

## 'BUDGETED LIFE IS SURE OF SUCCESS'

Mansur B. Oakes Addresses  
Canadian Underwriters.

"A budgeted life makes it possible to utilize the right mental attitude along all lines, makes it possible to take life day by day and build it into a definite success," declared Mansur B. Oakes, president of the Indianapolis Insurance Research and Review Service, today before the Life Underwriters' Association of Canada, at Montreal.

"To be a complete success the budgeted life must include a program that reaches into eternity," Oakes asserted. "The program must have

definite soul, social and material lines."

"It is possible today to project one's desires into the future. . . . If we will chart these desires, fix periods where they are to mature, and will chart the road victory will be ours."
