Cornelius Shine in Critical Condition at Hospital—Argument Ends Fatally.

Cornelius Shine, 45, of 925 Church St., is in a critical condition at city hospital with a bullet wound in his abdomen, and Joseph Carr, 29, is in city prison, charged with assault and battery with intent to kill, as result of a shooting Sunday afternoon at 744 Illinois St.

Patrolman Hanley arrested Carr and filed the charge against him. Thomas Dillon, prominent politician, and James McDonald, Republican candidate for prosecutor of Marion county, were witnesses. According to their story to Sergeant Dean and Detective Reynolds and Samuels, Shine lighted from his auto and was talking to them, when Carr drove up. The words are as follows: "Thou Father of mercies and God of all grace, Who maketh with mortals Thy true dwelling place, Accept this beginning, descend from Thy throne, And hallow the place of our corner stone."

Our leaders give wisdom, with strength from above, To guide to completion our labor of love, Induce all our members to bring Thee Thine own, And finish the church on this sacred corner stone.

Streets Bad East of Monon

TERRITORY BOUNDED BY SEVENTEENTH AND THIRTIETH STS. AND PARK AND RALSTON AVES. BLACK SECTIONS SHOW BAD STREETS. UNSHADED SECTIONS ARE STREETS IN GOOD REPAIR. DOTTED SECTIONS REPRESENT STREETS IN FAIR SHAPE. SMALL CIRCLES DENOTE SECTIONS NOW BEING PAVED. PARALLEL LINES SHOW ROUGH CAR TRACK PAVING.

Does the city think its duty to maintain streets ends east of the Monon Railroad?

This survey of The Times, the tenth of a series to learn actual street conditions, shows how a motorist will plunge from smooth asphalt streets into a sea of mud and ruts by crossing the Monon tracks above Seventeenth St.

Columbia Ave. stands out as the only paved thoroughfare north and south. Drivers of delivery trucks park on this thoroughfare and carry their wares to the surrounding

neighborhood. In recent rains the streets were practically impassable. Despite urgent need for gravel and grading on these streets, the city has done nothing.

Douglas Park is now situated between Martindale and Ralston Aves., and Twenty-Fifth and Thirtieth Sts.

West of the Monon tracks a section of College Ave. is bad between Twenty-First and Twenty-Fifth Sts. Paving between car tracks is bad south of the creek.

Some paving is being started by the city on Yandes and Alford Sts.
