## PURDUE AT TOP OF BIG TEN AS RESULT OF WIN

Two Victories Give Boiler-makers Lead—Down Ohio State in Close One.

By United Press  
LAFAYETTE, Ind., Jan. 9.—Purdue won its second western conference basketball game Tuesday night here by defeating Ohio State, 24 to 23. Purdue, by its victory, is at the top of the Big Ten race with two games won and none lost. It is the only conference team to have played two contests.

The contest was close all the way and the Buckeyes had a chance to tie the count in the last minute of play on two attempts from the foul line. Only one of the free throws was made, however.

Purdue trailed most of the first half, but just before the period ended went to the front and was leading 12 to 11 when the gun was fired.

The Boiler-makers started with a rush in the second half and kept the advantage until the very last, although Ohio fought desperately in the final minutes to gain the lead.

Gullion's three baskets in the final period enabled the Purdue five to pull out with the victory. Spradling and Tavis each got two and Robbins one from the field. Spradling led the scoring with seven points, which included three free throws. He went out of the game on four personal fouls.

The Ohio State attack was good, with Cunningham, center, leading the way with four field goals. Shaw tossed in three. Miner, Ohio State star, was held scoreless from the field and his only contribution was one foul goal.

## Easy Life

By United Press  
NEW YORK, Jan. 9.—America's Olympic hockey team, six players and three substitutes, sailed today to compete in the Olympic winter games in France. In its final appearance in this country, the Olympic team defeated Minneapolis, 3 to 2, in Boston Tuesday night.

## GOUGH BELIEVES TOM TOO FRAIL

New Yorkers Think Jack Would Wreck Gibbons.

By United Press  
NEW YORK, Jan. 9.—The announcement made at St. Louis by Promoter James C. Mullen that Champion Jack Dempsey and Tom Gibbons would be matched again this summer offers one more example in proof of Barmann's contention.

Both Cleveland and Louisville, unbothered by the Shelby fiasco seven months ago, are reported to be anxious to land the bout.

Gibbons has shown nothing since his defensive battle on July 4 to convince the world he is a dangerous contender for Dempsey's title. Dempsey on the other hand, in his slashing Firpo engagement showed enough stuff to convince the ringers that he is capable of knocking Gibbons into the proverbial cocked hat.

**Cut Eye Prevents Bout**  
By United Press  
CHICAGO, Jan. 9.—Billy Levine, New York bantamweight, scheduled to meet Eddie Shea here Monday, wired from New York he would not be able to appear because of an accident. Levine said he cut his eye while training.

## BAN ON MIXED BOUTS IS LIFTED IN PENNSYLVANIA

Move to Match Jack and Harry in Keystone State Seen When Rickard Negotiates for Privileges.

By HENRY L. FARRELL  
United Press Staff Correspondent.  
NEW YORK, Jan. 9.—Definite moves to stage the Dempsey-Wills fight in Philadelphia next summer are seen behind the negotiations in process to turn the control of the Philadelphia arena over to Tex Rickard. While it has not been confirmed here, it is known positively Rickard wants to get the arena, which is the "Madison Square Garden" of Philadelphia, and it is believed that he will be successful.

In moving toward Philadelphia, Rickard is either seeking a place of refuge or he is acting upon a desire to extend his field of operations.

If the politicians in New York carry out their threat to oust Rickard or repeal the boxing law, he would have an ideal spot in Philadelphia because it is the greatest fight town in the country. If the campaign against him fails he would have a fine field in which to extend his activities.

The intention to stage the Dempsey-Wills fight in Philadelphia is almost obvious. The Attorney General of Pennsylvania ruled Tuesday that the ban which the State boxing commission placed upon "mixed bouts" was not constitutional and that it would have to be rescinded.

This means that no legal barriers can be placed in the way of a Dempsey-Wills fight in Pennsylvania. Conditions are such in New York that the bout cannot be held here for some time, if ever.

