

FOUR DEAD FROM MOTOR ACCIDENTS WITHIN SIX DAYS

Driver Held on Manslaughter
Charge After Man Is
Killed.

Four persons have died from injuries received in automobile accidents in Indianapolis since No. Accident week began last Sunday. Fifty-five have died from motor vehicle accidents in Marion County since Jan. 1. The total for all last year was sixty-one.

The latest death was that of A. C. Johnson, 79, of 2943 Highland Pl., in Methodist Hospital Thursday night. He died soon after he was struck by an automobile at Thirtieth St. and Capitol Ave. Coroner Paul F. Robinson ordered the driver, Gus Hawkins, colored, Westfield, Ind., slated for a manslaughter charge.

Police said Hawkins was driving slowly. Mr. Johnson stopped in the middle of the street, and Hawkins, given in the opposite direction, according to witnesses.

Funeral at Home

Funeral services for Mr. Johnson were to be held at the home at 2 p. m. today. The Rev. N. S. Hicherman, pastor of the Grace Presbyterian church, was to conduct the rites. Special services will be held by the Masonic lodge, Burial at Crown Hill.

Mr. Johnson was born in Marion County, Ohio, but had lived in Indianapolis twenty-seven years. He was for fifty-three years an employee of the Big Four Railroad, from which he was a pensioner.

"Surviving: The widow, a son, R. H. Johnson, a daughter, Mrs. H. M. Quinn of Salt Lake City, Utah; one sister, Mrs. Annie Baker of Oklahoma City, Okla., and two brothers, Will Johnson of Oklahoma City and Samuel Johnson of Marion, Ohio.

T. J. Brennan, 65, of 33 S. Euclid Ave., was injured about the head, chest, left hand and arm and bruised about the body when struck by an automobile at Euclid Ave. and Washington St., Thursday night, police say.

Driver Is Held

Richard M. Howerline, 418 N. Randolph St., driver, is held on manslaughter and battery charges.

Two men in an accident at Rural and E. Washington Sts., said to have been intoxicated, are sought by police.

Their car crashed into a city Baking Company wagon driven by Joseph M. Loftus, 612 Lockwood St., while he was inside a store. The men abandoned their car, tried to start another parked nearby, and then fled, police say.

Bennie Roland, colored, 1415 Alford St., is charged with drunkenness and operating an automobile while under the influence of liquor. The machine he was driving turned over after striking the automobile of Harry Morgan, 815 E. Tenth St., at Tenth and Bellefontaine Sts., police say.

W. E. Reeves, Eminence, Ind., was bruised about the body when the cattle truck he was driving was struck by a Pennsylvania gravel train at Howard St. The truck was wrecked, but the cattle uninjured.

John Catherly, 80, 3704 Salem St., was slightly bruised about the body when struck by a car driven by F. J. Wagner, 2756 Bellefontaine St., at Indiana Ave. and North St., according to police.

WILMETH DECLARES NEW WARD NEEDED

Bond Issue of \$300,000 Urged
by Judge.

Declaring that "If New York can give \$50,000,000 to care for mental defectives, Indianapolis can give \$300,000," City Judge Delbert O. Wilmeth today declared the need of a psychopathic ward in Indianapolis.

The people of New York State voted in favor of the \$50,000,000 bond issue for new buildings. In the election Tuesday, the issue was called to the attention of Judge Wilmeth in an editorial in the New York Sun and Globe, sent him by Frank R. Wolf of Indianapolis.

Under a plan worked out by Judge Wilmeth, Councilman Walter W. Wise and Dr. E. E. Hodgins, president of the city department of public health and charities, a \$300,000 bond issue will be asked for establishment of a psychopathic ward on the city hospital grounds.

Saturday, the last day of No. Accident week. Mrs. Owens, who was the first woman to volunteer for the job, drives a "fiver" through the downtown district daily.

Uniformed officers will be on hand Saturday to help the women cops, if necessary.

STATE DEMOCRATS DECIDE ON FEASTS TO OPEN '24 RACE

Prospective Candidates for
Governor Meet With Indiana Committee.

Indiana Democrats held today what football fans would call a "pop meeting." The "game" it was decided, will start early in January with a number of Jackson day banquets followed by district meetings all over the State.

The meeting, at the Claypool, was attended by members of the Democratic State committee and by some of the prospective candidates for Governor.

