

AMERICAN LEGION WILL NOT SPONSOR SEPARATE BONUS BILL

EIGHT ARRESTED AFTER ACCIDENTS OVER WEEK-END

Four Persons Injured and Twelve Autos Damaged in Crashes.

ONE DRIVER FAILS TO STOP

Autoist Held When Machine Strikes Police Car and Is Wrecked.

Four persons were injured, a dozen automobiles were damaged and eight persons were arrested as a result of week-end automobile accidents, police reported today.

The injured: Zeke Guley, 67, Bonna Ave., broken leg and bruises about body. Mrs. Ida LaBaw, 47, of 629 N. Delaware St., broken shoulder. Jerry Hogan, 55, of 233 Parkview, bruised. Willard Barnes, 41 Parkview, bruised.

When an automobile driven by Everett Guley, 510 S. State Ave., skidded and plunged off a road near Maywood Sunday, the car sideswiped a telephone pole and was demolished. Zeke Guley, in the rear seat, was injured and was taken to the city hospital. Everett Guley and Louis Halpin, 2324 W. Minnesota St., in the front seat, were uninjured. Everett Guley was arrested on charges of assault and battery and failing to display a certificate of title.

Woman Hurt
Mrs. Ida LaBaw was at the city hospital recovering from injuries received Sunday. Witnesses told police that she walked into the side of a Frank Bird taxi at Pennsylvania and Washington Sts. and was knocked down. The taxi driver did not know his car struck the woman and therefore did not stop, police said. Mrs. LaBaw suffered a broken shoulder and was bruised about the body.

The police were searching for the driver of an automobile that struck two men as they left a street car at Parkview and Washington Sts. Sunday night. The driver failed to stop. Jerry Hogan was hit and knocked into Willard Barnes, and both were hurled to the pavement and injured.

Following an accident at Ohio and Alabama Sts. Sunday night, Charles Smith, 34, of 330 Osage St., was arrested on a charge of operating an automobile while under the influence of liquor. His car collided with an automobile owned by Dr. E. F. Kiser, 929 N. New Jersey St., which was parked in front of the city hall. No one was injured, but the automobiles were damaged.

Auto Hits Police Car
Arthur Dye, 35, of 1026 1/2 Virginia Ave., today was charged with operating a motor vehicle while under the influence of liquor. Lieutenant Winkler made the arrest after Dye's automobile had collided. Winkler said, with a car owned by Clarence Johnson, 1807 Fletcher Ave., which was parked at Virginia Ave. and Pine St. Dye's automobile then struck a police car and was wrecked.

Arrested early Sunday at the point of Sgt. John Sheehan's revolver, Richard Wisniewski, 1231 Blaine Ave., was charged with operating a motor vehicle while under the influence of liquor, failing to stop after an accident and not having a certificate of title. Wisniewski's automobile is alleged to have struck a Central Transfer Company truck at Calhoun and New York Sts., and to have speeded west on New York St.

Sergeant Sheehan and his night-riding squad, who had witnessed the accident, overtook him and Sheehan leaped to the running board of the machine, drew his revolver and forced Wisniewski to stop, police said. Three others in the automobile were arrested. Joe Gardner, 1222 Lee St., was charged with drunkenness and vagrancy; Della Parks, 20, of 511 W. Henry St., with vagrancy; and Della Kinney, 19, of 715 W. Michigan St., with drunkenness and vagrancy.

Car Turns Over
An automobile driven by William Traub, 30, of 961 English Ave., was struck at State Ave. and Washington St. by a car driven by Chester Magnuson, 423 N. Oakland Ave., and was thrown into a third car driven by E. E. Willford, 1520 Woodlawn Ave. Willford's and Traub's cars were damaged.

When the steering gear in an automobile driven by M. J. Liddy, 4522 E. Washington St., locked as he swerved to avoid striking a car driven by Edward Jefferson, 3514 E. Twenty-Fifth St., Liddy's car turned over at Sherman Dr. and the Brookville Rd. Sunday morning.

A coupe driven by Marvin Curi, 33, of 4322 Guilford Ave., was struck at New York and Pennsylvania Sts. early Sunday by a car driven by F. E. Ward of 609 E. Twentieth St., and turned over, according to the police.

