

## SEVEN STRONG TEAMS SEEK YANKS' TITLE IN AMERICAN LOOP RACE

By BILLY EVANS

NEW YORK—The Yankees are going to be hard to beat in the American League. Huggins has a great pitching staff. Perhaps some of the veterans are slipping a bit, but it is still the best corps of hurlers in the majors. Pitching wins pennants. Rival American League clubs look over good pitching in every game they oppose the Yankees. Club appears no stronger than last year.

DETROIT—Ty Cobb has a dangerous club because it can hit. The Tiger problem is second base and pitching. If Detroit gets consistently good pitching, the club is so strong in other departments of play that it is sure to be a contender all the way. The problem is pitching. Without it the Tigers will suffer. Little change in team strength over last year. If Shortstop Rigney's injury keeps him out of the lineup, it will be another serious handicap.

CLEVELAND—The Indians have strengthened first base at the expense of second and catching. Some of the promising young pitchers may miss the handling of the experienced O'Neill back of the plate. Wamby is a mighty good ball player. He passed to Boston with O'Neill for Burns. Burns will add a batting punch, help the offense. The loss of O'Neill and Wamby may weaken defense.

WASHINGTON—Much the same ball club as last year with an aggressive, brainy manager, making his major league debut. Under Harris the Washington club is certain to go the limit to win in every game. This is the temperament of Harris that is certain to be taken up by the team. Third base and pitching are the two problems that must be solved. Same club with different spirit.

CHICAGO—A club that seemed to fail to make the most of its possibilities last season. A new leader in the person of Frank Chance may cause a shake-up in the club that will

enable the Sox to make trouble. There seemed to be something lacking last season that kept the apparent strength of the club in the background. White Sox should show improvement and be a better club.

ST. LOUIS—The condition of Manager George Sisler is the big IF with the Browns. Sisler back in the game, playing the remarkable ball he is capable of when right, makes all the difference in the world to the Browns. Sisler at his best gives a ball club a real punch. Sisler out of it hurts the team's morale. The Browns for that reason are the IF club of the American League.

BOSTON—The most improved club in the American League. The addition of three veteran players of the worth of Steve O'Neill, Bill Wambgsans and Bobby Veach is certain to make the Red Sox much more formidable. In addition, Lee Fohl, new manager, has some promising recruits

Improved spirit of the club, plus added confidence, sure to be big factors in team's improved showing.

PHILADELPHIA—Connie Mack's club was the spring sensation in major league baseball in 1923. It wouldn't be surprising if Mack's club was an all-year sensation in 1924. Mack's hopes are largely built around three recruits, Strand, Simmons and Bishop, stars in the minors. If they deliver in the majors his club looks a certainty for the first division.

RESUME OF CLUBS—New York again appears to be the outstanding team in the American League, with the rest of the field pretty well bunched. The positive statement of the reticent Mr. Mack that the Yankees should again win, with his club second, gives you some idea of what may happen in the American League this summer. The Athletics finished sixth by a nose last season. Seven improved clubs fighting a champion is the dope in the American, with the champ a year older.

## THIRD ROUND IN PREP TOURNEY IS REACHED AT CHI

Fargo (N. D.) Team Looms Strong—Nineteen States Are Represented.

By United Press  
CHICAGO, April 3.—The process of weeding out continued today in the University of Chicago annual national interscholastic basketball tournament, with Fargo, N. D., and Pangnatch, Utah, scheduled for the first game of the third round.

An upset in Tuesday's playing was the defeat of the Lexington (Ky.) Blue Devils, national champions two years ago, by the Fargo (N. D.) team. The Fargo aggregation is reputed to be one of the strongest aggregations in the country.

Illinois has no chance of winning the national honors. Both the Elgin and Lane Tech High Schools, Illinois entries, have been eliminated.

Schools from nineteen States are represented in the tourney. Play will continue until Saturday night. Wednesday results were as follows: Fargo (N. D.), 32; Lexington (Ky.), 21; Garfield (Pangnatch, Utah), 19; Tampa (Fla.), 17; Windsor (Col.), 27; Warrensburg (Mo.), 25; Sioux City (Iowa), 28; Butte (Mont.), 20; Two Harbors (Minn.), 25; Jackson (Mich.), 24; Emporia (Kan.), 30; Elgin (Ill.), 15; Yankton (S. LEO DIXON

HUSTLING Leo Dixon is working with a vim at Plant City for the second-string catcher's job. The red-head always has been a good mechanical receiver, but is weak at the stick. The veteran Otto Miller and Dixon are battling for a place with the Indians. Krueger will be the regular receiver.

## JAY KIRKE IS PURCHASED FROM TRIBE BY MILLERS

Bush Shaping Tribe for American Association Get-Away—Waivers Obtained on Infielder Harold Janvrin.

