“The Store of Greater Values”!

### Growth:

It was in the fall of nineteen hundred and  
five that the founders of this institution  
opened a small store at 417 West Washington  
Street.

It was a small store, but as the result of care-  
fully formed progressive policies, the little store  
grew, and grew rapidly.

In two years the floor space was doubled; and  
so on, growing until twenty-five-foot frontage  
had to be added. In 1910 so many new lines  
were added that it was necessary to take over  
two additional buildings.

Here, the little store, now a fair size establish-  
ment, continued to grow rapidly, with GOOD  
values at **GOOD** prices until 1920 when a  
large and more spacious location was sought—  
two years ago in September, upon comple-  
tion of our new building, we moved to the pres-  
ent location.

We appreciate the generous patronage which  
has made this growth possible, and trust that  
the many new lines in the Anniversary  
will express in a definite and prac-  
tical way the gratitude we feel toward  
our customers.