**A \$7,000 Golf Prize**  
What promises to be the richest monetary golf prize in the history of the game in this country will be hung up by the Santa Monica Club, near Los Angeles, late this month. Prizes amounting to \$7,000 will be given to the leading professionals. To the victor will go \$2,500.

## ALTE TO PERFORM ON JAN. 21 CARD

Local Feather to Box at Stribling-Fay Show.

Merle Alte, Indianapolis featherweight, was signed today by the Army and Navy Club to appear in one of the eight-round bouts that precede the Stribling-Fay encounter at Tomlinson Hall, Jan. 21. An opponent for Alte will be secured in a day or two.

Eddie Dyer of Terre Haute and Frankie Beal of Muncie will show their wares in the eight-round bout preceding the feature. Dyer carries the wallop and is aggressive. Beal is better known for his cleverness and being able to hit from every angle.

The Army Recruiting Office in the Federal building was the mecca today for boxing fans anxious to secure choice seats.

No matter how good the preliminaries may be the crowd that will turn out Jan. 21, will be all attention when the big boy from Macon, Ga., steps into the ring. Stribling is just 19 and tips the beam at 165. He is growing like a weed and in a few years should be a well-developed heavyweight.

Forty-two rounds in all will be offered the fans Jan. 21.

McGrew has officiated in the Pacific Coast and Western Leagues. He is an Indianapolis product, having resided on the east side for many years.

McGrew played ball in a number of minor leagues before becoming an umpire. He started his baseball career as bat boy for the Indianapolis team when the park was on the East Side.

## NATIONAL LEAGUE WANTS CY RIGLER

President Heydler Makes Offer to Veteran Umpire.

By NEA Service  
NEW YORK, Jan. 9.—In an effort to strengthen the National League staff of umpires, President Heydler is trying to induce Charlie Rigler to return to the game. Rigler retired last year.

A difference in the matter of salary was the reason for Rigler's failure to start the 1923 season.

Shortly after the campaign opened Rigler entered into a business deal that promised better returns than the salary he asked as umpire. Early in the spring the National League decided to meet Rigler's terms, but the arbitrator said nothing doing.

It is understood a number of club owners regretted the departure of Rigler and they have insisted President Heydler to go the limit in an effort to get him to return to the game.

## GOOD DEFENSE IS COACH PAGE'S AIM FOR CHICAGO GO

Two Combinations at Work—Intra-Mural Sport Program Under Way.

Coach Page of Butler is working his basketball squad in an effort to develop a defense for the Chicago University contest at Chicago Saturday night.

Page has two defensive combinations he plans to use interchangeably. One pair is composed of Keach and Harker and the other is Paul and Colway.

## Depart Saturday Morning

A light workout of about an hour was on the program today with more intensive work Thursday and Friday. The squad will leave Saturday morning for the Windy City.

Intra-mural sports at Butler are being organized on a big scale and Page wants every man and woman student in college in some form of athletics before he will be satisfied.

**Plenty of Basketball**  
Fraternity and independent basketball games will be played Thursday nights among the men. The girls will play Wednesday and Friday evenings.

Muholland is in charge of a boxing class as part of the intra-mural program. He is not a paid instructor and is merely supervising the aspirant mit artists out of love of the game.

**City Billiard Meet**  
Mitchell and Wolfe will meet tonight in the city three-cushion billiard tourney at the Board of Trade parlors. Tuesday Moore (40) defeated Lewis (45) by a score of 40 to 39.

## With Independent Netters

The Collier Cubs would like to schedule games with local city and State teams in the 15-17-year-old class which have access to gyms. For games call Harrison 1597 and ask for Harlan.

The Boys Club Bulldogs have won ten straight victories. The card this week includes Lauter Midgets tonight and Edgewood Midgets Friday. For games in the 13-year-old class call Main 1902 and ask for McGill. Brightwood Midgets, Man Eaters, Lion Tamer Midgets and Pioneers of Y take notice.

The Hoosier A. C. and St. Anthony Y. P. C. basketball teams will meet Thursday at St. Anthony Hall. Both teams have made fine records this season and a great battle is expected.
