Jobs are scarce for the Physically Run-Down

THE DOOR of opportunity flings wide its portals only to the man who is up and doing—who is filled with pep and punch—with that red blood tingling through his veins. Mountain size obstacles dwindle to ant hills and ambitions become accomplishments to these sort of men.
Where is the employer who seeks the man who is physically run-down? The man without stamina to withstand the knocks and gaff of the hurrying, scurrying world of business?
S. S. S. is the long established and time honored creator of red blood cells. You cannot expect to get very far up the ladder unless you are equipped with a body that is strong and vigorous. S. S. S. will start you on your way. Don't allow the "Door of Opportunity" to be closed to you because you have not the stamina to withstand the gaff—because your nerve power is lacking. Build up your system!
S. S. S. made of carefully selected and scientifically prepared and proportioned herbs and barks makes you fit. Get back that old time punch! When opportunity knocks be ready to answer the call!
S. S. S. is sold at all leading drug stores. It is more economical to buy a large size bottle.
