

REFUSING GOD IS MAN'S WORST SIN, SAYS EVANGELIST

Return to Old Friendships of
Bible Days Suggested to
Remedy Evils.

"The most appalling fact in human life today is sin," declared Dr. E. J. Bulgin, North Carolina evangelist, in his sermon Tuesday night at the Cadle Tabernacle. "The worst sinners in Indianapolis are the men who refuse to walk in the light of God."

"Man must open his soul if he wishes to walk in the light of Al-

mighty God. The human soul is made by God, for God, and is never at rest until it seeks and finds repose in the God that created it," Bulgin said.

Man Fails to Reach Mark

Failure of the average man to miss the mark set before him was explained as man's most besetting sin. When man misses the mark of God, the spiritual mark, he has sinned, he said. Then why, he asked, are so many men afraid to admit their spiritual shortcomings. "A man will admit, and proudly, that he is a Democrat or a Republican, a Mason or an Odd Fellow, and some of you even don't hesitate to admit you are a K. K. K., but there aren't many of you that care to make any admissions as to your soul. When I ask you if you're a Christian, you get scared."

"My Bible says there's a heaven, and I believe it. My Bible says there's a hell, and I believe it. My God says I may be saved, and I believe it."

Urge Old Friendship

Using as the text of his sermon the story of David and Jonathan, Dr.

Bulgin urged return to old friendships of Scriptural days as a means of relieving the world of malice and prejudice. "Jonathan was a king's son and David was the son of a peasant, but they loved as true brothers."

The value of prayer to the one in need of material things, as well as

"When some of you people are asked about your religion you begin to shiver."

"The devil checkmates God wherever he can."

"The human soul will never enjoy any rest or peace until it has sought and found God."

"I began praying for good dreams and I quit having bad ones."

and David was the son of a peasant, but they loved as true brothers."

The value of prayer to the one in need of material things, as well as

the one desiring spiritual assistance, was urged by the evangelist.

Homer Hammontree of Chicago, chorister with Mel Trotter, famous evangelist now in Philadelphia, sang two solos at the beginning of the service, followed by hymns by the Cadle choir. Dr. Bulgin's address tonight will be to several missions which will send delegations to the services. Seat reservations for fraternal organizations have been made, Dr. Bulgin announced.

INGROWN TOE NAIL

TURNS OUT ITSELF

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrown nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night. "Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.—Advertisement.