Two automobiles colliding at Thirtieth and Pennsylvania Sts. broke a lamp post Saturday night. The names of the drivers were not learned.

ASSEMBLYMEN INVITED TO ANDERSON BANQUET

A number of members of the Legislature indicated today they would favor accepting the invitation to attend a banquet at Anderson Jan. 17 in honor of Alvin Owsley, commander of the American Legion.

The Anderson Kiwanis Club has arranged the banquet and has invited members of the Legislature, Senator-Elect Samuel M. Ralston, Governor McCray and others to attend. The transportation of the guests would be paid to and from Anderson.

Indianapolis Senator May Direct Committee

One of the new Senators sitting in the present Assembly from Indianapolis is Thomas A. Daily. He is an attorney and is much interested in affairs concerning the Indiana Reformatory for which Governor McCray has asked a \$2,000,000 appropriation. He has been mentioned for the leadership of one of the judiciary committees.

THOMAS D. HALL, 'DADDY,' IS DEAD

Master Mechanic, 67, to Be Buried Tuesday.

"Daddy" Hall is dead. His real name was Thomas D. Hall. But at the E. C. Atkins Saw Works, where he was a master mechanic for sixteen years, he was known as "Daddy."

Pneumonia caused Mr. Hall's death Sunday at the home of his daughter, Mrs. C. B. McCormick, 2539 Winthrop Ave. He was 67 years old.

In the past eleven months, since ill health forced him to stop work, "Daddy" Hall had received many visits from his fellowworkmen.

Mr. Hall, who formerly lived in Seymour, was an ardent Methodist. His grandfather, born in Ireland, was an assistant to John and Charles Wesley, founders of Methodism, and later was the first Methodist bishop in Pennsylvania.

Funeral services will be held at 10 a. m. Tuesday at the McCormick home, with burial in Crown Hill. Mr. Hall is survived by his widow; one daughter, Mrs. McCormick; a brother, R. H. Hall of Seymour; and a sister, Mrs. Katherine Stirling, of Seymour.

RHINE IS CROSSED BY FRENCH

(Continued from Page 1.)

ing her troops, and about what Britain is going to do next, before taking irrevocable action.

One thousand picked American doughboys and one hundred officers stationed here want to stay. The French troops in the vicinity were ordered to remain in quarters to prevent clashes with inhabitants of the occupied region and the doughboys had to do double duty. But with pay running over three million marks a year and a pride in their participation in the latest European war game, the Americans are keen for staying on. Presumably in the ranks figure they'll be homeward bound in a month, however.

Want Yanks to Stay
Both French and Germany want the Yanks here. The French feel with Foch that as long as there is one American soldier on the Rhine it gives a semblance of American participation; the Germans feel the

Foch and Staff Work Out Details of Invasion of Germany

By United Press
PARIS, Jan. 8.—Invasion of the Ruhr, for which France rushed warlike preparations today, depends upon action of the reparations commission, which meets today. Germany is to be called to task for failing to supply required amounts of coal in 1922. If her explanation is unsatisfactory, invasion by France is believed certain to follow.

France is planning to push thousands of troops into the territory at a coupe driven by Marvin Curi, 33, of 4322 Guilford Ave., was struck at New York and Pennsylvania Sts. early Sunday by a car driven by F. E. Ward of 609 E. Twentieth St., and turned over, according to the police.

German Mark Collapses to New Low Levels

By United Press
BERLIN, Jan. 8.—Collapse of the German mark to the new low levels followed French activity pointing toward occupation of the Rhineland Ruhr.

A dollar bought nearly 10,000 marks, the pound sterling was around 160 marks.

United States May Again Voice Opinions to Europe

By United Press
WASHINGTON, Jan. 8.—The United States may soon again make its voice heard in European councils. The Washington Government is watching closely events in France, and it is believed certain President Harding will make at least one further move if war looms larger on the Rhineland horizon.

Despite the fact that this Government believes it did all that was possible under the circumstances recently in announcing its program to relieve the situation in Europe—the plan for a conference or commission to recommend a reparations figure, with hope of a loan to Germany to follow—the United States will state its opinion in some further way if matters become worse in Europe.

