

## GRADUATES URGED TO SEEK COLLEGE

Purdue President Speaks at  
Tech Commencement.

Dr. Edward C. Elliott, president of Purdue University, emphasized the need of high school graduates continuing their education in a commencement address to Tech graduates at Cadle Tabernacle Thursday night.

"A well-rounded education is an essential to the success of any business man," he said.

"America's greatest need today is trained leaders," Dr. Elliott continued. "And it behooves the coming generation to supply this demand."

Presentation of the diplomas to the 594 graduates was made by Bert S. Gadd, representing the school board. The Technical High School orchestra, choral society and boys' quartette gave musical numbers.

Three awards were made. The faculty medals were won by Leon Adler and Grace Elizabeth Lashbrook. The Riley scholarship medal was won by Margaret Peterson.

Many savages paint their skins as protection against cold.

## NEW MODEL TOWN CALLED 'DRESSER'

Hoosier Song Writer Honored  
by Power Company.

Indiana has a new town. It has been christened Dresser, after Paul Dresser, Indiana author of "On the Banks of the Wabash."

The town stands on the Wabash six miles from Terre Haute. It is made up of employees of the Central

Indiana Power Company employed at the company's new plant. The company plans to make it a model village. The christening ceremony was conducted Thursday afternoon by the Rev. F. S. C. Wicks of Indianapolis before 124 Indianapolis business men and officials, who were guests of the power company and the Merchants Heat and Light Company.

The visitors inspected the new \$7,000,000 power plant, which will supply electricity to eighty towns and cities, including Indianapolis.

## Are Summer Days Your Best Days?

They Should Be! But If a Dull, Constant Backache Is Keeping You Miserable, Follow the Example of These Indianapolis Folks

IS June, for you, a time of recreation? Or is it merely another month of backache—of tired, weary days and restless nights?

Then why put up with that nagging backache and those stabbing pains? Why feel so old, worn out and dispirited—so nervous and depressed?

Why not look to your kidneys as so many Indianapolis folks have done?

Your kidneys, you know, are the blood filters. Healthy kidneys free the blood from deadly poisons. They prevent these poisons from accumulating and endangering health. But the kidneys are subject to

strain, overwork and other dangers of our present-day way of living. Therefore, the kidneys do not always act as Nature intended. They weaken. Poisons accumulate. Troubles come!

You suffer nerve-racking backache, rheumatic pains, headaches, dizziness and annoying bladder irregularities; you feel weak and tired—downhearted and unhappy.

The thing to do is to help the kidneys before the trouble gets a firm hold. Delay may prove serious. Use Doan's Kidney Pills. Doan's have helped thousands and should help you. Ask your neighbor!

"Use Doan's," Say These Indianapolis Folks:

GEORGE LOUDEN, Grocer,  
530 Marion Ave.,

says: "Some time ago my kidneys got out of fix and I had a dull aching across the small of my back. When I stooped sharp catches took me over my kidneys and I could hardly straighten. My kidneys acted too freely at night. I used Doan's Kidney Pills from Withers' Drug Store and they strengthened my back and kidneys, and rid me of the backache."

MRS. CARL UMBENHAUER,  
420 N. Pine St.,

says: "I can recommend Doan's from experience. I have used them with good results. My kidneys were weak and I had severe backaches that made it hard for me to stoop. Morning I felt dull and languid and my kidneys were irregular in action. I used Doan's Kidney Pills from Mueller's Drug Store and they soon relieved the backaches and kidney complaint."
