

# SATURDAY MARKED BY ENTERTAINMENT FOR C. M. T. C. BOYS

Holiday Is Crowded With Athletic Events and Pleasure Trips.

BY DOROTHY STANHOPE  
Times Staff Correspondent.

CAMP KNOX, Ky., Aug. 18.—Saturday was a full holiday in the Citizens Military Training Camp.

Entertainment was planned for the whole day, beginning at 8 o'clock in the morning when the pistol was fired for the 100-yard dash, the opening event of the field and track meet, and closing with the return at midnight, which brings back the hundreds who go on the boat ride.

Great stress has been laid on athletics throughout the camp. They have been encouraged in every possible way. One of these is the athletic Wednesday afternoon, when every boy not on duty must engage in some form of sport. This may be any kind he prefers.

And now comes the field and track meet, and for every event each company has been required to send participants. For days the candidates have been in training.

The events began at 8 o'clock. There were preliminaries and finals for 100 and 220-yard dash, for 120 and 220-yard hurdles, for 440 and one-half mile relay, and the usual field sports.

At 12 noon a special C. M. T. C. train started for Mammoth Cave. The number going on the trip was limited to 200 candidates. They will climb the Corkscrew, struggle through Faxon's Misery, boat on Echo river and hunt for the eyeless fish.

While the 200 are on their way to the cave, between 600 and 800 will be going to Louisville by train, leaving camp at 1:10. At 2:30 they were scheduled to take an excursion steamer for a ride up the Ohio to Fern Grove.

Dancing was enjoyed all the way up, and also at Fern Grove, where the boats stay for three or four hours. On the return trip there will again be dancing.

It is interesting to see the young people pairing off. As in the soldier entertainments of war time, the roof is the introduction. The C. M. T. C. hostesses, experienced in looking after the diversion of thousands over seas, attempt no presentations. But before the Grove is reached, like has found like, and the couples go swinging up the bank to the picnic ground, the victor carrying the precious lunch boxes.

And so the Saturday is provided for. Another Saturday and the C. M. T. C. will be homeward bound.

## PRICE OF GAS \$3.00 FOR TWO YOUTHS

### Young Men Charged With Stealing Auto Fuel.

Kenneth Siford, 19, of 1722 N. Rural St., and Perry Harmon, 19, of 1242 Ashland Ave., were under arrest today on a charge of petit larceny.

Slashes in gasoline prices a few days ago did not seem to be enough to please Siford and Harmon, police say.

Steven Bowman, 1249 Kentucky Ave., in charge of a gasoline filling station at Washington St. and Belmont Ave., told police two young men, stopped an automobile Friday night and ordered six gallons of gasoline and a quart of oil. One man remained in the car and the other entered the office. The man in the car started the motor and drove away very fast without paying the \$1.34 due. The other man jumped through the window of the office and ran.

Records show the auto license was issued to Ellen E. Siford, 1722 N. Rural St. Kenneth Siford is the son of Ellen Siford. Police say the young men admit getting the gasoline.

## Railroads Feel Pressure of Competition With 'Flivvers'

Not the much-discussed bus lines, but the private automobiles, from the lowly flivver to the high-priced limousine, are hurting the railroads, in the opinion of Norman L. Bassett, chief ticket agent at the Union Station. "I always have contended," Bassett said, "that the busses will build up their own patronage, as the interurbans did, from people who did not make a practice of using the steam roads."

He estimated that 10,000 fewer people were handled the first six months of this year than for the same period last year.

"Saturday afternoon excursions surely have been hit hard by the automobile," Bassett continued. "People who used to use trains for weekend trips to the country now go in flivvers instead."
