Knauth, Neachod & Kuhne Close Doors on New York Stock Exchange.

**By United Press**  
NEW YORK, June 17.—Almost coincident with a new policy on the part of the New York stock market and the New York curb that all would be told if legal authorities requested information regarding activities in the Street, came the announcement this a.m. from the rostrum of the stock exchange of the failure of the big firm of Knauth, Neachod & Kuhne.

The firm consists of Rollin C. Newton, a member on the floor of the exchange; Mrs. Mary I. W. Knauth, Oscar L. Gubelman and James F. Shaw.

"We will, of course, cooperate with the receiver in every way."

An involuntary petition in bankruptcy has been filed in the United States District Court against the firm.

It was brought out in the bankruptcy petition the firm has liabilities of \$11,000,000.

The firm was admitted to the exchange on March 28, 1895.

John J. Brown, Phillip Zoercher and William Hough, members of the board, defended rejection of the issues on the ground they were excessive.
