Ballard Ice Cream

"None Better"

The Doctors tell us that meat in hot weather is bad for our health.

So we naturally look for a summer substitute which has as much food value as has meat. Ice Cream is more than a delicious confection—it is a health building staple. Get the ice cream habit, and make sure that it is made by

Ugly Teeth

RED POLLED

Can you imagine anything more unsightly than a well-groomed person with black, discolored teeth? We sympathize with folks who neglect their teeth. They are afraid "it will hurt" to have snags and broken teeth extracted and in the "old days" it did hurt, but the modern dentist lifts them out after making every provision against pain.
