This being the first meeting of the executive board with the chairmen of standing committees, the work of the various chairmen was discussed and plans for the year's work were made. An honor roll, bearing the names of chapters which have pledged their quota to the Harrison home committee fund, will be on display at the conference in Bedford.

Mrs. W. A. Morris, State historian, was appointed chairman of a committee to confer with Miss Georgia Elliot, assistant director of the State historical commission, concerning a D. A. R. luncheon for all Indiana Daughters, to be held during the State history conference in Indianapolis in December.
