18, De Pauw at Lafayette; April 22, Ohio State at Columbus; April 25, Butler at Lafayette; April 28, Iowa at Lafayette; May 2, De Pauw at Greencastle; May 6, Ohio State at Lafayette; May 9, Chicago at Lafayette; May 10, Notre Dame at South Bend; May 13, Northwestern at Lafayette; May 17, Notre Dame at Lafayette; May 21, Illinois at Urbana; May 26, Iowa at Iowa City; May 27, Armour Institute at Chicago; June 2, Washington at Greencastle; June 7, Indiana at Bloomington; June 10, Chicago at Chicago; June 12, Indiana at Lafayette; June 13, Indiana at Lafayette.

This year's team is looking much better in practices so far this year than any of the other teams during the last few years. New materials on the squad is especially strong. The battery from last year will remain intact besides having two new pitchers.

The men on the squad who are shooting the most form are McQuaid and Walter catcher; Wagner, Wallace, Kea and Campbell, pitchers; Strach, Kalmeyer and Mickelson, first basemen; Kime, Morgan and Murphy, second base; Hall and W. Fawcett, shortstop; Alsop and Freeman, third base; Eversman, McCarthy, Fawcett, Snyder, Kistner and Kennedy outfielders. Hiser, star catcher from last year, has been suffering from the flu and has not reported for practice.

Sid Puddlefoot

LONDON, April 4.—The sensation of soccer football in Great Britain was the Scottish Falcirk seven, paying \$2,000 to West Ham United for the transfer of Sidney C. Puddlefoot, and Hearts of Midlothian paying only a trifle less for Frank Stringfellow, Portsmouth's goal getter. The transactions are to the liking style of football enthusiasts, what Babe Ruth's new salary is to baseball players.

North-South Tourney. PINEHURST, N. C., April 4.—With more than 200 golfers competing for the fifteen places in the qualifying round of the North and South amateur championship, the final eighteen holes of the round today produced a titanic struggle. After the first half of the round yesterday seventeen golfers had done 80 or better, while eighteen were under, representing the best of the field.

H. S. Basket Meet at 'Chi'. CHICAGO, April 4.—Drawings will be held late this afternoon for pairings in the opening games of the fourth annual national basketball tournament to be held at the University of Chicago. Play will begin at 8:30 o'clock tomorrow morning. Twenty-six teams are entered, representing high schools in all parts of the country. A watch and a silver basketball trophy for the school will be awarded the winners of the tournament.

Oliphant Coach at Union

SCHENECTADY, N. Y., April 4.—The appointment of Elmer Oliphant, former American football star at West Point, as athletic director at Union College, does not mean the passing of Perry Leary as basketball coach. It is understood here, Oliphant, it is believed, will have charge of the entire athletic program at Union, and will cooperate with Leary in handling the football squad.

Batter Up! JACKSONVILLE, Fla., April 4.—The 1922 season of the Jacksonville Baseball League was inaugurated Monday by the Florida State League, whose six teams met in the opening games of a scheduled season which will run until Aug. 19. The season will be divided into two parts, the first half ending in June.

NO DOUBT ABOUT BABE RUTH AS GREATEST DRAWING CARD, BUT IS HE GREATEST PLAYER?

BY HENRY FARRELL.

NEW YORK, April 4.—Most any manager on the "big time" would give half his team and the grandstand for Babe Ruth, but they don't agree that he is the greatest player in the game.

If Rogers Hornsby and the swat king were both in the American League there would be some excitement over awarding that thousand-dollar prize that Ben Johnson has put up for the most valuable player.

When it comes to packing them in the parks and laying the foundation for dividends there is no doubt that Ruth is not only the greatest today, but the greatest ever.

When it is a matter of real value to a team, of real old-time service, some of the wisest baseball minds differ.

"If I wanted a colorful player who could draw them in every day at the turn of the season, I would choose a real ball player to make a team I would select Rogers Hornsby as the greatest player in baseball," John McGraw of the New York Giants said.

McGraw is generally regarded as the greatest manager in the game and one of the smartest baseball men of all time.

Branch Rickey said he wouldn't give up his Rogers for a couple of Ruths. Uncle Wilbert Robinson, also credited with knowing a few things about baseball, says he would rather have Rogers on his Brooklyn team.

Other straddle the issue and facetiously remark that they would like to have them both.

Ruth has one big booster in little Miller Huggins, his manager. The pilot of the American League champions not only gives it as his personal opinion that the "Babe" is the greatest player of them all, but he quoted figures from his record book.