MOTORIST FOUND UNCONSCIOUS IN AIRTIGHT GARAGE

John Cobb Recovers After Being Overcome by Fumes of Running Motor.

A warning to motorists to beware of running motors in closed garages was issued today by Dr. Paul Robinson, coroner.

When Dr. Robinson heard that John Cobb, 49, of 622 E. North St., was overcome Sunday while repairing his automobile, the coroner recalled a number of similar cases which resulted fatally.

Cobb was unconscious when found and was taken to the city hospital. He regained consciousness Sunday night and was taken to his home.

Dr. Robinson said the most recent case where death resulted from fumes caused by permitting a motor to run while the garage doors and windows were closed occurred about a year ago. Two men were found sitting in an automobile in a closed garage. Both were dead. The motor had continued to run until the gasoline supply had given out.

Called "Petromortis"

Recently Dr. Edgar C. Cowles of Cleveland, Ohio, health commissioner, called death due to the fumes from a gasoline engine "petromortis."

In discussing cases of "petromortis" today, Dr. Robinson said: "If one must work with the auto engine running, the gas should be carried off by a pipe running from the exhaust pipe to the open air. The operator should watch for symptoms of dizziness. Breathing fresh air for several minutes will offset this in part. Some natures are very sensitive to gas and will feel the effects for several weeks."

Treatment Explained

Dr. Robinson gave the directions for treatment of persons overcome by gasoline fumes:

"When a person is overcome in a garage, open the doors and remove the victim to fresh air at once. "If a tank of oxygen and a breathing mask can be obtained and the person is breathing, administer the oxygen through the mask for twenty minutes. Do not delay. Do not wait for a doctor or artificial respiration apparatus. Begin at once and give artificial respiration by prone pressure or the Shaefer method."

Soldier Organization Supports Measure Drawn by Veterans of Foreign Wars—Fights Memorial Day Races.

The American Legion will not sponsor a separate bonus bill, according to Claude E. Gregg, Vincennes, chairman of the legislative committee of the legion today. Legionnaires who favor a bonus bill will lend their aid to the bill sponsored by the Veterans of Foreign Wars, Gregg said.

A delegation from the Veterans of Foreign Wars visited the legion committee and laid before it the bonus bill which was drafted by the State department of the Veterans' organization. Frank E. Livengood, State commander, discussed the bill, which provides for a bonus of \$10 a month for each month of service. The maximum would be \$250 to any one man. The money would be payable in three equal installments on Jan. 1, 1923, Jan. 1, 1927, and Jan. 1, 1933. A bill discussed by the legion provided for a bonus of \$20 a month for the period of service.

Memorial Day Bill First

The chief bill to be sponsored by the legion is one making it a misdemeanor punishable by a fine of not more than \$500 and by jail sentence of not more than six months, to hold races or other athletic events on Memorial Day.

Other bills to be sponsored by the legion include a bill to abolish the Indiana State historical commission; a bill exempting from taxation property used to house ex-service men's organizations; to give preference to ex-service men for State jobs, provided their qualifications stamp them as equally capable as other applicants, and to permit boxing in the State.

Public Support Asked

A committee of the General Memorial Association of Indianapolis, representing survivors of the Civil, Spanish-American and World wars and allied patriotic organizations issued a statement urging public support of the bill to prohibit commercialized sports on Memorial Day. The statement was signed by A. J. Ball, assistant adjutant general, G. A. R.; James Robbins, Anderson Post, G. A. R.; Indianapolis James W. Foster, Spanish-American veteran; J. P. Ragsdale, past commander, Bruce P. Robinson Post, American Legion; Newton J. McGuire, secretary general Memorial Association, Indianapolis; Edna E. Pauley, president Indiana Federated Patriotic Societies and E. S. Shumaker, national patriotic instructor, Sons of Veterans, U. S. A.

New Senate Clerk Hails From Winamac

Winamac claims Miss Fern Ale, who will serve as assistant clerk of the State Senate during the current session, although she has spent considerable time in Indianapolis as an employee of the Republican State committee.

