Candidates for State Offices  
Greet Scribes With Hand-  
shakes and Talks.

**By Times Special**  
SOUTH BEND, Ind., June 7.—Hun-  
dreds of politicians and a number of  
editors were gathered here today for  
the annual summer meeting of the  
Indiana Republican Editorial Associa-  
tion. The meeting is the biggest  
G. O. P. event of the summer.  
About half the politicians appear  
to be candidates or at least possibili-  
ties, according to their friends.  
About half the candidates for Gov-

ernor are Eds, not editors, but Ed-  
wards, Edgars, and Edmunds. For in-  
stance, there are Ed Jackson, Edward  
C. Toner, Edgar D. Bush, Edmund  
M. Wasmuth and Ed Bowen.

### Shank Mentioned.

Among other names there are those  
of Mayor Shank, Newman T. Miller,  
State fire marshal; former Congress-  
man James W. Dunbar and Raymond  
C. Morgan, speaker of the House.  
Others probably will be mentioned as  
the convention develops.

Visitors were arriving on every  
train and in automobiles. No program  
was scheduled until tonight, the day  
being taken up with registration.

A dinner will be held in the Tribune  
Building tonight. F. A. Miller, editor  
of the Tribune, will preside. Eli F.  
Seibert, mayor of South Bend, will  
deliver an address of welcome, and  
George A. Elliott, vice president of the  
editorial association, will reply.

### Governor McCray Present

Others on the program will be  
Governor McCray, Senator Watson,  
Albert J. Beveridge, Lieutenant Gov-

### Roller Injures Boy

**By Times Special**  
CONNERSVILLE, Ind., June 7.—  
Allen Klein, 10, son of Lewis Klein,  
Union County, was in the Fayette  
Memorial Hospital today suffering

## VARIETY OF SPEED WILL BE SHOWN IN PUSHMOBILE RACE

Girls, Small Boys and 'Ice  
Wagons' Will Take Turn  
on Course.

The gala day on Linwood Ave. June  
16, when pushmobile kings will at-  
tempt to beat the world's record of  
25 seconds in the fifth annual grind,  
will not be confined to boys alone, it  
was announced.  
After the three heats of eight cars

each are run, preliminaries to allow  
the sturdy "engines" of the winners  
to cool a bit will include a running  
race for girls, small boys' three-legged  
race and an "ice-wagon special." The  
last is a race between the losers of  
the three heats for a special prize.  
Donald Miller, who has tinkered on  
his Miller Special for some weeks,  
with the hope that his pusher, Rod-  
ney Drane, three times winner, can re-  
peat, has announced that his mount  
will wear the official shield of the  
H. C. S. Motor Company, and be  
known as an "H. C. S. Special." Don-  
ald explained that the change is due  
to the fact that his father is a sales-  
man for the company.

Promoter William Jacoby, 338 Lin-  
wood Ave., insists that no entries will  
be allowed after the coming Saturday  
night and that all cars must qualify  
by the night of Wednesday, June 13.  
Entries may be telephoned Jacoby,  
Irvington 4411, or The Times.

The medals donated by The Times  
and a stop watch loaned by the  
Smith-Hassler-Sturm Sporting Goods

Store to clock the racers are all ready  
for the big event, as are preparations  
for a free "eats" for the twenty-four  
participants after the race.

pin.

### Michigan Boy Sought

lice for Robert Eastman, 15, Mrs.  
Charles Eastman of Flint, Mich.,

Graceland Ave., was under arrest to-  
day on a charge of assault and bat-  
tery. Philip Tripl, 61, of 608 E.  
Georgia St., was flushing the floor of  
one of the buildings of the Kingan &

# RED CROWN

The High-Grade Gasoline

## Has the Punch

It follows through—there is no half-hearted  
piston stroke; neither is there a slapping piston  
stroke to rack your engine. Instead, Red Crown  
imparts a steady, steam-engine-like pressure to  
the piston that sustains and follows through  
the length of the stroke. That explains both  
the smooth flow of rhythmic power and the  
abundance of sustained pulling power. Red  
Crown offers to the motorist

## The Utmost of Service

It has all the intrinsic merit that science has  
been able to put into any gasoline. It is manu-  
factured so that it will vaporize at just the  
correct temperatures, to cause instant starting—  
a quick, snappy get-away—a smooth, gliding  
acceleration—tremendous power—racing speed  
if you want it—and most miles per gallon. Fill  
your tank with Red Crown today.
