

MOTORISTS, HERE IS TRAFFIC CODE IN EFFECT TODAY

All Turns Are Prohibited at
Washington and
Meridian.

PARKING TIME LIMIT CUT

Flat-to-Curb Rule Stays—
Preferential Streets
Named.

The new traffic ordinance, passed by city council several weeks ago, becomes effective today. It takes precedence over all previous existing rules and police orders.

Outstanding features and principal changes:

Traffic approaching from the right has the right-of-way. Exceptions: Traffic has the right-of-way on all boulevards of the park system; on Indiana, Kentucky, Massachusetts and Virginia Aves; on E. Tenth, E. Michigan and E. New York Sts., from the Big Four Railroad tracks east to Emerson Ave.; on Morris St., between Shelby St. and Eagle Creek, and on W. Michigan St. and Oliver Ave. from White River west to the city limits.

Flat to Curb

At all "silent policemen" traffic from the right has preference. It is unlawful to cut corners at any street intersection.

Flat-to-curb parking is provided for unless otherwise specifically stated.

No left turns are allowed at intersections of Washington St. with Pennsylvania, Meridian and Illinois Sts. and Capitol Ave. No right or left turn at Meridian and Washington Sts. It is unlawful to turn in the middle of the block in the congested area or to back into the street within fifty feet of an approaching vehicle.

Preferential Streets

Washington St. is a preferential street for its entire length. Other streets where traffic must come to a full stop before entering are Capitol Ave. from Washington St. to Maple Rd.; N. Meridian St., Maple Rd. and E. New York St. from the Big Four Railroad bridge to Emerson Ave. and all boulevards.

In the congested area and on Washington St. from East to West Sts., time limit parking is one and one-half hours. Instead of a limit of two hours, as before, on Monument Circle, the time is the same as for the congested district. The limit around the market house on market days is thirty minutes.

Where the center of the street is reserved for parking, time limit at the curb is fifteen minutes. On Circle and around market house on market days, right angle parking at the curb will continue in use.

No Parking

No parking is permitted on the west side of Pennsylvania St., from Washington to Court Sts.; in front of the Claypool; alongside the Occidental building; Roosevelt building or Merchants Bank building; in any alley or one-way street in downtown district; north on Thirtieth St., from Fall Creek to White River; north side of Sixteenth from the Monon Railway to Senate Ave.; south side of Forty-Second St., from Carrollton Ave. to Broadway; east side of Clifton St., between Roach and Thirty-Fourth Sts.; north side of E. New York St., between Randolph and Emerson Aves.

Two hours is the time limit at any point. Don't park within twenty-five feet of the entrance of any hotel, theater, church or public meeting place or within fifteen feet of a fire hydrant.

Age Limit 13

It is unlawful to tow vehicles at greater distance than fifteen feet apart. When parked legally no front light is required. It is unlawful to stop anywhere with left side of vehicle to the curb or to stand or park parallel to safety zone. There is no time restriction on parking between 7 p. m. and 8 a. m.

All drivers of motor vehicles must be at least 13.

The provision for no turn at Washington and Meridian Sts. may be changed if it proves impractical.

HARVEY ADMITS HIS UNPOPULARITY IN U. S.

Declares He Has Higher Standing in England Than in America.

LONDON, March 1.—Col. George Harvey, American ambassador to the Court of St. James, believes he has a higher standing in England than in America.

In concluding a speech on the settlement of the Anglo-American debt before the Pilgrims' Club Wednesday night, Harvey declared: "My remarks will not be given too much importance on this side of the water, but I'm rather more popular here than at home."

DR. BELL'S Pine-Tar Honey

Breaks Coughs and Colds

People everywhere are finding relief for coughs and colds in this dependable prescription of an old family physician. Dr. Bell's is genuine syrup of pine-tar honey. It stops coughs, loosens clogging phlegm and soothes inflamed tissues of the throat. Its efficacy, pleasant taste and pure ingredients make it an ideal syrup for children as well as adults. Your druggist has it. Refuse substitute. **DR. BELL'S** Insist on **DR. BELL'S**.

And Easter Is Coming

Easter, the season of new clothes, is approaching.

Look at this: Two suits were stolen from the home of Ed Smith, Second and Main Sts., Beech Grove, Loss, \$50.

A package containing two coats belonging to the E. A. Langen Company was stolen from an American Express Company truck. Loss, \$50.

Two traveling bags containing clothing were taken from the automobile of Mrs. Smith H. Strickland, 230 Hampton Place, parked in McCrea St., near the Union Station. Loss, \$75.

ACCOUNTS BOARD PROGRAM REVIVED AFTER PRESSURE

Both Houses Resurrect Measures Widening Powers of Bureau.

Following strong lobbying on both sides of the question, both Houses have revived bills to give increased power to the board of accounts and two bills, slightly conflicting in their provisions, were on their way to passage today.

The House, several days ago, voted to postpone indefinitely a bill giving the board of accounts power over road and school contracts on petition of ten taxpayers. The bill had previously passed the Senate. These powers had been assumed by the board, but the Appellate Court held some time ago they were without warrant of law.