Bill Would Cut FEES IN COUNTY

Elimination of fees as part of the pay of the Marion County treasurer is proposed in a bill to be introduced in the State Senate by Senator Winfield Miller of Indianapolis. The bill would fix the salary of the treasurer at \$10,000 a year.

At the last session the fee system was eliminated from most of the county offices. The treasurer's income was cut, but was not put on a strictly salary basis. The bill would become effective Jan. 1, 1923.

Senator Miller also has a bill providing that teachers in the public schools must be American citizens.

'Coue Fans' Tell of Wonderful Cures

By MILTON BRONNER
THE camaraderie that exists among all who attend the suggestion clinic of Emile Coue at Nancy, France, I heard many first-hand stories of what Coue had done for his patients.

To these people I was a fellow sufferer. They wanted to banish their skepticism. So they frankly discussed their own ailments with me.

Here is a pretty American woman, married to a titled foreigner. For years she suffered from drooping eyelids. They would drop and completely cover her eyes. Her husband, who is here with her, is a wealthy New York business man. He had called in celebrated specialists of our big cities. No results. She and her husband both told me Coue had cured her. One day when I was there, he turned to her and said: "Madame, when you leave here, always remember you are mistress of your eyelids."

CASE NUMBER TWO: Another American woman. For years she has suffered from drooping eyelids. They would drop and completely cover her eyes. Her husband, who is here with her, is a wealthy New York business man. He had called in celebrated specialists of our big cities. No results. She and her husband both told me Coue had cured her. One day when I was there, he turned to her and said: "Madame, when you leave here, always remember you are mistress of your eyelids."

CASE NUMBER THREE: A Canadian civil engineer. He had suffered some kind of lesion in the brain from overwork. He had difficulty in walking. And, sometimes, when he started walking he had difficulty in stopping. He told me he was well on the way to recovery. And I myself saw him run for a street car and board it without trouble.

CASE NUMBER FOUR: A ranch and mine owner from South Africa who came here for relief from the horrors of insomnia. He is now sleeping like a normal person should.

CASE NUMBER FIVE: An English woman. The nature of her suffering was such that she could not sleep. I have never been able to explain how it happened the man's revolver was not first when Wiley hit him. If it had been I would not have been here today to tell the story.

WOMAN, 102, ILL AT WALDON

By Times Special
SHELBYVILLE, Ind., Jan. 8.—Mrs. Minerva Thompson, 102, of Waldon, the oldest resident of Shelby County, is seriously ill at her home due to advanced age. Until a year ago Mrs. Thompson was active around the house. Relatives read to her from the Bible and newspapers each day.

RED PEPPER FOR RHEUMATIC PAIN

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It cannot hurt you, and it certainly stops that old rheumatism torture at once. When you have suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the warming heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone. Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.—Advertisement.

BUDGET BOARD TO SEEK AGREEMENT

Deadlock Maintained With Report Week Overdue.

With their report to the Governor more than a week overdue, members of the State budget committee were still unable to reach an agreement, it was reported at the Statehouse today.

The committee, composed of Jesse E. Eschbach, chief examiner of the State board of accounts; Edward Farmer, budget clerk; and two members of each house, will meet again tomorrow in an effort to reach an agreement on three or four appropriation recommendations still unsettled.

It is certain the report to the Governor, which will be the basis of recommendations to the Legislature, will cut the estimates of department and institution heads considerably.

MAN CONFESSES IN MURDER PLOT

Police Say Sweetheart of Mrs. Noffsinger Tells of Crime.

By United Press
LOUISVILLE, Ky., Jan. 8.—Police claimed to have a second confession today in the "hammer murder" of Gus Noffsinger, wealthy Southland Coal Company official in his back yard at Henderson last week.

Ollie Gibbons, brought here for safe keeping after his arrest on the strength of an alleged confession by Noffsinger's widow that she and Gibbons plotted to kill Noffsinger, collect his insurance and get married, has himself confessed to the slaying.

Gus Noffsinger's body was found at the door of his garage in Henderson, the morning of Dec. 31. His skull had been battered in with a hammer.

