### An Editor Recommends "5-DROPS" to Rheumatic Sufferers

Mr. L. P. Hill, editor Enterprise, Indianapolis, wants to tell you that I have been living in this district for the past 27 years and there is no man or woman I ever knew that I am not sure this because I want you to know that I am no stranger to the people. About twenty days ago I was down on my back with the worst case of rheumatism I ever had and I believed myself to be a goner. I was on my back for about a week and in about a week I was on my feet again. People all over Birmingham and Enzley were asking me what I did to get well so I told them to know what medicine I took. I told them "5-DROPS" and every man who has the rheumatism knows that your medicine and say they will use it. I am taking every one of the doses of your remedy and I am sure it will increase the sale of name.

Such evidence as this should be sufficient to prove to any person the value of "5-DROPS". "5-DROPS" is sold by the leading druggists in every part of the United States and Canada. FREE A sample bottle will be mailed free if you will write to The SWANSON COMPANY, NEWARK, OHIO.