Ruth scored 177 runs himself last year and he drove in 170 more. Enough to win quite a few ball games, Huggins said. Coach Walker expects to use the same line-up against the Indians that he put in the field against Indiana University at Bloomington recently. This means that the positions will be filled as follows: Davis, catcher; Bille, pitcher; Lee, first base; Pratt, second base; Darrell, third base; Captain Jordan, shortstop; Clarke, left field; Krumpholtz, center field; and Raider, right field.

"Red" Adams probably will be unable to play because of a sprained knee.

There is little doubt now but that the St. Louis National League baseball club will play an exhibition here April 19. If the local Rotary and the track experts will fill their promises to help support the project the game will probably be played.

Coach Merriam of the track experts will hold tryouts for field events at 3:30 o'clock Thursday afternoon. All candidates for the discus, shot put, javelin, broad jump, high jump, 220-yard low hurdles, or 120 high hurdles events will be given an opportunity to show their merits at that time. Candidates for the dashes will try out Saturday afternoon between 10 and 11 o'clock. The 100-yard track meet, which is scheduled to begin at 2:30 o'clock, Purdue has consented to hold the State meet but that the St. Louis National League baseball club will play an exhibition here April 19.

Tiger football warriors were issued their marching orders this afternoon and went through a light opening rehearsal at McKee field. Daily workouts will be held until hot weather sets in, according to the schedule of the track experts. The game will be done this spring, it is said. Emphasis will be laid on actual drill in the daily drills. Captain Fischer expects to work his men into good trim during the spring practice.

Yanks Not Taking Game Seriously in Southern Training

Baker Terribly Slow and Ward Playing Only Fair Game at Second.

BY DAVID J. WALSH.

NEW YORK, April 4.—According to the good word along by a man of indubitable authority, the New York Yankees are now playing the worst baseball of any major league ball club in the South. The Yankees are being charged with being slow, and as a group of deplorable clumps, they will run worse than second as surely as carbolic acid is unpalatable.

It is to be hoped for the sake of Miller Huggins, that his attitude is merely an attitude, and hence, only temporary. And, according to best advice, you can't convince them that it isn't a bad crouching mistake.

De Pauw Gradually Rounds Into Form for Baseball Tilt

First Real Action Against Indians Friday—Spring Grid Work Starts.

GREENCASTLE, Ind., April 4.—De Pauw baseball men will meet in real action at 3:30 o'clock Friday afternoon when the Indianapolis American Association baseball team appears here for an exhibition game. Definite word from the St. Louis Cardinals concerning April 19 as a possible date for them to play an exhibition tilt here is not expected before Saturday. Varsity track tryouts will begin Thursday. Spring football practice opened Tuesday afternoon.

If the rain holds off, the Tigers will be in good fighting trim by Friday, it is predicted. Coach Walker expects to use the same line-up against the Indians that he put in the field against Indiana University at Bloomington recently. This means that the positions will be filled as follows: Davis, catcher; Bille, pitcher; Lee, first base; Pratt, second base; Darrell, third base; Captain Jordan, shortstop; Clarke, left field; Krumpholtz, center field; and Raider, right field.

WIGGINS-MORAN ON NEXT CARD

Light Heavies to Clash in Decision Bout at Fort Thursday.

Jack Moran of St. Louis vs. Chuck Wiggins of Indianapolis, fifteen rounds to a decision, is the next date entertainment scheduled for Indianapolis fans. The long bout will be staged at Ft. Benjamin Harrison Thursday night and will be the main go of the weekly card given by Captain Couler, athletic officer at the local Army post. Moran is a big fellow who has met nearly all the opponents of the ring. His record is not so brilliant, but he keeps fighting and is rated a tough battler. He came down from Chicago last night and is working out at the Plaza Hotel.

Wiggins has been getting in good trim for the seven and apparently has recovered from the abuse on his head that bothered him in his last fight. He is rated a good card in the distance bouts and fans are anxious to see him tangle with the big Missouri light heavyweight. The bout is scheduled for fifteen three-minute rounds and a decision will be given by the referee. It is permissible to give decisions at the fort, the State law not operating on that reservation.

Three bouts with well-known boys participating have been carried to make the evening a big one. In the semi-wind-up Jack Winters and Joe Dillon will meet in eight rounds. Charlie Null and Teddy Dixon will go to it for six rounds and Roy Busch and Roy Boyard will trade punches for four rounds. The opening card is scheduled to get under way at 8:15. Tickets are on sale at Spaulding's, Goldsmith's, Illinois and Ohio streets; Mark & Cade's in the Claypool Hotel and South-Hassler-Sturm sports goods store. Reservations may be made by calling Captain Couler at Ft. Harrison 94.
