HITS STREET CAR**

Woman Suffers From Shock
—Two Autos Damaged
in Collision.

Police today were searching for a strand of pearls lost by Mrs. F. L. Kirkhoff, 1530 S. State Ave., when a traction freight car crashed into a Minnesota street car at Shelby and Prospect Sts. Thursday night.

The street car, inbound on Shelby St., crossed in front of the freight car. The street car was knocked from the tracks and across the street, striking an automobile owned by Hugh Annis, 629 E. Twenty-Fifth St. The wheels of the automobile, parked near the curb, were torn off and it was badly damaged.

A sedan belonging to Edward M. Ryan, 1066½ Virginia Ave., also was damaged.

Eighteen fars were rung up in the street car. Mrs. W. E. Forristier, a passenger, suffered from severe nervous shock. She was taken home by her husband.

Patrolman Joe Connors was on the car.

The I. & C. traction, with two trailers loaded with stock, was in charge of Lawrence Dunn of Morristown, Ind., motorman. Russell Nelson of Rushville, Ind., was conductor and Kenneth Rovier, Rushville, was a member of the crew.

The street car was in charge of John V. Brown, 550 Bradshaw, motorman, and John Ambus, conductor.

DRYS GET SECOND JOLT

Matthews Measure Once More Falls Short in Senate.

"Bone dry" Senators were wondering today if they were losing strength. A second attempt to pass Representative Matthews' measure giving any citizen the right to abate a nuisance by filing an affidavit asking the court to enjoin a place suspected of violating the prohibition laws, failed late Thursday in the Senate. The vote was 21-19, lacking five votes of a constitutional majority.

Senator Dunn is steering the bill through the Senate.

**"Gets-It"
Friendly
Enemy of
Corns**

They Die While They Sleep
The only good corn is a dead corn. A few drops of "Gets-It" will quickly start any corn

or callous on the way to "the happy hunting ground." "Gets-It" brings instant relief from all pain, swelling, redness and irritation. Just remove a dozen corns, hard or soft, old or new. Costs you nothing if it fails—but it doesn't fail. Let your druggist tell you why millions demand it. —E. Lawrence & Co., Mfg., Chicago.

**Blackheaded
Pimples Quit
With S. S. S.**

Why? Pimple-Poison Goes When Red-Blood-Cells Increase? S. S. S. Builds These Red-Blood Cells.

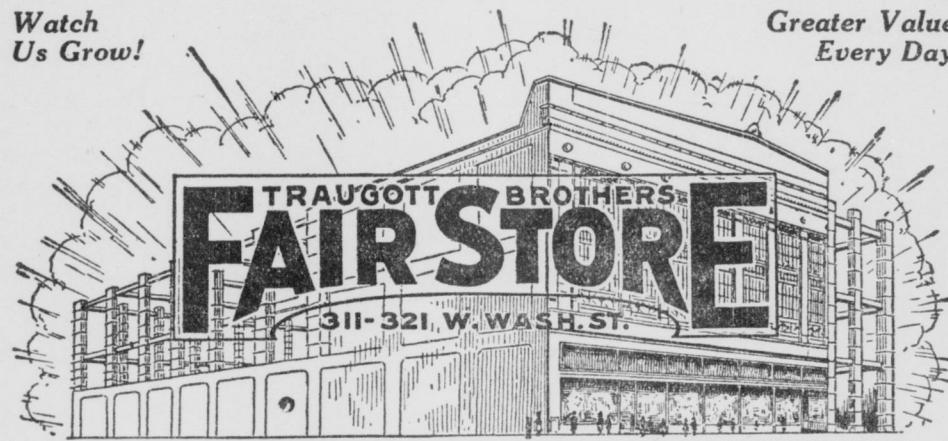

You can be sure of this, nature has no substitute for red-blood-cells. Pimple-poison can't live in the red rivers of your blood as long as there are enough rich red-blood-cells in it. More red-

blood-cells! That is what you need when you see pimples staring at you in the mirror. Blackheaded pimples are worse! S. S. S. is the only thing that can try everything under the sun—you'll find only one answer, more cell-power in your blood! The tremendous results produced by an increase in red-blood-cells are the result of the A. C. of medical science. Red-cells mean clear-pure rich blood. They mean clear, radiant, lovable complexions. They mean nerve power, because all your nerves are run by the blood. They mean freedom forever from pimples from the blackhead pest, from boils, from eczema and skin eruptions, from rheumatism, impotency, etc. That's why S. S. S. has a run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1908 as one of the greatest skin-builders, blood-builders and system strengtheners ever produced. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.
