

## JOHN H. MASTERS, VETERAN REALTOR, CALLED BY DEATH

Pioneer Local Business Man  
Succumbs to Heart Trouble  
—Funeral Friday.

John H. Masters, 77, Civil War veteran and pioneer real estate man of Indianapolis, who died of heart disease at the home of his son, J. Fred Masters, 3716 Kenwood Ave., Wednesday will be buried 2:30 p. m. Friday in Crown Hill.

The Rev. James N. Eakins, pastor of the Memorial Presbyterian Church will conduct the funeral services 2 p. m. at the home. Judge Arthur R. Robinson, teacher of the Men's Bible Class of the Memorial Presbyterian Church of which Mr. Masters was a member, will take part in the service. Members of the O. A. R. will assist.

Mr. Masters was born in Madison County, Ky. At 15, he enlisted in Company H, the 14th Kentucky Cavalry. He was a non-commissioned Lieutenant and fought in the battle of Shiloh.

Upon coming to Indianapolis, Mr. Masters entered the furniture business. Later he became interested in real estate. He laid numerous additions to the city, including the Sugar Grove addition, now known as Mapleton. Mr. Masters retired from business ten years ago.

Surviving him are six sons, George E. Masters, J. Fred Masters, and Thomas O. Masters of Indianapolis; William M. Masters of Excelsior, Springs, Mo.; Charles F. Masters of Grove, Okla.; and John V. Masters of Tusculum, Ala.; three daughters, Mrs. Maggie D. Bruce and Mrs. Francis McKee of Indianapolis, and Mrs. Laura B. Matheson of Cincinnati. Thirty-one grandchildren and five great-grandchildren also survive.

### MRS. CONNELLY MOURNED

Funeral Services Arranged Saturday at Home and Church.

Mrs. Mary A. Connelly, 513 Goodlet Ave., widow of the late Patrick Connelly, who died at her home on Wednesday, will be buried in Holy Cross cemetery, following services at the residence at 8:30 a. m., and at St. Anthony's Church at 9 a. m.

Mrs. Connelly, an active member of the Altar Society of St. Anthony's Church, is survived by two daughters, Miss Catherine Connelly and Mrs. Charles McCarty of Indianapolis.

### MUST GIVE SELF TO GOD

"Two things that make life worth living are righteousness and temperance," said Mel Trotter, evangelist, in his sermon Wednesday night at the Park Theater.

"The church needs righteous persons," said Mr. Trotter. "Temperance means self-control and a man who can not control himself becomes coated with sin. The only way you can escape is by giving yourself to God."

### Man Struck by Street Car

Fred Friesdorf, 85, of 513 Fairfield Ave., was slightly bruised today when he was struck by a street car at Washington St. and Capitol Ave. Friesdorf was unable to tell police what car had struck him. The car did not stop.

Traffic Officer Troutman sent Friesdorf home.

### Indiana Leads Middle West

Indiana led mid-western States and was fourth in the Union in the sale of Red Cross seals for 1922, according to figures made public today by the executive committee of the Indiana Tuberculosis Association. Between Dec. 1, 1922, and the close of the sale a total of \$145,263 was raised. Murray A. Auerbach, executive secretary, reported.

### Stones Flipped Break Glass

Fred C. Schoemeyer, a florist at 1840 Shelby St., told police today that several windows in his green house were broken by small stones thrown from the street by passing automobiles.

### Elks to Go to Louisville

Nearly 200 Indianapolis Elks will go to Louisville, May 10, for an "All Elks" day" celebration there. The entire delegation will attend the baseball game between Indianapolis and Louisville, and later will be entertained at the Elks' home.

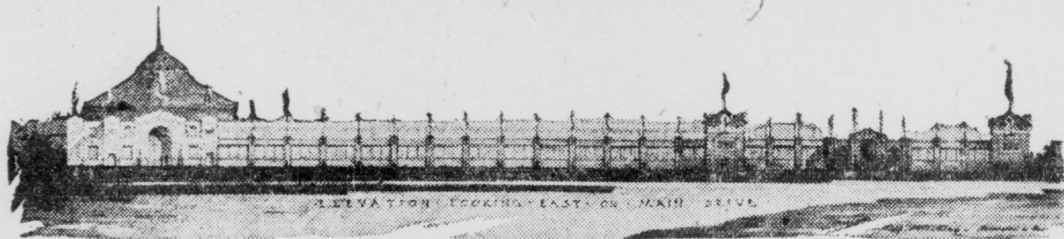

### DON'T GET UP NIGHTS FOR BLADDER ILLS

Dayton Man Reports Relief With Simple Remedy After Getting Up 15 or 20 Times Each Night for Two Years.

