

TARIFF TAX \$1.55 ON FARMERS' BILL THIS YEAR, CLAIM

Why Farmers Threaten New
Political Revolt Is
Explained.

By JOHN CARSON
Times Staff Correspondent
WASHINGTON, Oct. 12.—The Kansas farmer gets \$1.55 this year in increased prices because of the tariff. Then the same tariff turns right around and takes from the Kansas farmer \$252.40 in increased prices for the things he must buy.
If that is not gold-bricking the farmer, then the days of gold-bricks are gone forever. And if that does not tell why the Kansas farmer is threatening political revolution and denouncing Wall St., then you will never understand, according to figures compiled by the Fair Tariff League. They are based on the best possible consideration for the Kansas farmer. He produces 200,000 bushels of spring wheat and the tariff promised him \$20,000 on it.

Tariff Boosts Prices
Of course he did not collect. He produced 1,375,159 pounds of wool and the tariff gave him \$175,026 on that. He produced 7,942 tons of sugar beets and the tariff gave him \$41,787 on that. He produced 72,943 pounds of flaxseed and the tariff gave him \$19,885 on that. The total promised him was \$256,698.

But the farmer of Kansas has to buy something. He buys flour, wool, sugar, flaxseed and lemons, for example. The tariff on these at lowest figures cost him as follows: Flour, \$82.643; wool, \$715,688; sugar, \$1,504,102; flaxseed, \$70,825; lemons, \$82,643. The total tariff cost on farm products was \$2,455,901.

41 Million, the Cost
Then the farmer of Kansas pays \$6,198,225 in tariff on heavy steel products, \$3,264,300 on light steel products and \$24,793,000 on general store merchandise. That is not all, but practically all the cost that can be discovered.

The Kansas farmer pays \$41,711,426 for the \$256,698 the tariff gives him. Taking the Kansas farmer and the city consumers of Kansas and they all pay \$86,838,569 for the \$256,698 given Kansas by the tariff.

And the story in every farming State is the same.

SQUIRRELS NOW A PLAGUE

Adirondack Boys Kill Them for Bounties.
By Times Special
SARNAK LAKE, N. Y., Oct. 12.—The Essex County section of the Adirondacks is suffering from a plague of red squirrels.
They are so thick in the Boquet valley that in the vicinity of Elizabethtown and New Russia they ap-

pear unable to obtain sufficient food in woods and fields and have invaded pantries, cellars and farm buildings. On some farms they have become such a pest that boys are being paid a bounty to destroy them, and hundreds have been killed.
In southern Essex County the squirrels are a serious menace to the apple crop, many orchards having been spoiled.
Up to within fifteen years ago sugar beet was scarcely known in England. Giraffe's tongue is about two feet long.

A dose at bedtime of
DR. CALDWELL'S
SYRUP PEPSIN
Made them feel jolly again

Good Health In Happy Old Age

THE chief concern of elderly people is their health, and that is best assured by regular daily bowel movement. There is no truth, however, in the notion that because you are old you need a "strong physic." In fact, just because you are old a mild laxative is better for you. The trouble with purges and cathartics and physics is that they shock the system and weaken it and make the muscles of digestion flabby. Dr. G. H. Brown, V. S., of Frederic, Wis., nearly wrecked his stomach with purgatives. Dr. Caldwell's Syrup Pepsin restored his health, as it did Mrs. J. S. Etheridge's, of Milledgeville, Ga.

Does Not Gripe.

You can be sure of satisfactory evacuations every day if you will take a spoonful of Syrup Pepsin at night when you retire. You will not need to take it very long as a few doses will soon encourage the bowels to act for themselves. The popularity of this wonderful family remedy has become so great that it is now the

largest selling liquid laxative in the world. Because of its mildness and freedom from gripping it is especially ideal for the extremes of age, for children and for elderly people.
Effective at Small Cost
Get a bottle of Dr. Caldwell's Syrup Pepsin at any drug store. The formula is on the package, and the cost less than a cent a dose. Take it when you feel heavy, sleep poorly, have headache or night cramps, for these are also symptoms of constipation. Give it to the children when they are restless, feverish or have a cold. Syrup Pepsin will keep you and the family free from constipation, a condition that lowers the vitality 25 per cent and raises the blood pressure 28 per cent. Freedom from constipation lessens the pain of kidney trouble, neuritis and rheumatism.

EXCURSIONS to Indianapolis
