IMPORTANT!

The Guarantee Tire and Rubber Company is one of the largest tire and accessory houses in the middle west. Its growth has been steady and sure. A large part of the success is due to the policy adopted a number of years

ago by the present owners. Merchandise was never to be misrepresented. If the purchase was not absolutely satisfactory, the purchaser's money was to be returned without question or quibble. Customers were to be given the advantage of any decline in prices at time of receiving order.

In addition to giving you as low or lower prices than

any tire and accessory house in the country, we even go farther, we deliver almost everything on this Bulletin by parcel post on which WE PAY THE POSTAGE to any address within 300 miles of Indianapolis. Simply send us the total sum sufficient to cover the price of merchandise ordered and we will ship it to you, delivery charges prepaid except as where noted.