Mr. Julius Mayer, 1430 East Fifth St., says in his own home paper, the Dayton News: "For two years my bladder caused me to get up many times at night and too frequent in the day. After taking a few doses of Lithiated Buchu (Keller formula), my bladder works perfectly normal and I can sleep all night." Lithiated Buchu (Keller formula) acts on the kidneys and bladder as Epsom Salts do on the bowels. You will be surprised at the impurities which come from the bladder after taking a few doses of Lithiated Buchu (Keller formula). It is not a patent medicine, as the formula is on the package. The tablets cost 20¢ each. This price makes it possible to place in the formula several high-priced drugs, which are useful to give relief. It is not likely that you have ever taken a remedy similar to this. Try a few doses for backache, scalding, scanty or high-colored urine and frequent desire at night.

You can see the formula and learn more about Lithiated Buchu (Keller formula) at Hook's Drug Store and drug stores everywhere, or write The Keller Laboratory, Mechanicsburg, Ohio.—Advertisement.

## State Plans Pretentious Pavilion at Fairground

Perhaps the finest livestock exhibition palace in the United States, and certainly the most pretentious in the Middle West, will be Indiana's when the new construction program at the Indiana State Fairground is completed.

### They Are in the Ring as Marble Champions

The beef and dairy cattle pavilion, an architect's sketch of which appears above, is largest of six new structures that will grace the grounds, probably by the time of State fair week this year. The pavilion, 670 feet long, 215 feet wide, will contain ultra-modern equipment. The building will stand on the east side of the main drive, directly west of the Coliseum.

It is to be connected directly with the Coliseum by a covered arcade. The frame work will be of wood and steel, with a tile and composition roof, cement floors and steel sashes. The exterior finish will be of ornamental brick and concrete. Kopf & Woelling, local architects, prepared the plans. Other buildings included in the million-dollar improvement program are sheep barns, speed barns, a swine pavilion, a new hotel and restaurant, and a new Purdue building.

## RUSSIAN ORTHODOX CHURCH BANISHES ITS PATRIARCH

Religious Congress Conforms to Views of Soviet Government.

(Copyright, 1923, by United Press) MOSCOW, May 3.—The all-Russian church congress today, by unanimous vote, deposed the Metropolitan Tikhon, patriarch of Russia, who is facing trial on a charge of resisting the soviet government.

Bishop Blake of the Methodist Episcopal Church of America—a contrast in his American garb—brought to the gathering the affectionate greetings of American churchmen in an address which was heartily cheered.

It was a meeting of ecclesiastics of the old Russian Orthodox Church to prepare a basis for a new Russian religion. (The reformist or "living church" group controls a majority of the 500 delegates attending the all-Russian church council and this group seeks to have the convention reorganize the orthodox church so that it will be acceptable to the communist government. This reorganization is expected to take the form of abolition of bishops, recognition of the authority of the Soviet government and acceptance of the order under which all church property was nationalized.)

## RADIO PICKS UP WARM CLEW TO BOY'S KIDNAPER

Arms of Wireless Reach Out for Trace of 6-Year-Old Lad.

(Copyright, 1923, by United Press) SCHENECTADY, N. Y., May 3.—The invisible arms of the wireless, reaching out in every direction for little Verner Alexanderson, 6-year-old "radio kidnaping" victim, touched today upon a clew that sent Detective Sergeant Van Deusen and police officials of Ogdensburg, N. Y., hurrying on what may be the final lap of their chase.

E. F. W. Alexanderson, chief engineer of the Radio Corporation of America, and Mrs. Alexanderson, lost Verner's parents, took heart when they heard the invention the father had done so much to perfect was working well for them in their time of fear and sorrow.