The committee invited six men who have been talked of as candidates. Four were present during the morning. They are: Dr. Carlton B. McCulloch, Indianapolis; William H. O'Brien, Lawrenceburg; Charles S. Batt, Terre Haute, and Joseph M. Cravens, Madison. Dale J. Crittenden, Anderson, and John S. McFadden, Rockport, who were invited as prospective candidates, were not present early in the afternoon.

Ralston Presidential Talk

Batt was the only one of the four present who announced generally that he was in any more than a receptive mood. He has been campaigning actively for some time and carried his campaign to those attending the meeting. O'Brien held numerous conferences with Democrats from Indiana and outstate. Thomas Taggart did not attend the meeting.

While the governorship campaign held the center of attention, there was considerable presidential talk on the appearance of Senator Samuel M. Ralston at the meeting.

Walter Myers, who has been looking after some of the interests of William Gibbs McAdoo as a candidate for the presidency, said McAdoo will not enter the Indiana primary or attempt to control the Indiana delegation. It was said a clear field will be left for Ralston as far as Indiana is concerned.

Shank-Jackson Fight Seen

Democrats were watching closely the activities of the Republicans, and the candidacy of Mayor Shank was talked of almost as much as prospective Democratic candidates.

It appeared to be the general opinion among Democrats present that the Republican campaign will revolve itself into a contest between Shank and Ed Jackson, Secretary of State, in an outright Ku-Klux Klan fight.

A resolution on the death of Joseph E. Bell, who was Seventh district chairman, was adopted by the State committee.

RIKHOFF EXPLAINS BOULEVARD 'STOP' SIGNS FOR AUTOS

Council Charges Denied by
Police Chief After
Row.

Denying charges by members of the city council of "legislating traffic regulations," Police Chief Herman F. Rikhoff today declared that signs exist at Washington Blvd. intersections merely because they had been painted permanently on the pavement in compliance with the original ordinance, later changed.

"Failure to place signs at Meridian St. intersections was due to the exhaustion of the supply of paint," he added. "I have had no personal interest in any traffic signs."

The city council Thursday night charged that the board of safety and Rikhoff had assumed duties of enacting laws as well as enforcing them.

Claycombe Launches Attack

Councilman Walter Wise, president of the council safety committee, was instructed to notify the safety board and Rikhoff that enactment of new traffic regulations without council action must cease.

Wise promised to do this Tuesday at the next board meeting.

Councilman Lloyd D. Claycombe, who launched the attack, referred to the marking of Washington Blvd. as a "Stop" street, when it had never been designated such by the council, and the failure to mark Meridian St. north of Thirty-Eighth St.

It's time to find out who is legislating for the city, the council or the police force," said Claycombe.

"You can never get what you want from the board of safety, either. Their attitude is a slap at the dignity of the council."

Claycombe charged that Wise had neglected his duties as chairman of the safety committee by allowing such conditions to exist.

"I've told the board and the chief," retorted Wise, "but all they did was to give my letter to the newspapers. It's folly for me to go back."

Wise also assailed the police department for creating parking zones and special traffic laws under the head "Police order."

"A stranger in this city would think we had no council or mayor, and nothing, but a police force," said Wise. Wise will report at the next meeting of the council after talking to the board.

An ordinance authorizing \$75,000 bond issue for purchase of ground at Fifty-Seventh St. and the Monon as a north-side unit in the street cleaning department was introduced.

Councilman Otto Ray's motion to suspend the rules for immediate consideration was lost with only two affirmative votes.

Prohibiting parking on the west side of Oriental St. instead of east side, and prohibiting parking for more than fifteen minutes in front of the Federal building entrances.

Approving board of work: purchase of five-ton sewer pumper costing \$9,166.14.

Changing zoning classification at Kenwood Ave. and Thirty-Fourth St. from business to residential.

Adopting a series of minor traffic fines payable to the city clerk when offender receives a sticker. The offender must come to police headquarters within seventy-two hours after receiving the sticker, pay \$2 for first offense, \$3 for second and \$5 for third or subsequent offense.

Ordinances struck from files:

Annexing schoolhouse property to University Heights.

Changing corner of Prospect St. and Sherman Dr. from residential to business.

An ordinance permitting the Vonnegut Hardware Company to construct a switch from Washington St. south on Missouri St. and across Pearl St. to Maryland St. was introduced.

The council set Monday, Nov. 19, as the date for public hearing on zoning territory in vicinity of Brookville Rd. and Butler Ave. from residential to business, and an ordinance proposing that the zoning board have jurisdiction on location of churches, schools, libraries and museums.
