

FIRE INSURANCE RATE UNCHANGED

Underwriters Declare Impossible to Make Any Decrease at This Time.

E. R. Townsend of Chicago, engineer for the national board of fire underwriters, at a conference of city officials and representatives of the Indianapolis Water Company at the water company's offices, said that although Indianapolis has made decided improvement in fire fighting and prevention since 1919, no reduction in insurance rates is possible at this time. City officials have long been seeking lower insurance rates by following recommendations of the underwriters, until now Indianapolis has one of the most efficient fire fighting systems in the country.

HOOSIER STRONG FOR AMUSEMENT

Internal Revenue Office Shows Indiana's Fondness for Recreation.

Amusements play an important part in Hoosier life, according to figures compiled by the internal revenue office. The special tax list shows that there are 3,209 billiard and poolrooms and bowling alleys in Indiana. Theaters, concert halls, motion picture

houses and similar amusements total 683. The popularity of dancing is shown by the fact that dance halls comprise by far the greater part of the 433 names on the list of dance halls, street fairs, etc. Eight circuses have their official homes in Indiana. Shooting galleries apparently are losing their popularity, as there are only twenty-seven listed for the entire State.

ASPIRIN

Say "Bayer" and Insist!

Unless you see the name "Bayer" on package or on tablets you are not getting the genuine Bayer product prescribed by physicians over twenty-two years and proved safe by millions for Colds, Toothache, Headache, Earache, Lumbago, Neuralgia, Rheumatism, Pain-Pain, etc. Accept only "Bayer" package, which contains proper directions. Handy boxes of twelve tablets cost few cents. Druggists also sell bottles of 24 and 100. Aspirin is the trade mark of Bayer Manufacture of Monacetic-acetic acid of Salicylic acid. —Advertisement.

Eyes Weak?

If your eyes are weak and work-stained, your vision blurred, if you find it difficult to read and must wear glasses, go to your druggist and get a bottle of Bon-Opto tablets. Drop one in a fourth of a glass of water and bathe the eyes two to four times a day. Stronger eyes, clearer vision, and sweet relief will make you tell your friends about Bon-Opto. Note: Doctors say Bon-Opto strengthens eyesight 50 per cent in a week's time (no injury).

LOVE WRECKS MIND

Girl Consigned to Asylum After Futile Struggle.

NEW YORK.—Miss Vera Anderson, 27 years old, a musician who speaks four languages, was committed to the Kings Park Asylum by Judge Mac-

Mahon in the County Court, a mental wreck. Doctors reported that she was incurable.

According to her story in the courtroom, she fell in love with the husband of her closest friend. Her struggle to halt this attachment resulted in a complete mental breakdown which has shattered her health and her career. She now believes

herself suffering from various physical ills which she has not. She said she knew it was wrong to foster an attachment which she said was mutual, and she fought to get it out of her mind. Her nervous system is so affected now that she feels neither heat nor cold. Miss Anderson can play from memory the piano scores of eight operas.