By EDDIE ASH

Times Sports Editor

PLANT CITY, Fla., April 3.—Jay Kirke, first baseman of the Indians, today was sold to the Minneapolis club. Ted Jourdan, first baseman of the Millers, was injured a few days ago and Mike Kelley, manager of the club, made an offer for Kirke that was accepted. There was no chance for Kirke to beat out Ray Schmandt for the Tribe job.

The all-star Cuban team of Tampa was to provide the opposition for Owine Bush's Indians here this afternoon and a thrilling battle appeared to be in store for Plant City fans. The Cubans always are stout for American nines in the spring because they play ball all winter. A few weeks ago this same Tampa Cuban team played an extra-inning tie with the Washington Americans.

Manager Bush announced he would use Fitzsimmons, Petty and Hill on the mound in today's contest and that Krueger, Miller and Dixon would divide the backstop work. He also said he intended to perform at short a few innings and then permit Hodapp to finish.

Bush is shaping his Indian machine now for the A. A. championship race and the main batterymen will be worked often, but not long, on any one day.

Pitcher Ned Niles cut loose in Wednesday's drill and worked a brief spell serving benders to the batters. Bush hit Niles' speed and curves, but found the tall hurler's control faulty. That means Niles must do some extra pitching until he convinces Bush he can find the plate.

Selb was under sharp observation Wednesday as he toiled on the mound, but a flaw still showed in his throwing shoulder.

Efforts are being made to locate a suitable job for Infielder Harold Janvrin. Waivers have been obtained on him.

The Indians were guests of the local Kiwanis Club at luncheon Wednesday. Owner Smith told the members he was pleased with training conditions and the Kiwanians voted to invite the Indians to return in 1925.

## In New Uniform

JAY KIRKE

JAY KIRKE has been sold to the Millers, according to word received from Plant City, Indian training camp. The veteran was obtained from Louisville in a trade for Covington before the opening of the 1923 season.

He had tough luck early in the year when Pitcher Palmero of Columbus let loose a wild pitch that struck Jay on the wrist and broke the bone.

The first-sacker never got back his old-time swing at the bat. He always hit well above .300 until last season. Kirke may regain his old club would especially like to clinch the first-base job with the Tribe.

He will get under way as soon as definite word is received from the association.

## LIGHT-HEAVIES CLAMOR FOR CRACK AT STRIBLING

Greb, Tunney and Gibbons See Glory and Dollars in Battle With Youngster From Georgia.

By WESTBROOK PEGLER

United News Staff Correspondent

NEW YORK, April 3.—Many of the top-notch battlers would like a crack at "Young" Stribling, who last Monday earned a newspaper decision over McTigue.

Greb is one of several fighters weighing less than 175 pounds, or within the class of Young Stribling, who would rather fight him than any one else, because he has such a great drawing power and likewise because they think they could whip him.

## HIRT IS CAPTAIN OF DE PAUW FIVE

'Tiny' Star Back Guard, to Lead Methodists.

By Times Special  
GREENCASTLE, Ind., April 3.—Lewis (Tiny) Hirt, a junior, was elected captain of the Tiger basketball team for the 1924-1925 season at a meeting held Wednesday night. Hirt plays back guard and is one of the best defensive net artists in Indiana.

His selection was a popular one. The De Pauw varsity and freshmen quintet held their annual banquet at the Half-Way House, near here, and Hirt was chosen as captain late on Wednesday night. He is a local boy and is also a regular on the Tiger baseball and football teams.

Then also, Stribling has a habit of dropping both hands along his body as his opponent closes in, as though body blows were all he had to fend off. Tunney has a left hook to the chin which he believes would fit into this scene very nicely.

Tommy Gibbons is a man of Stribling's class, too. He may be remembered as the one who fought Jack Dempsey fifteen rounds at Shelby last summer. Ad Stone, the marine, from the Philadelphia navy yard, is a bit too new in the game and too light in the punch to fight Stribling, but that doesn't prevent him from wanting to.

In other words, all the light heavyweights now want to fight Stribling because his next big match, probably in the open air, will be worth a fortune to his opponent, win or lose. And then, notwithstanding what he did to McTigue, who is not a great champion, Stribling still needs experience.

Greb's Style  
Myatt and Sewell, Speaker has announced, will work regularly with Walters back of the plate. The pitching staff consists of Uhle, Coveleskie, Morton, Shaute, Edwards and Smith.

Uhle is one of the greatest pitchers in the league and the best batting pitcher in baseball. Speaker will have a nine-men team every time he pitches and he is a bear for work. Uhle ought to be the best pitcher in the league this year.

The Indians look sure to be at least a second-place club and if anything should happen to the Yanks they might win the pennant.
