

# 20 Indiana State Fair Tickets For Times Readers

# The Indiana State Fair Animal Contest

The first ten persons sending in the correct or nearest correct list of breeds of animals or poultry shown in the sixteen advertisements on this page will each be given two general admission tickets to the Indiana State Fair. Neatness will be considered.

In the advertisements on this page are pictures representing sixteen different breeds of animals and varieties of poultry. How many can you and the family identify?

The purpose of this educational contest, being put on by The Indianapolis Times, in co-operation with the livestock departments of the Indiana State Fair, is to stimulate interest in the livestock and poultry industries in this city and surrounding counties.

In submitting your answers in this animal puzzle contest, mention, first, the advertiser's name; second, the name of the breed of animal in the advertisement. Neatness will be considered.

This contest is open to all excepting employees of this paper and the Indiana State Fair. The contest will close at noon Wednesday, August 29th. Send in your answers to the Animal Contest Editor, Indianapolis Times, to arrive not later than above stated.

Be sure your name and address is plain.

The correct list will be published in The Times Saturday, September 1st.

SEE HOW simple it is for every home to have running water. Our exhibit—the first booth on the left hand side of the main entrance of the street car line—at the State Fair, includes pumps under power, domestic water systems, complete bath room outfits—suitable and essential to every house, large or small.
