

VANSWERINGEN INTERESTS BUY LAKE ERIE ROAD

Cleveland Capitalists Take Over Line Reaching Indiana Points.

NICKEL PLATE CONTROLS

CLEVELAND, Ohio, April 28.—O. P. Van Sweringen and other Cleveland capitalists have purchased the Lake Erie and Western Railroad. The road will be operated in connection with the Cleveland and Nickel Plate, although the separate identity will be maintained, said an announcement given out by Mr. Van Sweringen here this morning.

The Lake Erie and Western Railroad, which has heretofore been a New York Central subsidiary, extends from a Lake terminal at Sandusky, Ohio, to Indianapolis. Branch lines reach Ft. Wayne, Michigan City, Rushville, Connersville, New Castle, Muncie and Bloomington, Ind.

The management of the Nickel Plate Railroad will dominate the new purchase, it was announced. In addition to the Nickel Plate and Lake Erie & Western, the Van Sweringens interests also control the Cleveland with terminals at Toledo.

FIERY, ITCHY SKIN QUICKLY SOOTHED WITH SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing soothes fiery skin eruptions so quickly, says a noted skin specialist.

The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or discoloration. Mentho-Sulphur always heals eczema right up.

A small jar of Mentho-Sulphur may be had at any good drug store—Advertisement.

FOULKE JOINS HOT DEBATE ON CIVIL SERVICE

John H. Bartlett Declares Hoosier 'Sneers' at President Harding.

Special to Indiana Daily Times and Philadelphia Public Ledger.

WASHINGTON, April 28.—A heated debate on the merits of the civil service between John H. Bartlett, First Assistant Postmaster General, and William Dudley Foulke, Richmond, Ind., president of the National Civil Service Reform League, was being discussed today following a mass meeting called in protest against the recent summary dismissal of bureau of engraving and printing executives.

Civil service proponents, Mr. Bartlett charged, are attempting to set up a bureaucracy within the government to defeat the will of the people expressed in the election of President Harding. He declared the protest meeting was "a personal affront on his honesty" and branded Mr. Foulke as a "crank, sneering at the President of the United States." Foulke's colleagues were rebuked by Mr. Bartlett, who called the men "aggressive civil service scoundrels."

"If this question were to be decided by vote, I would be overwhelmed," said Mr. Foulke in reply to Mr. Bartlett's vigorous address.

Mr. Bartlett said he believed in civil service for all employees who have nothing to do with formulating the policies of the government. This, he said, was the policy of the Harding Administration. He said there is no cause for alarm on the part of civil service workers who do their work well.

JOHN H. RIKHOFF

John H. Rikhoff, candidate for the Republican nomination for county commissioner Second district, is running on a platform of "equal rights to all, special privileges to none, no discrimination for race, color or creed, honesty and strictest economy in public office," he says.

Rikhoff says he is not the candidate of any political machine or political faction of any kind and has kept himself free from any entangling alliances.

Commission Allows Large Bond Issue

An order of the Indiana Public Service Commission today authorized the issuance of approximately \$300,000 of bonds by the Northern Indiana Gas and Electric Company, which operates in thirty-seven cities and towns in the northern part of the State. The bond issue is the largest authorized by the commission since its inception.

The purpose of the bond issue was to effect a general reorganization of its financial structure, which will improve the market for its securities and make way for betterment and improvement of the company's service, the order says.

Eastern capitalists, particularly J. P. Morgan & Co., are said to be interested in the deal.

The total bond issue authorized is \$29,691,320.

FOR 28 YEARS HER FAVORITE

Usefulness of the Genuine Thedford's Black-Draught Liver Medicine Has Long Been Known.

YALE, Okla.—The usefulness of Thedford's Black-Draught liver medicine has long been known to Mrs. A. B. Leach, of Route 1, this place, who says:

"About twenty-eight years ago, we were living near Belleville, Kan. I was in very poor health. I would eat, but it didn't seem to satisfy or do me any good. I was bloated; felt oppression at the stomach. The fullness in the right side was awful.

"I did not feel like doing a thing. Eating even made me tired. I sat around, feeling so miserable. One day I looked in the glass and my complexion scared me—not the color of blood in my face. My ears looked waxy; my skin shabby, pale. I was in a bad fix.

"I had been taking medicine, as I was told it was inactivity of my liver that was causing this trouble. About this time I read of Thedford's Black-Draught, and my husband went to the drugstore for it. I began to look for a cure.

"I read of Thedford's Black-Draught, and my husband went to the drugstore for it. I began to look for a cure.

"I began to improve. My appetite became normal. Gradually the bloating disappeared, and my skin cleared up. I began to see marked improvement, and from then till now I have praised Black-Draught as the best liver medicine made.

