

## BIDS IN HANDS OF ROAD BOARD HEAD

### Cement Contracts Unawarded—Prices Too Much Alike.

Contracts for the supplying of cement for State road construction in 1923 today were still unawarded by the State highway commission.

The highway board, unable to reach any decision as to which of the six cement companies which several weeks ago submitted bids that were practically the same, should receive the contract, has turned the entire matter over to Director Williams. This followed a conference with Governor McCray, who told the commission he was powerless to act.

"It still remains a question as to who shall be given the contract," Williams said today. "I believe, however, that I have hit upon a plan that will bring about a low bidder, although this plan may not follow the usual custom. We shall have this matter settled very soon."

Awards of contracts for the paving of forty-five miles of road in the State recently bid on, will be made Monday. It was stated in the engineer's division of the highway department today.

### STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffling, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight—Advertisement.
