

'CAVE MEN' FLEE AFFRONTED BY RAID

Employee Is Slugged With Gun
by Marauders.

Injuries of Clifford Artis, 35, colored, 437 Douglass St., were dressed at the city hospital today.

Artis was struck on the head with a revolver while attempting to prevent two "cave men" from wrecking furniture in the J. H. Cohen store, 343 Massachusetts Ave., where he is employed.

Two men walked in Tuesday night and dragged some furniture into the street.

The men entered the store and abused Cohen.

The assailants escaped in an automobile in which two fashionably dressed women were waiting.

City Honors Dr. Peyton

Dr. Peyton, physician and ex-warden of the State reformatory here, was held today. Several business houses were closed. Dr. Peyton died at his home here Monday night following an extended illness. He was a major in the medical corps during the World War.