"I keep Black-Draught in the house and have used it ever since. Have lived here in Oklahoma or my farm for twenty years and regard Black-Draught as my family liver medicine, and expect to keep it for years to come."

WHY WOMEN GET DESPONDENT

Are not women naturally as light-hearted, brave and hopeful as men? Yes, certainly; but a woman's organism is essentially different from a man's,—more delicate, more sensitive and more exacting. Women's delicate health is more dependent, more nervous, more irritable and more despondent. When a woman develops nervousness, sleeplessness, back-aches, headaches, dragging-down pains and melancholia she should lose no time in giving Lydia E. Pinkham's Vegetable Compound a fair trial, as it will quickly dispel such troubles. This root and herb medicine contains no drugs and has been the standby of American womanhood for nearly fifty years.—Advertisement.

Cured Her Rheumatism

Knowing from terrible experience the suffering caused by rheumatism, Mrs. J. E. Hurst, who lives at 508 E. Olive St., Ellettsville, Ind., is so thankful at having cured herself that all of pure gratitude she is anxious to tell all other sufferers just how to get rid of their torture by a simple way at home.

Mrs. Hurst has nothing to sell. Merely send this notice, tell her with your own name and address, and she will gladly send you the valuable information entirely free. Write her at once before you forget.—Advertisement.

CITIZENS HAVE HOPES FOR PARK

Promise of Years Near Fulfillment.

Brightwood citizens today began to feel they really are going to get the park and playground city officials have been promising them for years. The board of park commissioners appointed appraisers to value a playground site on Olney street between Twenty-Fifth street and Roosevelt avenue, which it intends to purchase. The appraisers are E. Kirk McKinney, W. T. Steele and M. F. McGill.

A delegation of citizens from the Riverside neighborhood asked the board to take steps to eliminate the amusement park next to Riverside Park in West Thirtieth street. The board instructed Newton J. McGuire, its attorney, to investigate. The city started to buy the ground on which the amusement devices are located, but owners would not agree to accept the appraised value.

While the Riverside Amusement Company says the property is worth \$100,000, it is listed for taxation at \$15,000. W. M. Swain, one of the delegation, declared.

A Furniture Store That's "Different"

Who's Who AT THE MARVEL

Men: folk like to know with whom they are trading. The Marvel Furniture Company is owned and personally conducted by Simon L. Kiser and Raymond S. Kiser who, several years ago, were at the head of the Kiser Suit and Coat Company at Delaware and Washington streets.

It was there we made many friendships and acquaintances, both of which we hope to renew here in our new store. Drop in and say "Howdy" whether you need furniture or not.

SIMON L. KISER, RAYMOND S. KISER.

This is a new store—only two weeks old. In that short time we have noticed this: The men and women who came in for the purpose of comparing our furniture and our prices with those of other stores almost invariably came back and gave us the order. Many told us they liked our way of doing business. In one respect, particularly, we are "different" from most furniture stores. We do not use "leaders" just to get people in. The furniture we advertise is a part of our regular stock and the prices we advertise are our regular prices. If what we offer is seemingly a big bargain it is because it is a big bargain. Our entire stock consists of just such bargains. Come in and see if what we say is not so.

As An Example of Our Exceptionally Reasonable Prices We Call Attention to a

Genuine Walnut Bed Room Suite \$97.50

Consisting of how end bed, a large dresser, a chiffonette or dressing table. The three pieces for \$97.50.

Walnut Finish Dining Room Suite with Buffet and Oblong Table \$97.50

The suite consists of a beautiful buffet, with or without mirror; the latest style oblong table, five chairs and a host chair with genuine leather seats, all walnut finish.

Neither of the above suites is a "special." They are regular stock at regular prices. These or anything else you may need may be paid for a little each week or month as best suits your convenience.

Mrs. Schmoie's speech in defense of Beveridge, Joseph M. Hillman, Joseph Duval and Frank J. Lehr, all on the list given out by Mrs. Schmoie as being the W. C. T. U. "sides" for the forthcoming primaries, followed a spirited address by Mrs. R. Harry Miller. Mrs. Miller called attention of the women to "the debt of gratitude we owe Harry S. New for the part he has had in advancing our interests."

"Harry New voted for suffrage," Mrs. Miller said. "He helped put through the maternity bill. He has been right on the temperance bill all the way through. I think we ought to show our appreciation of these things by sending him back to the Senate."

Franklin McCray's cause was championed by Mrs. W. W. Reedy. The only

candidate who appeared to make his own plea was Fred Masters, who set forth his qualifications for Superior Court Judge.

The speeches were in response to an invitation from the Ladies Aid Society to the dry candidates and those interested in their election, to be present at the meeting to present their cause.
