

BOARD POSTPONES ACTION ON FREE BOOK PROPOSAL

School Heads Also Refer Platoon System to Subcommittee.

No action on the proposal of free text books for Indianapolis school children or the establishing of the platoon system has been taken by the school board, although the matters were referred to committees for study in the middle of May.

Dr. Marie Haslep, sponsor of free books for the children, declared today the matter was "still calmly sleeping in committee."

Children are an asset to the community and an education is an asset to the child. Yet the people are compelled to buy text books for children.

The textbook proposal was referred May 13 to the committee on instruction, Charles L. Barry, Fred Bates Johnson and Adolph Enhardt and Superintendent E. U. Graff.

The proposal to investigate the platoon system was referred to the finance committee, and Graff, May 27, and a report was to be made at the next regular meeting. Nothing was said of the problem at the meeting.

SECRET OF KEEPING YOUNG
Why is it that some women look older at thirty-five than others do at fifty? Why is it that so many women are always run-down, weak, pale, nervous, irritable and unhappy? Health, vitality and freedom from pain and disease alone can prevent the signs of age from fastening themselves upon women.

ONE TO THREE, ODDS ON RALSTON

Wall Street Cuts Figures on Smith and McAdoo.

By Times Special
NEW YORK, June 20.—Betting odds on Governor Alfred E. Smith and William G. McAdoo, the present leading contenders for the Democratic nomination for President, shortened today as the result of the arrival of the vanguard of the delegates and activity of their "boosters."

Fried & Co. quoted odds of 2½ to 1 against the chances of former Secretary of the Treasury McAdoo being nominated, the former odds having been 3 to 1, but a similar reduction took place in the quotation of odds against the chances of Governor Smith, his odds having been shortened from 2½ to 1 to a flat 2 to 1 basis.

Odds of 3 to 1 against the chances of Senator Ralston for nomination, 4 to 1 against John W. Davis, and 5 to 1 against Senators Glass and Copeland.

Despite the recession in the odds against Smith to secure the nomination, no change was made in the odds against his chances of election. These were still quoted at odds of 7 to 1 against him. Odds on President Coolidge's chances to succeed himself gave way, due to the enthusiasm manifested by arriving delegates and alternates for the Democratic convention, which begins next Tuesday, the quotation running off from 9 to 5 to the new quotation of 8 to 5.

Sister Wins Insurance Suit
Judge A. B. Anderson found for the plaintiff in an insurance suit against the United States Thursday awarding a judgment for the amount of accrued insurance installments of about \$10,000. Frieda Schissel, 719 De Quincy St., sister of Otto Schissel, deceased, claimed to be the beneficiary of a war risk insurance policy, in controversy, which became effective Feb. 7, 1918.

"Princess Pat" Toilet Requisites
Princess Pat Ice Astringent
"Princess Pat" Ice Astringent makes vanishing creams unnecessary. Many women will find that the cause of roughness and blemishes is the practice of rubbing vanishing creams into the skin until they disappear and then using this base for powder. This obviously plugs up the pores and causes trouble. "Princess Pat" Ice Astringent is for the purpose of closing the pores and preparing the skin for the reception of powder.
