Funeral Services for Murdered Woman Held at Lafayette.

While her confessed slayer, Gladys Martha Ellis, sat alone in her cell at the county jail Saturday, Miss Louise Richards, 70, killed Monday night at the Indiana Woman's Prison, where she was a teacher, was eulogized as a friend of wayward girls and a martyr to her principles.

Only close friends and a niece, Mrs. Anna Glover of New Mexico, attended private services at the Bert S. Gadd chapel, 2130 Prospect St. The body was to be taken to Lafayette for further brief services and burial this afternoon.

### True to Tradition

"Miss Richards died, as she lived, true to the traditions of her family," the Rev. George William Allison, pastor of the Irvington Presbyterian Church, said. "She was a lineal, as well as a spiritual, descendant of Ethan Allan, the patriot. She possessed both the piety and the courage of Stonewall Jackson, on the other side of her family, whose motto was, 'Do your duty and leave the rest to Providence.'

"Surprised in her room, she was obedient to duty. The easy thing would have been to surrender her keys and allow her prisoner to escape. Her courageous decision was not the act of a single instant, but the result of a long life of self-discipline."

### Father, Forgive Her

"Nowhere will her unhappy end strike a deeper note of pathetic sympathy than among present and former inmates of the prison, many of whom were singularly attached to her and appreciated her sympathetic understanding and unfailing courtesy."

"And while in the interests of society, the unfortunate girl must pay the penalty of her act, I believe Miss Richards was noble enough to have prayed with Christ, 'Father, forgive her, for she knows not what she does.'"

## S.S.S. keeps away Pimples

You will be compelled to admit that the results of S.S.S. are really amazing!

Did you ever know how big cities make the hydrant water fit for you to drink? That's what S. S. S. does to the blood in your own blood.

Increase your Red-Blood-Cells. That's the sure way! S. S. S. is made of cold, calcium, antiseptic pipes. It makes it fit to circulate. S. S. S. is acknowledged to be one of the most powerful, rapid and effective blood-cleansers known. You don't have to use some new fad treatment that is mere guesswork, you don't have to smear things on your face in a vain effort, to get rid of eruptions. Eruptions come from blood impurities and a lack of rich blood-cells. S. S. S. builds new blood-cells. This is why S. S. S. roots out of your system the impurities which cause boils, pimples, blackheads, acne, blisters, eczema, tetter, rash. That's why S. S. S. has done such wonderful work in freeing thousands from the scourge of rheumatism. S. S. S. is also a remarkable flesh-builder. That's why underweight people can quickly build up their lost flesh, get back their normal weight, pink, plump cheeks, bright eyes, and "pep." S. S. S. is sold at all good drug stores. The large size is more economical.

## DR. SCHUH SCORES BAD FAITH ON PART OF POLITICIANS

Church Leader Says in Sermon There Should Be One Moral Standard.

"If every officer in the National Capital had acted as a Christian and lived up to his solemn oath, there would be no Teapot Dome investigations," Dr. H. J. Schuh, president of the western district of the Ohio Synod of the Lutheran Church said Sunday, in a sermon at St. Matthew's Evangelical Lutheran Church.

"Many of these men," he said, "who are now on trial for their honesty are professing Christians. The trouble with us is that we have a double standard of morality, one for Sundays and another for week days, one for the church and another for politics."

Dr. Schuh in preaching on "Church Work, a Man's Job," urged that "if we are interested in church work, let us show it by carrying out our Christianity with us into every avenue of everyday life."

### Man and Woman Have Their Work to Do in the Church

Continuing, he said:

"Christianity had elevated woman to the highest level which she has ever occupied in the history of the world. The old heathen philosophers were in doubt as to whether women had souls and among heathen nations today women are considered and treated as chattel property."

"But the Gospel of Christ has placed woman to her proper place as the helpmeet of man. She is equal in the enjoyment of all the spiritual blessings of the Kingdom."

A real red-blooded man is not looking for an easy job. He is ready to leave the easy tasks to women and children. But for himself he is looking for something that is commensurate with his superior powers. The work of the church is the biggest and most difficult task in the world.

"It is a big job to make the world more learned, more sanitary, more civil and more beautiful, but the biggest job of all is to make the world really better, to regenerate men and change the whole course of their lives, to change their hearts, to bring them back into right relation to God and their fellow men."

"And this is the work in which the church is engaged. It includes not one city, state or nation, but the Master's command reads, 'Go ye into all the world and make disciples of all nations.' There can be no bigger task than this. This is something really worth while. To save perishing men from temporal and eternal ruin, ban anything surpass this in importance and magnitude?"

### Preacher of the Church Is Biggest Fight in the World

"But the task of the church is the biggest fight in the world also and on that account it should appeal to men. It is said of women that they are great scappers but when you are after a real fight you must call on the men. Even among savages it has been looked upon as the proper thing that men should do the fighting they are the soldiers."

"During the recent war we called not women, but men into the trenches. All these millions of soldiers were men. All wars have ostensibly been waged in the interest of liberty. But in the spiritual warfare which the church is waging the question at issue is real liberty, freedom from sin, the glorious liberty of the children of God."

"The question is whether you and your wife and your children and your neighbors are to be slaves of the devil or free children of God. It is the fight of light against darkness, of truth against error, of righteousness against sin."

"This fight has been on for six thousand years. In it have been engaged all the millions that live today that have lived from the creation and that will live to the end of time. Yes, all the angels of heaven and all the devils of hell. If you as a man are looking for a fight, that is really worth while here it is," Dr. Schuh said.
