TO TAKE OFF FAT

New French Formula Reduces Pleasantly, Safely, Surely

If you are suffering from excess fat; if your liver is affected by the burden you are carrying; if your joints are stiffened with rheumatism, or if you are a victim of obesity, you can now be relieved. No matter how little or how much you want to lose, and no matter all the pills, creams, diets and exercises you have tried before SAN-GRINA, a new discovery of a French scientist, is guaranteed to relieve any fat man or woman or your money is refunded.

SAN-GRINA is the formula of a French physician. It has been used in Europe by millionaires, actresses and hundreds of fat men and women, because it is simple, easy, pleasant and harmless. If you are burdened with rolls of ugly fat, make this test today. First, weigh yourself, then go to any good drug store and get a box of SAN-GRINA, take two small tablets before each meal, and watch your fat disappear. One French woman, now in America, states that she reduced 50 pounds in eight weeks with this marvelous discovery, and has never regained one pound since. You do not have to fast, use any diets or exercises, but be sure and get the right tablets called SAN-GRINA, as nothing like it has ever before been offered to the American public.

SAN-GRINA can be had at Haag Drug Company and Hoek's Dependable Drug Stores.
