

Western Amateur Golfers Start Play—Baseball Interest Centers in National

TWO QUALIFYING ROUNDS DECIDE FIELD IN MEET

Thirty-Two Low Scorers Will Clash for Title—Sweetser Good in Practice.

By United Press
CLEVELAND, Ohio, July 23.—Jess Sweetser, national amateur golf champion, hung up a new course record Sunday at Mayfield in his final practice round before the Western amateur meet which started today, when he went round in 65, four under par.

He played from the back tees, making the distance 6,470 yards and thus overshadowed the performance of Captain Carter, Irish champ, who made the same mark Saturday, but used the short course.

Five Birdies
In making his card, Sweetser shot five birdies and an eagle, being over par on only three holes.

With Jess in form again, grave fears are felt for Chick Evans, defending champion. Chick knows the course well and delayed his arrival until noon today.

A great field totaling nearly 150 of the Western golfers is on hand for the tourney, including such strong players as W. H. Gardner, Paul Hyde, Burton Mudge, Ira Couch, Ellsworth Augustus, Joe Wells and Ray McAllister.

Thirty-Two to Play
The qualifying round of thirty-six holes was to be played today and Tuesday and the low thirty-two will then start match play for the title.

In connection with the qualifying round the Olympic team competition will be held, automatic scoring, with seven teams representing the various golf associations entered.

SCHLOEMAN WINS AGAIN AT HOOSIER SPEEDWAY

Second Victory for Fronty-Ford—Only Four Cars Finish.

Worth Schloeman in a Fronty-Ford, for the second week in succession, won the race at the Hoosier Motor Speedway Saturday. He made the 125 laps, or sixty-two and one-half miles, in 1:11:40 for an average speed of 53.2 miles an hour, a little better than his mark of the previous race.

Out of thirteen entries only four remained at the finish, and they were all Fronty-Fords. Arthur Davidson was second, a lap in the rear. A. E. Thompson finally got in for third money and Fred Koehler, in a Freck's Fronty, was fourth.

Joe Johnson went through the fence in his Essex Special, but was not seriously hurt.

There will be no races next Saturday. The next event is scheduled for Aug. 4 and a 100-mile race will be staged on Labor Day.

ENSMINGER WINS SHOOT

Ninety-Nine Score Best at Weekly Event Other Trap Results.

L. A. Ensminger had his eye on the targets Saturday during the registered trap shoot at the Indianapolis Gun Club and got 99 out of 100 "birds" for first place. W. J. Burford, Jr., was second with 98 and T. H. Parry third with 95.

Seth Klein, twenty-five straight in the handicap event, Burford took the doubles with twenty broke out of twelve pair.

The Wednesday shoots will be discontinued.

INDEPENDENT AND AMATEUR BALL

Two of the best junior teams in the city met Sunday and the Ames Juniors won their fourteenth straight by defeating the Christmases Juniors, 6 to 5. It is to be a two-out-of-three series. The dates for the remaining games have not been decided. For games with the Ames call Belmont 0457 and ask for Eddie.

A huge crowd witnessed an exciting encounter Sunday at Riverside between the Spades and Riverside A. A. Schmitt for the A. A. allowed only three hits and won, 2 to 1. The Riverside got eleven safe hits, but Francis for the losers kept the hits scattered. Rabe accounted for one of the runs with a homer. Zion got a triple.

Frankfort is still trying to beat Noblesville. For the fourth time this season the Noblesville outfit trimmed the usually invincible Frankfort aggregation. Hinkle for the winners was not as effective as usual on the mound, but made up for it with a terrific home-run smash.

The Marion Cardinals defeated the Brightwood Comets, 4 to 1, in a game featured by the sensational pitching of R. Miller. He struck out twenty and permitted only three hits. His mates played errorless ball behind him. Next Sunday the Cardinals play the Southwesterns.

The Arsenal Reserve defeated Helmsburg Sunday, 9 to 2. Henry's pitching for the winners featured. For games with the Reserve address Albert Farm, 1236 E. Ohio St.

For the Eye

While Eugene Crique trains his eye by playing tennis, Johnny Dundee plays nine holes of golf each day to train his eye for his bout with Crique for the featherweight championship of the world. The scrap is to be held in New York Thursday night.

INDIANS RETURN AND AWAIT BIG SERIES WITH K. C.

Tribe Takes Three Out of Four From Millers as Road Trip Ends.

After grabbing three out of four from the Millers in the wind-up series of the long road trip which closed Sunday, the Indians have today and Tuesday to rest before tackling the Kansas City Blues at Washington Park Wednesday. The two-day vacation will be appreciated chiefly by the pitching staff, which is badly in need of a lay-off.

Some of the Tribe athletes came through to Indianapolis directly from Millertown today while others dropped off in Chicago to witness the Tigers and White Sox play this afternoon.

Hitting Is Big Feature
In the Minneapolis series the Indians broke even Saturday and then grabbed both games of the Sunday twin bill. Each game there saw plenty of batting. The scores Saturday were 6 to 5, Indianapolis, and 8 to 7, Minneapolis, and the results Sunday were 11 to 10, ten innings, and 7 to 4, both in the Indians' favor.

The closing tilt Sunday was a bolted affair of five innings out short by the 6 o'clock Sunday baseball law. Eddie Brown smashed a home run in each of the Sunday contests, his safety total for the afternoon being five. Hill and Cavet toiled on the Tribe mound in the extra-inning game and Burwell pitched the five-inning victory in the second. Janvrin got a homer in the first game.

The Heppicks were worsted in only one series during the long trip, Kansas City taking them for four out of six games. The Hoosiers were unable to improve their position in the A. A. standing, however, and they are still sixth. Perhaps they will get going again during the home stay.

They have been hitting hard and the pitching has been fair in spots, but bad fielding has interfered with their advancement. Janvrin has improved as a hitter, but has slumped in fielding, whereas fielding is supposed to be his strong point.

The team's record on the road was thirteen games won and twelve lost.
