**HOOSIER ADMITS
ANNUAL INCOME
OF 300 THOUSAND**

Indiana Distinction Is Seen in
Internal Revenue Bureau
Figures.

THREE OTHERS RATE HIGH
New York and Michigan Each
Report Two With More Than
Five Millions.

By Sidney E. Whipple
WASHINGTON, Oct. 2.—One man
in Indiana can boast of an income
of from \$300,000 to \$400,000. You are
at liberty to guess who he is. The Bu-
reau of Internal Revenue, which to-
day made public its figures for individ-
ual and corporate income tax returns
for 1920 can't divulge his name.

Three other Indiana residents re-
ported incomes of between a quarter
of a million, and \$300,000 for the same
period. Two more had incomes of
from \$200,000 to \$250,000. Three
more dropped \$50,000 in that scale,
and a full two dozen entered the \$100,-
000 to \$150,000 class.

Citizens of Indiana paid a personal
and corporate income tax for the cal-
endar year 1920, of \$42,243,514, or 1.69
per cent of the total tax paid into the
United States Treasury for that
period.

Individual Income Figures
Individuals reported incomes aggre-
gating \$656,061,991, and corporations
reported incomes amounting to \$128,-
164,210.

More men and women are grouped
under the \$2,000 to \$3,000 income class
than in any other, for \$2,150 out of
the 189,587 who filed returns swore
that that was all they received dur-
ing the twelve months. Forty-six thou-
sand more received between \$1,000 and
\$2,000.

In the State of New York two men
admitted that their incomes for 1920
were more than \$5,000,000. And in
Michigan—can Henry Ford be one of
them?—two more men admitted that
their income during the year was
above the five million dollar mark.

**NATION'S BANKERS
TO HEAR ADDRESS
OF BRITISH GUEST**

Former Chancellor May Urge
American Participation in
World Affairs.

By United Press
NEW YORK, Oct. 2.—Nearly ten
thousand representatives of the Na-
tion's banking industry gathered here
today for preliminary meetings of the
forty-eighth annual convention of the
American Bankers' Association.

A move to further American partici-
pation in foreign affairs was appar-
ently in the air, and many delegates
expressed opinions to the effect that
this country's aloofness from Europe
was "responsible for international in-
dustrial difficulties."

Presence of Reginald McKenna, for-
mer British chancellor of the ex-
chequer, who will address the conven-
tion, lent weight to reports that many
bankers would urge that this country
go to the assistance of financially
stricken old world countries.

**BARRED
Ancestry No Aid**

By United Press
NEW YORK, Oct. 2.—Isadora Dun-
can, former California girl, world-
famed as a dancer, and her newly wed
husband, Serge Esenin, were today refused
permission to land in this country.

The dancer claims the descent from
General Duncan of Revolutionary war
fame.

She forfeited American citizenship
when she married.

PREVENTS DISSECTION

**Woman Rescues Mother's Body From
Medical School.**

KANSAS CITY, Mo., Oct. 2.—A
longing to see her aged mother, who
had been an inmate of the State Asy-
lum for the Insane at Fulton, Mo., en-
abled Mrs. Senn Van Hoser, formerly
of Kansas City, but now of St. Louis,
to save the body of her mother from
dissection by students in the American
School of Osteopathy in Kirksville, Mo.

The mother, Mrs. Elizabeth Abbott,
formerly of Kansas City had been at
the asylum for several years. Au-
thorities told the daughter her mother
had died June 26 and the body had
been sold for dissecting purposes.

The daughter investigated and lo-
cated the body in the Kirksville school.
She found the body on a dissecting
slab. She appealed to Dr. H. V.
Halliday, professor of anatomy, and
he agreed to turn the body over for
burial.

**A SIN TO LET
HAIR FALL OUT**

35c "Dandrine" Saves Your
Hair—Ends Dandruff!
Delightful Tonic

Hurry! It's your duty! Each day
you see a little more hair falling out
and you are making no effort to avoid
baldness. What a pity. Falling hair
means your hair is weak, sick—possibly
dandruff is strangling it, or the hair
root pores in the scalp are not firm and
tight, thus wasting the hair-growing oils.
Dandrine almost instantly stops fall-
ing hair of men or women and cleans
every particle of dandruff away, then
the hair takes on new life, vigor and
strength to grow strong, thick and long.
Dandrine is delightful—not sticky or
greasy. Go to any drug store now and
get a bottle. Use it. Have healthy,
heavy, beautiful hair and lots of it—

Really better than ready-made
cough syrups, and saves about 50%
—Easily and quickly prepared.

If you combined the curative prop-
erties of every known "ready-made" cough
remedy, you probably could not get as
much real curative power as there is in
this simple home-made cough syrup;
which is easily prepared in a few min-
utes.

Get from any drugist 2 1/2 ounces of
petex, pour it into a pint bottle and fill
the bottle with syrup, using either plain
granulated sugar syrup, clarified mol-
asses, honey, or corn syrup, as desired.
The result is a full pint of really better
cough syrup than you could buy ready-
made for three times the money. Tastes
pleasant and never spoils.

This Pinex and Syrup preparation gets
right at the cause of a cough and gives
almost immediate relief. It loosens the
phlegm, stops the nasty throat tickle
and heals the sore, irritated membranes
so gently and easily that it is really as-
tonishing.

A day's use will usually overcome the
primary cough and for bronchitis, spas-
modic croup and hoarseness there is
nothing better.

Pinex is a most valuable concentrated
compound of genuine Norway pine ex-
tract, and has been used for generations
to break severe coughs.

To avoid disappointment ask your
drugist for "2 1/2 ounces of Pinex" with
full directions, and don't accept anything
else. Guaranteed to give absolute sat-
isfaction or money promptly refunded.
