

ZANKOF MINISTRY CONTROLS GOVERNMENT OF BULGARIA

OFFICERS SPREAD NET OVER CITY IN POLICE SHOOTING

Patrolman Loudon Still in Critical Condition—Man Arrested.

While Motor Police Officer Jesse Loudon, 49, of 109 Palmer St., was reported in a critical condition at the city hospital today from a bullet wound received early Thursday, detectives still combed the city for the man who shot Loudon.

Two railroad officers arrested a colored man in the Big Four yards in Brightwood at 1 a. m. today. F. H. Burns, yardmaster, was asked by the man when he could get a train for Muncie. Burns called police headquarters. The suspect, held on a vagrancy charge, denied knowledge of the shooting.

Detectives today appeared to be without a clue in the shooting, which occurred when Motor Police Officer Loudon and Siefert answered a call early Thursday, following a report a prowler was trying to get into a drug store at Sixteenth St. and Central Ave. As Loudon opened the door of a stairway, the prowler shot him.

It became known today that detectives are working on the theory that the man who shot Loudon was the same who, twenty-one months ago, engaged police officers in a revolver duel near the scene of Thursday's shooting. For weeks a colored man had robbed north side homes.

GOVERNOR PRAISES NATIONAL GUARD TRAINING SCHOOL

Organization Completes One Week Intensive Training at Frankfort.

By Times Special FRANKFORT, Ind., June 15.—Commending the National Guard on its improvement as a military body and expressing satisfaction with willingness of guardsmen to protect the State's law and order, Governor McCray spoke Thursday night before nearly 350 persons at the municipal park here, where officers of the guard have completed a week of intensive training. An old fashioned barbecue was given by the Chamber of Commerce, together with the Kiwanis and Rotary Clubs, in honor of the 150 officers who trained here.

Indianapolis is practically assured of the annual Governors' conference next October. The place is to be determined by an executive committee of which Governor McCray is a member. Governor Channing L. Cox of Massachusetts, in a letter to Governor McCray, indicated satisfaction with Indianapolis. Governor Carey A. Harbo of Florida is the third committee member.

The marble tournament eclipses all other juvenile competition so far conceived and executed, in the number of children who have participated, in the number of cities cooperating, and in the widespread interest created both among children and adults.

G. O. P. LEADERS CALL MEETING TO QUIET WRANGLES

Indiana Chiefs See Important Moves Pending at Cincinnati Conference.

Indiana Republican leaders will go to Cincinnati June 23 for a conference with leaders from Ohio and Kentucky, it was learned today.

Chairman John T. Adams of the Republican national committee has called the meeting and an effort is expected to be made to straighten out party difficulties in the three States.

One fact taken to be significant

is that arrangements for the meeting are being made by Rud Hynicka, Republican boss of Cincinnati, and many times spoken of as unfriendly to the Harding Administration.

Plans now being suggested include visits to Indiana, Illinois, Iowa, Minnesota and North and South Dakota.