It was after this bill had been postponed that the lobby for the board of accounts was strengthened. As a result, a bill was introduced in the Senate giving the same powers to the board on petition of twenty-five taxpayers.

Almost simultaneously, Wednesday afternoon, the two Houses started working on the bills. After a hard fight and a parliamentary tangle, the House suspended the rules and recalled to life the bill previously indefinitely postponed.

Meanwhile the Senate adopted a majority committee report favoring passage of the newly introduced bill.

Proponents of the measures in each house insisted supervision of school and road building by the board is necessary. Opponents objected the Legislature was attempting to give to the board autocratic and "kingly" powers.

IOWA PHYSICIAN MAKES STARTLING OFFER TO CATARRH SUFFERERS

Found Treatment Which Healed His Own Catarrh and Now Offers to Send it Free to Sufferers Anywhere.

Davenport, Iowa.—Dr. W. O. Coffey, 1135 St. James Hotel Bldg., this city, one of the most widely known physicians and surgeons in the central west, announces that he found a treatment which completely healed him of catarrh in the head and nose, deafness and head noises after many years of suffering. He then gave the treatment to a number of other sufferers and they state that they were completely healed. The doctor is so proud of his achievement and so confident that his treatment will bring other sufferers the same freedom it gave him, that he is offering to send a 10 days' supply absolutely free to any reader of this paper who writes him. Dr. Coffey has specialized on eye, ear, nose and throat diseases for more than thirty-five years and is honored and respected by countless thousands. If you suffer from nose and throat catarrh, catarrhal deafness or head noises, send him your name and address today.—Advertisement.

I Set Out to Find the Secret of Iron Muscles Like These

And Found That a Slight Change in Your Daily Meals Will Often Astonishingly Increase Your Strength, Energy, Endurance and Physical and Mental Power

Years ago, I made up my mind that there must be some vital secret that explained the great difference between the muscular strength, health and power of strong and weak people you meet every day. One man has muscles like iron, is full of strength and energy and hits hard both mentally and physically. Another is weak, anemic and run-down. His day's work leaves him tired out and exhausted and he is always ailing, complaining and doctoring, without ever seeming to get any better.

For years I made a special study of these conditions consulting a great number of physicians and chemists. Science has now proved that your real strength, energy and endurance—the mysterious force that enables you to dominate and control others and win in every walk of life, all depend upon the strength and nature of the millions of cells that compose your body and brain, and the physical strength of these cells depends absolutely upon the food you eat—that is, the material with which they are built. Just like a house that is built of boards and mud is not as strong as one built of stone and iron. The built-in, important element in building strong, useful cells is a peculiar form of iron found in the nuclei of grains, peels and skins of certain fruits and vegetables, but modern methods of cooking throw these important things away so that today probably not one person in twenty has 100% iron in his body—a most alarming condition.

If you are anxious to build up your strength and bodily powers, you should at once try taking a little of the peculiar form of iron with your daily food, to help build strong iron-like cells. Surprising results have been obtained in many cases in two weeks' time. In fact a former medical inspector and clinical physician of the Board of Health of New York City said to me: "There are countless numbers of men today who are forty are broken in health and steadily going downward to physical and mental decay. Yet there are thousands of the same men who undergo a remarkable transformation the moment they get plenty of iron into their blood." This newer form of iron is comparatively inexpensive and may be obtained from your druggist under the name of Nuxated Iron, to be mixed with your food as directed on each package. Do not make a mistake and get one of the old forms of metallic iron instead of Nuxated Iron, which is a totally different thing. Many professional trainers know the secret of great strength and endurance which comes from having plenty of iron in your blood. It would seem that the average man would realize how much more important it is for him to build up

SLEUTHS EXPECT FIFTH ARREST IN LEBANON HOLD-UP

Two of Alleged Unsuccessful
Bandit Gang Are Taken
Here.

Officers from Lebanon, Ind., left today with Carl Allen, 23, of 3215 Kenwood Ave., and Charles Warner, 19, of 838 N. Beville Ave., arrested here Wednesday on fugitive and vagrancy charges.

With another arrest imminent detectives declare they will have rounded up all of an alleged gang of bandits who attempted to hold-up and rob Charles Houser, Lebanon garage man, at 2 a. m. Feb. 24.

Two men captured at the garage registered as Herbert Gentleman, 21, of 114 W. Thirty-Second St., and Thomas Kofoure, 17, of 2702 Ashland Ave. The latter was freed on \$1,000 bond to appear in a Lebanon court.

Detectives Eugene Stein, Sullivan, Golder and McDonald found in a private garage at Twenty-Fourth St. and McPherson Ave., an automobile believed to have been the one used by three of the gang in escaping from Lebanon. A bullet hole was in the windshield. Twelve shots were fired by Lebanon police.

INDIGESTION!!! UPSET STOMACH, GAS, GAS, GAS

Chew a few Pleasant Tablets,
Instant Stomach Relief

Instant relief from sourness, gases or acidity of stomach; from indigestion, flatulence, palpitation, headache or any stomach distress.

The moment you chew a few Pape's Diapiesin tablets your stomach feels fine.

Correct your digestion for a few cents. Pleasant! Harmless! Any drug store.—Advertisement.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit, 15c and 30c.—Advertisement.
