

WANT VAN CAMP'S WIDOW AS SHERIFF

Citizens Present Petition
Bearing Many Names.

By Times Special
BROOKVILLE, Ind., Aug. 24.—Although a petition bearing scores of names has been presented to the county commissioners asking that the widow of Sheriff William Van Camp, killed in a battle with two automobile bandits, be allowed to fill her husband's unexpired term, John Beckman was today appointed.

Van Camp was the only Republican elected sheriff in this county in the last fifty years. Beckman is a Democrat.

More than 5,000 persons attended the military funeral held Thursday for the murdered sheriff. Van Camp was an overseas veteran and a member of the American Legion.

Since all attempts have failed to trace the slayers it is expected that citizens here will raise the reward offered for their apprehension from the \$1,000 already posted to \$2,500.

Four persons, three men and a woman, arrested in a liquor raid, are still being held in hope that some clew to the murder may be uncovered.

HOTEL CLERK, ILL, TAKES OWN LIFE

Employer's Wife Made Beneficiary in Suicide Note.

Coroner Paul F. Robinson today investigated the suicide of William F. Williams, with a bullet wound in his head, in his room at the Illinois Hotel, 353 S. Illinois St., late Thursday.

Frank Gorman, hotel proprietor, told Motor Policemen Gooch and Rielly Williams had worked for him as a clerk for sixteen years. When he failed to appear all day Gorman sent John A. Walters, night clerk, to investigate. Gorman said Williams had complained of ill health. Robinson said the man had been dead several hours.

The body was taken to the Royster and Askin funeral parlors, 837 N. Illinois St., while the coroner and police endeavored to locate relatives.

A note in Williams' pocket bore a scrawled message instructing that Gorman's wife be named his beneficiary. He left a small sum of money and an insurance policy for \$1,500.

Oh, how they strut on an imaginary beach, but they don't go near the water with 'em on.

The reason is that these twelve Indianapolis girls are appearing in a bathing and beach costume parade at the Lyric this week in connection with the expert diving act of Lottie Mayer.

The costumes worn by the girls were designed by Miss Mayer.

All the girls are good swimmers, but their duty this week is to exhibit bathing costumes and not to get 'em wet.

MANY are the eyes that are turned to gaze with keen admiration on the well developed, healthy girl no matter where she may be—on the rapidly moving thoroughfare or gliding gracefully over the dance floor.

All eyes turn because we all appreciate the girl with the figure so firm and plump—the girl with radiantly red cheeks, cheeks that carry a touch of roses, the girl with the sparkling eyes, keen and sharp—the girl with buoyancy and the swing of youth.

Not necessarily an out-of-doors girl. Just a girl with ever increasing blood cells. Just a girl filled with the vim and vigor of youth.

S. S. S., since 1826, has stood for increased blood cells. S. S. S. means restored strength—rekindled vitality—added energy. Take S. S. S. and watch the bloom of youth return to your cheeks. Watch that flabby, ill nourished flesh fade away before flesh that is firm and plump. Red blood cells will do it and S. S. S. will build them. It contains only pure vegetable ingredients. S. S. S. is sold at all good drug stores. The large size bottle is more economical.
