## GIRLS' COATS in the Newest Styles

Without reservation we say this is the greatest sale of girls' coats we  
have held this season, and in fact, probably the greatest we have had  
when value and quality combined are considered.

The first offering in girls' coats  
of tweed, polaire  
cloth and herringbone at  
**\$4.95**. Some have fur  
collars; others are self-  
trimmed. There are coats  
with novelty pockets and  
fancy buttons to match.  
Choices of deer, brown and  
blue. Sizes 7 to 14 years.

**\$4.95**

The coats at **\$12.85** are  
the higher grade ma-  
terials; of fancy stripes,  
velours, overplaids and  
other very good costings.  
They have large collars of  
fur, or plain, convertible  
collars. Included are  
many tie-at-the-side mod-  
els. All are warmly lined  
and have fancy pockets  
and buttons. Sizes 7 to  
16 years.

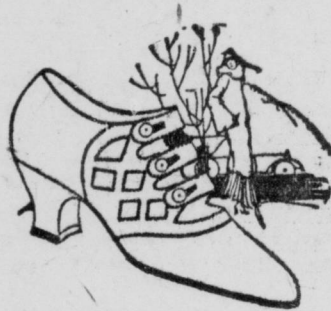

**\$12.85**

This item alone is worth far more space  
than we have allowed it. The coats are  
extraordinary values at **\$6.85**. Many  
have fur collars. Others with self-  
trimmed collars. All are well tailored.  
Often there are patch pockets, pleated  
and flare backs, and some tie at the side. Overplaids,  
velours, polaire cloths, double faced materials. All are  
full lined. Some have full belts. The season's best col-  
ors, too. Sizes 7 to 16 years.