POLICEMAN TELLS OF HIS NARROWEST ESCAPE

"I have never been shot since I have been a policeman," said Capt. Edward Shubert today, "but I was hit while I was in the Army. That was the narrowest escape I ever had from being killed, though. It was in 1907, when I was a detective employed by the Big Four Railroad, that I came closest to death."

"We received a telephone call from Thornton that two men had stolen a motorcycle and were expected to ditch it and 'bum' a ride on a train. I was working with a detective named Wiley and we started to search trains

EDWARD SHUBERT

of the men stuck the barrel of a revolver in my mouth. My partner had climbed on to the engine and had climbed over the coal. Just as the man stuck the gun in my mouth Wiley hit him with his gun on the head. It rendered the man unconscious and we arrested them both, but I have never been able to explain how it happened the man's revolver was not first when Wiley hit him. If it had been I would not have been here today to tell the story."

RINK OWNER KILLS PATRON AND SELF

Quarrel Follows Mix-up on Amusement Hall Floor.

By Times Special
EATONVILLE, Ind., Jan. 8.—Charles Smith, 39, was shot and killed by Vernon Winkler, 24, proprietor of a skating rink here, following a quarrel in the rink. Winkler had killed himself.

Witnesses say the quarrel started when Winkler bumped into Smith while skating. Smith is survived by the widow and two children, and Winkler by the widow and one son.

MRS. ROSA GUTZWILLER TO BE BURIED WEDNESDAY

Aged Woman, Native of Switzerland, Leaves Three Children.

Funeral services for Mrs. Rosa Gutzwiller, 74, of 821 Orange St., who died Sunday, will be held at 2 p. m. Wednesday at the home of her daughter, Mrs. Otto Weiffenbach, 1304 Leonard St. Burial will be in Crown Hill.

Mrs. Gutzwiller, who was born in Switzerland, came to the United States thirty-eight years ago. She had been ill two years.

Surviving are two daughters, Mrs. Weiffenbach and Mrs. Rosa Johnson, and a son, Theophil.

Nothing Like It, Mrs. Day States

"For fifteen years I have suffered from indigestion and have taken all kinds of medicines, but I have never found anything to help me like Tanlac has," recently declared Mrs. Mary A. Day, a highly respected resident of 6524 Bellefontaine St., Indianapolis, Ind.

"After my meals, food would sour on my stomach and cause awful gas pains, bloating and smothering sensations. At times I thought my heart would actually stop beating. It interfered with my rest at night so much that I was hardly ever able to get to sleep until midnight, and I was often unable to do my housework."

"A few days after I began on Tanlac I noticed an improvement, and I was soon eating heartily and without feeling any distress. Since then I have taken the medicine occasionally and it tones up my appetite and digestion every time. Tanlac is splendid and I believe it will cure me of any kind of stomach trouble."

Tanlac is for sale by all good druggists. Over 35-million bottles sold.—Adv.

Kidney Trouble Causes Lameness

"A lameness followed me for some time, and I felt that it was caused from kidney trouble. One bottle of Foley Kidney Pills had the desired effect," writes H. B. Arbuckle, South Barre, Vermont. Backache, rheumatism, bad headache, too frequent or burning urination are symptoms of Kidney and Bladder trouble. Discordered kidneys require prompt treatment. Neglect causes serious complications. Foley Kidney Pills give quick relief. Sold everywhere.—Advertisement.

RHEUMATISM PAINS ARE NOW IN SEASON

Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly, keep the feet dry, avoid exposure, and above all, drink plenty of good water and avoid eating sweets of all kind.

Rheumatism is caused by body waste and acids resulting from food fermentation. It is the function of the kidneys to filter this poison from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this waste and acids, which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain, called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is helpful to neutralize acidity, remove waste matter, also to stimulate the kidneys, thus often ridding the blood of rheumatic poison.

Jad Salts is inexpensive, and is made from the acid grapes and lemon juice, combined with lithia, and is used with excellent results by thousands of folks who are subject to rheumatism.—Advertisement.

Uric Acid? TRY THE WILLIAMS TREATMENT 85 Cent Bottle (32 Doses) FREE

Just because you start the day worried and tired, stiff legs and arms and muscles, an aching head, burning and bearing down pains in the back—warn you before the day gets too hot to think you have to stay in that condition.
