

HARDING PLANS VITAL CHANGES IN HIS CABINET

Sweeping Reorganization of
Departments Is Pro-
posed.

By United Press
WASHINGTON, Feb. 16.—Vital
Cabinet changes and a wholesale shuf-
fling of governmental bureaus is re-
commended in the President's reorgani-
zation program transmitted to the
congressional joint committee and now
made public.

Principal changes suggested are:
1. Absorption of the Army and Navy
in a single department of national de-
fense headed by a Cabinet officer.
2. Organization of a new depart-
ment of education and welfare to be
headed by a Cabinet secretary.
3. Changing the name of the Post-
office Department to the department
of communications.

4. Stripping of all non-military bu-
reaux from the Army and Navy and
distribution of them among the civil-
ian departments, principally interior
and commerce.

5. Removal of all non-fiscal bureau
from the Treasury Department.
6. Setting up the budget office, now
part of the Treasury Department, as
an independent body.

The report goes through the list of
small bureaus which have grown up
in an illogical arrangement and re-
assigns them to the departments with
which their respective activities are
most closely related. For instance,
the Bureau of Insular Affairs, which
administers the island possessions, is
taken from the War Department and
placed under the Department of State.
Dozens of such shifts are proposed.

SENATE COUNTY NURSE MEASURE PASSES HOUSE

Van Orman Bill Wins 38-30 After
Lively Session.

After one of the liveliest sessions of
the House, the Van Orman Senate
measure providing for employment of
county nurses throughout the State,
passed Thursday. Numerous at-
tempts were made by Representatives
to attach vitating amendments, after
an effort to strike out the enacting
clause by Representative Updike was
tabled on a motion by Representative
Schwartz.

Representative Wyssing, assisted
Updike in the fight against the mea-
sure. Five amendments were intro-
duced and two adopted. The only ma-
terial adopted was the Kitch amend-
ment to prevent local sentiment from
affecting conduct of the offices. Rep-
resentative Albert J. Wedekind's mo-
tion to pass the bill was carried,
38-30.

Outdoors and the skin

Don't forego the pleasure of outdoor
life because the sun and wind coarsen
and roughen your skin. The regular use
of Resinol Soap and Ointment is almost
sure to offset these effects. Resinol
Soap rids the pores of dust and oil, and
Resinol Ointment soothes the chapped
and roughened skin.

Sold by all druggists.
