

COASTER RIDING BRINGS INJURY TO BOY, 6, ON STREET

Blinding Headlights Blamed
for Auto-Buggy Acci-
dent.

By United Press
BUFFALO, Oct. 3.—Auto acci-
dents in United States in 1922
exacted a toll of 14,000 human
lives, says a committee report
submitted at the National Safety
Congress. Thirty-eight are killed
daily by automobiles.

Riding a coaster, hitched to a
wagon, proved near-fatal for Charles
Chaille Jr., 6, son of Charles Chaille,
Stop 4, University Heights, Tues-
day night when a car
driven by Leroy R. Newbold, R.
E. Edgewood, struck the boy
whom the driver said he did not
see. A leg was fractured.

47 Persons have been killed in
automobile accidents in
Marion County this year.
1367 Have been injured

duty to make the streets safe.

Blinding head-
lights of an auto-
to and failure to
have a tall light on
his buggy, police allege, caused James K. Vance,
R. R. L. 140, to receive bruises about
the legs and body, Tuesday night.

Earl T. Brown, 6351 Bellefontaine
Street, driver, told the officers that he
dimmed his lights to pass an approach-
ing vehicle and failed to see the
buggy.

iana St., escaped serious injury when

tracks.

J. Brundage, 3130 Central Ave., suf-

Rousing Time for Rainbow Boys

Marion County Rainbow veterans
plan a rousing time at their supper
meeting in the courthouse tonight,
President Byron C. Young said.

Why have
sleepless nights
from ECZEMA?

Oh! The joy of a peaceful rest-
ful night. What a wonderful
"up and going" feeling
follows such a night of undisturbed
slumber.

Oh! What tortures—what agony
—what despair—goes with the
nights where eczema and other
skin diseases hold power and drive
away rest and peaceful slumber.
For under the cover of darkness
like crafty beings of the under-
world these eruptions work their
most serious havoc.

S. S. S. is the established con-
queror of these annoying skin dis-
eases. S. S. S. drives these ever
disturbing elements from your sys-
tem—elements that carry in their
wake—lack of energy—lack of
strength—undermining health.

S. S. S. purifies the blood. It cre-
ates red blood cells by the score.
Blood cells that send new rich
blood coursing through your veins.
Red blood that drives away eczema
—drives away pimples and black-
heads that cause embarrassment
and mortification—and
in their stead brings a added strength—in-
creased vitality—re-
newed vigor.

S. S. S. is sold at all good drug
stores. It is more economical to
purchase a large size bottle. Get
one today and test it out. Watch
S. S. S. rout that annoying, skin
destroying, health undermining ar-
my that holds your system in its
grasp. Learn again what it means
to enjoy peaceful, restful nights of
slumber.

28 JUNIOR COPS OF SCHOOL READY FOR AUTO SPEEDERS

With twenty-eight junior traffic
officers on duty, school No. 57, Wash-
ington St. and Ritter Ave., is well
protected against the traffic menace.

This school is one of the largest
schools in Indiana.

The safety council, composed of
boys and girls from the fourth
through the eighth grades, also has
been organized to care for school law
violations.

Because this school is crowded,
some pupils in the lower grades go to
school from 12:30 to 4 p. m. As the
school traffic officers are supposed to
be off duty from 12 to 1 p. m., some
of them may be asked to volunteer
to serve while these younger pupils
are coming.

victed Family by Purchaser.

An automatic pistol found in the

miles southeast of the city on Brook-
ville road, was given to detectives to-
day by Chalmers Schlosser, attorney
for Mrs. Isley, her husband; Alfred, her
daughter Opal and three members of a
gang convicted with the Isleys of par-
