

BLACKHAND GANG SUSPECTS AGREE TO FACE CHARGES

Extradition Papers Signed by
Men and Women Ar-
rested Here.

Extradition papers were signed to-
day by the two men and two women
arrested here as suspected members
of an alleged blackhand murder gang
in Charleston, W. Va., and they were
scheduled to start their return in cus-
tody of Police Chief Leno Wolf and
Detective J. S. Siers of Charleston to
face trial. The authorities said they
were positive the four are the ones
wanted in the investigation of a Mafia
charged with twelve diabolical killings
and plans for numerous other mur-
ders.

The officers said they were positive
the four are wanted in the investiga-
tion of a Mafia charged with twelve
killings and plans for other murders.
Chief Wolf alleges Sam Muratore,
one of the prisoners, was a leader of
the gang. He is under indictment in
Clarksburg on the charge of murder-
ing James Papara Jan. 20 and three
other murder charges are pending
against him, Wolf said. Tony Tonelle,
also known as Romanda, and Mary
Norman are scheduled to be tried on
murder charges, according to Wolf.
Lucille White will be tried on the
charge of being an accessory before
the fact, he said.

White Slavery Charged
Objects of the alleged Mafia are
said by Wolf to have been revealed by
authorities. He said they discovered
members of the gang had kept Ameri-
can girls in their custody by threats
of death and had sold them into white
slavery and collected their earnings,
was revealed.

Mammoth blackmail plots to take
huge sums of money from foreigners
are charged. It is alleged the gang
planned to lure officers to a house on
Kelly Hill on the pretext of capturing
a moonshine still and to blow them up.
A diabolical plot to murder eight
Harrison County citizens, among them
a minister, four merchants and the
chief of police of Fairmount, W. Va.,
is alleged.

Expect to Solve Mystery
With the arrests police expect at
least three of a series of seven mys-
tery murders in Harrison County
will be cleared up and light shed on
the other four.

Just previous to the series of ar-
rests the chief of police, detectives
and the sheriff of Harrison County
laid plans for a round-up of the al-
leged member of the Mafia. Close to
a score of men have been arrested,
but all, with the exception of nine,
have been or soon will be released.

"Gets-It" Tames the Wildest Corns

You Can Peel Them Right Off
No matter how long you've had your corns,
how bad they may be, whether hard or soft, or

what you have tried, believe this—"Gets-It"
will end corn pains at once, and you can
lift the corn right off the toe or foot, with
the fingers. It ends calluses, the same simple
way. Millions use it. Money back guarantee.

RHEUMATISM

A Remarkable Home Treatment
Given by One Who Had It
In the year of 1893 I was attacked
by Muscular and Sub-Acute Rheuma-
tism. I suffered as only those who
are thus afflicted know for over three
years. I tried remedy after remedy,
but such relief as I obtained was only
temporary. Finally, I found a treat-
ment that cured me completely and
such a pitiful condition has never re-
turned. I have given it to a number
who were terribly afflicted, even bed-
ridden, some of them seventy to
eighty years old, and the results were
the same as in my own case.

"I Had Sharp Pains Like Lightning
Flashes Shooting Along My Spine."
I want every sufferer from any form
of muscular and sub-acute rheumatism
to know the great value of my improved "Home
Treatment" for its remarkable healing
power. Don't send a cent; simply
mail your name and address, and I
will send it free to try. After you
have used it, and it has proven itself
to be that long-sought-for means of
getting rid of such forms of rheuma-
tism, you may send the price of it.
One dollar, but understand I do not
want your money unless you are per-
fectly satisfied. Write me. I don't
fail. Why suffer any longer, when
relief is thus offered you free. Don't
delay. Write today.
