

PERFORMERS RISK LIVES TO THRILL PATRONS OF LYRIC

Palace to Offer Two Variety Bills Next Week Filled With Novelties.

THE MENDOZAS, a couple engaged to thrill people, will head line next week's bill at the Lyric. They ride motorcycles at high speed in a huge steel globe on the stage of the theater. One of the members of the team "loops the loop" on a motorcycle.

Next week the Palace will offer two bills filled with novelties. Bills change on Mondays and Thursdays under the summer policy.

Act Filled With Thrills Tops New Lyric Bill

The Mendozas, an adventuresome couple not the least timid in risking their lives to provide thrills for theatergoers, will present their latest sensation, "The Globe of Fate," at the Lyric next week.

They whiz around the interior of a huge steel globe at amazing speed on motorcycles, and while traveling at the rate of eighty miles an hour perform a routine of riding stunts of a hair-raising quality.

The woman duplicates practically all the tricks of her partner with the exception of the climax of the act wherein the man loops the loop.

The bill will include:

ED. AND TOM HICKEY—Comedians of headline calibre, billed as "Two Elegant Gentlemen" in a melange of conversational drollery and eccentric dancing.

CAVE MAN LOVE—Something very different in the line of miniature musical comedy. It describes, in humorous fashion, the progress of education in the art of making love through the different periods from prehistoric times to modern days. Richard Bartlett, a Broadway musical comedy actor and Elsa Garrett head the cast.

BERT WALTON—A favorite entertainer in his new comedy novelty "You'll Do The Same Thing to Someone Else."

ROGERS, ROY AND ROGERS—Clever vaudevillians in an up-to-the-minute program of tuneful songs and artistic dances.

LADORA AND BECKMAN—Versatile serial stars offering a unique exhibition on the Spanish web.

ON THE SCREEN—Hall Room Boys comedy "The Dumb Waiter" and farce "Two Auctioneers."

Two Novelty Bills Booked at Palace

Topping the program at the Palace for the first three days of next week will be a novelty offering, "Miss Mystery." For the second half of the week two acts will share headline honors, being Arthur Miller and company and Howard Anderson and Rean Graves.

Other acts for the first half are: NESTER AND VINCENT—Offering a routine of ultra-advanced gym-

John Barrymore in Movies

Preliminary details are now being arranged at the Warner Brothers studio in Los Angeles for the filming of Clyde Fitch's play, "Beau Brummel," in which John Barrymore will be starred. Mr. Barrymore is expected to arrive on the west coast the latter part of July.

RUTH HAMMOND BECOMES MEMBER OF WALKER CAST

Grand Players, at English's, begin Fourteenth Week With 'Night Cap.'

RUTH HAMMOND, who has been appearing in New York and Chicago in "Up the Ladder," will join the Stuart Walker Company at the Murat on Monday night.

Miss Hammond will play the chief feminine role in "Nice People." Coates Gwynne will have the role opposite Miss Hammond. Aldrich Bowker, Albert Hackett and Judith Lowry will be in the cast.

The Grand Players will begin their fourteenth week at English's on Sunday afternoon by presenting "The Night Cap," a three act mystery comedy.

"The Night Cap" has never been presented in Indianapolis before.

Walker to Present "Nice People" Next Week

It seems, if we are to take the word of those who continually bark back to the "good old days," that the boys and girls of that period considered "dad" as something more than an automatic check-writing machine.

Indeed, so we are led to believe, the whole atmosphere of the epoch was one of respect and consideration for the head of the household and the feeling best exemplified by the well-known and familiar adage of "Ask Dad; He Knows."

At all events, the life of the heroine in "Nice People," which will be the Stuart Walker company presentation at the Murat beginning Monday night, seems almost to revolve around her father's checkbook. Frivolous, irresponsible and care-free she is nevertheless lovable, adorable and possessed of many admirable traits.

"Nice People" was written by Rachel Crothers, and was produced in New York by Sam H. Harris, with Francine Larrimore as the featured star. It ran for almost an entire season and was caressed as one of the most successful comedies of the season. Miss Crothers, it will be remembered, wrote "A Little Journey," which proved so popular when presented by the Stuart Walker company in 1921.

The leading feminine role in "Nice People" will be handled by Ruth Hammond, a newcomer to the Walker ranks, but who is known here for her work in the "Charm School," which (Continued on Page 7)

Circle Music

The Circle Orchestra, under the direction of Modest Altschuler, will play as the overture next week Gilbert and Sullivan's "Mikado." This opera was first produced in London in 1885. Its success was instantaneous. It is undoubtedly the most popular of the many Gilbert and Sullivan successes, and the beautiful music of "Mikado" has been played and sung all over the world.

Premiere of Big Movie Due

"Merry Go Round," the Universal-Jewel production of Viennese life in pre-war days, which has just been completed, will have its New York Premiere at the Rivoli Theater starting July 1. The work of Mary Philbin in this picture is said to be remarkable and stamps her as an emotional actress of high ability.

Preliminary details are now being arranged at the Warner Brothers studio in Los Angeles for the filming of Clyde Fitch's play, "Beau Brummel," in which John Barrymore will be starred. Mr. Barrymore is expected to arrive on the west coast the latter part of July.
