

SOVIET SPOILS CONFERENCE ON RUSSIA'S CASE

The Hague Meeting Runs Into
Deadlock as Litvinoff Re-
fuses Plans.

INSISTS ON LOAN FIRST

Makes Unsatisfactory Answer
to Final Proposal by
Allied Powers.

By J. W. T. MASON
United Press Staff Correspondent.
NEW YORK, July 12.—The collapse
of the Hague conference is final proof
that the Russian government cannot
obtain financial help from the world
until the Bolsheviks agree to restore
the foreign property they have con-
fiscated.

The attitude of the American Gov-
ernment toward Russia is thus fully
sustained.

The Hague meeting failed for the
same reason as Genoa.

By United Press
THE HAGUE, July 12.—The Hague
conference on Russia broke down to-
day.

Soviet recalcitrance interrupted this
gathering as it did the parley at Ge-
noa.

The Russians refused to meet half
way suggestions regarding pre-war
debts, private property and credits.
They insisted a loan to Russia was
the first thing to be settled before
payment of obligations was discussed.

The allies, overruling French ob-
jections agreed, but the Soviet and
allied delegates were unable to agree
upon a sum, and Litvinoff, head of
the Russian emissaries, returned an
unsatisfactory reply to the powers'
final proposal.

AFTER BABY WAS BORN

Many Mothers Left in Weakened
Condition

Many, many letters similar to the
following recommend the Vegetable
Compound as a wonderful medicine
for bringing the mother back to nor-
mal health and strength.

It is an excellent restorative,
contains no harmful drugs and can
be taken in safety by a nursing
mother.

Thousands of mothers who have
regained their strength by taking
it are its best recommendation.
Very likely you know some. Why
not take it yourself?

"Will Gladly Answer Questions"
Oiney, Ill.—"For over a year after
my boy was born I was troubled
with weakness of the female or-
gans. Also my stomach would bloat
up and I had heartburn, headache,
backache, and simply could not do
anything. I saw your 'ad.' in the
papers and read what your Vegeta-
ble Compound did for others, so
gave it a trial. After the first few
doses I could tell a change. (Some
might think this impossible, but it
is true.) I took two bottles of Lydia
E. Pinkham's Vegetable Compound
and felt so fine that I neglected to
take any more for about a year.
This last winter I had pains again
so I have been taking it to relieve
them. I tell everyone I hear com-
plaining of female troubles that it
is grand. If any woman asks me

questions about the medicine I will
gladly tell her what I know."—Mrs.
CHARLES VAUGHN, Oiney, Ill.
Baltimore, Md.—"I first used
Lydia E. Pinkham's Vegetable Com-
pound for general weakness follow-
ing the birth of my first child. Later
on the advice of my mother I used
it for a dull pain in the small of my
back and for a bearing-down feeling.
These pains had an effect on me to
such an extent that very often I
was unable to stand on my feet to
do my housework, and at times I
was compelled to lie down for short
periods. I found Lydia E. Pinkham's
Vegetable Compound very helpful
and recommend it highly."—Mrs.
LORETTA E. SIMONS, 645 S. Belmont
Ave., Baltimore, Md.

"Cannot Thank You Enough"
Allentown, Pa.—"After my last
baby was born I lost weight and was
in a very run-down condition. After
taking the second bottle of Lydia E.
Pinkham's Vegetable Compound I
began to gain strength and flesh. In
the past four months I have done all
my own housework and do an extra
wash besides. I do not feel at all
like I used to and I cannot thank
you enough for my health. My
friends ask me what I am doing and
I recommend your medicine."—Mrs.
Wm. SNECKEL, 241 Elliger St., Al-
lentown, Pa.

TABERNACLE NOT TAX EXEMPT IF LEW CAN HELP

Mayor Says Cadle Makes Profit
on Auditorium—Political
Meeting Taxed \$500.

Mayor Shark today instructed the
city legal department to find some
way to put Cadle Tabernacle upon
the tax duplicate. The township as-
sessor's office reported it exempt from
taxation because it is used for "re-
ligious and educational purposes."

E. Howard Cadle, founder of the
tabernacle, was quoted several days
ago as criticizing the mayor for a
suggestion the city take it over for
use as a coliseum.

"The day before he said he wouldn't
let it fall into my hands to run 'cheap
vaudeville' in he called up and asked
the city to put asphalt on the floor
because it was dusty and charge him
nothing for it," the mayor said. "He
said we could have the hall any time
we wanted to for nothing if we
would."

"We don't want the place, and I'll
tell the world he won't get his as-
phalt for nothing. I think he ought
to pay taxes on it, because he rents
it out and gets a good income from
it, I understand. He had Gaili Curci
and some big conventions and I know
he charged us \$500 for a big political
meeting. We got stung. I under-
stand the regular price is \$300."
